**Records of Elections and Town Meetings
During the Year 1959**

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS
Middlesex, ss.

To the Constables of the Town of Arlington, in said
County:

GREETING:

In the name of the Commonwealth of Massachusetts,
you are hereby required to notify and warn the
inhabitants of the Town of Arlington, qualified to
vote in elections, to meet at the polling places
designated for the several precincts in said Town
on

MONDAY, THE SECOND DAY OF MARCH, 1959

at seven o'clock in the forenoon, to act on the following Articles,
namely:

Article 1. To elect by ballot the following Town Officers: One Moderator for three years; one Town Clerk for one year (to fill vacancy); one Selectman for three years; one Assessor for three years; three members of the School Committee for three years and one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, one such member for two years and five such members for three years; in Precinct 2, one such member for two years and six such members for three years; in Precinct 3, one such member for one year, one such member for two years and four such members for three years; in Precinct 4, one such member for one year and six such members for three years; in Precinct 5, one such member for one year and six such members for three years; in Precinct 6, five such members for three years; in Precinct 7, five such members for three years; in Precinct 8, six such members for three years; in Precinct 9, one such member for one year, one such mem-

ber for two years and six such members for three years; in Precinct 10, six such members for three years; in Precinct 11, one such member for one year and six such members for three years; in Precinct 12, one such member for two years and six such members for three years; in Precinct 13, one such member for one year and six such members for three years; in Precinct 14, one such member for one year and eight such members for three years.

For these purposes, the polls will be opened at seven o'clock A.M. and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts Street; Precinct 5, in the Thompson School Building, entrance on North Union Street; Precincts Six and Eight in the Town Hall; Precincts Seven and Nine, in the St. Agnes Parochial School Building; Precinct 7, side entrance on Medford Street; Precinct 9, entrance on Compton Street; Precincts 10A and 12A, in the Cutter School Building, entrance on Robbins Road; Precincts 10B and 12B in the Brackett School Building, entrance on Eastern Avenue; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen A, Park Avenue Congregational Church; entrance on Paul Revere Road; Precinct Fourteen B, in the Dallin School Building, entrance on Florence Avenue.

You are, also, required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the sixteenth day of March, 1959, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee, under vote of the Town passed March 24, 1944, on Advanced Programming and Budgeting; of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the town of Arlington; of the committee under vote of the Town passed March 26, 1952, to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings within the Town and the future locations of new school buildings; of the committee under vote of the Town passed March 22, 1954, to

procure plans and estimates for the construction of a school building in the area of North Union Street; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets; of the committee under vote of the Town passed March 24, 1954, to investigate, study and consider various entrances at the Arlington Heights Reservoir Beach and Playground; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Peirce School Playground Improvement Committee under vote of the Town passed March 25, 1955; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the committee on quarters for organizations now occupying the Old Town Hall under vote of the Town passed April 2, 1956; of the committee on the improvement of the acoustics in the Robbins Memorial Town Hall auditorium under vote of the Town passed April 2, 1956; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 25, 1957, to study, investigate, consider and make recommendations relative to the use of the area in the rear of the Junior High School West for the parking or passage of motor vehicles for the relief of traffic congestion; of the committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows; of the committee under vote of the town passed March 21, 1958 to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize, ratify and confirm the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accordance with Chapter 500, Section 1, of the Acts of 1943, for: (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor in accordance with Sections of Chapter 111 of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said Hospital including expenses under Section 25G (6) (a) of Chapter 32 of the General Laws, inserted by Chapter 400 of the Acts of 1936; or take any action relating to said Hospital or any other thing therein mentioned.

Article 5. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1960, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 6. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1959, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 7. To see if the Town will vote to amend Schedule A, of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by increasing all money figures contained therein by \$208.00, in the annual salary schedule and \$4.00 in the weekly salary schedule, and by increasing the compensation of part-time employees, whose hours of work follow a regular schedule, proportionately as their actual part-time service bears to full-time service; said amendment to become effective April 1, 1959; appropriate the sum of \$89,000.00 to be expended by the various departments affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will vote to amend Schedule A, of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by adding a new salary schedule for Library personnel as follows:

LS — ANNUAL (LIBRARY SERVICE)

Grade	Minimum	Step 1	Step 2	Step 3	Maximum
LS 1	2790.00	2878.00	2978.00	3066.00	3168.00
LS 2	3008.00	3110.00	3244.00	3326.00	3442.00
LS 3	3154.00	3268.00	3384.00	3500.00	3646.00
LS 4	3456.00	3586.00	3716.00	3846.00	3978.00
LS 5	3948.00	4092.00	4252.00	4396.00	4556.00
LS 6	4324.00	4498.00	4680.00	4868.00	5054.00
LS 7	4422.00	4598.00	4800.00	4988.00	5248.00
LS 8	5698.00	5948.00	6200.00	6450.00	6714.00

and by reallocating the following classifications:

Assistant, Junior Grade, Grade CG 1, reallocated to Grade LS 1
 Assistant, Senior Grade, Grade CG 2, reallocated to Grade LS 2
 Professional Librarian, Junior Grade, Grade CG 3, reallocated to Grade LS 3
 Professional Librarian, Senior Grade, Grade AG 1, reallocated to Grade LS 4
 Branch Librarian, Grade AG 4, reallocated to Grade LS 5
 Cataloger, Grade AG 4, reallocated to Grade LS 5
 Children's Librarian, Grade AG 4, reallocated to Grade LS 5
 Head of Circulation, Grade AG 4, reallocated to Grade LS 5
 Music Librarian, Grade AG 4, reallocated to Grade LS 5
 Reference Librarian, Grade AG 4, reallocated to Grade LS 5
 School Librarian, Grade AG 4, reallocated to Grade LS 5
 Young People's Librarian, Grade AG 4, reallocated to Grade LS 5
 Supervisor of Children's Library Activities, Grade AG 6, reallocated to Grade LS 6

Assistant Librarian, Grade AG 7, reallocated to Grade LS 7
Head Librarian, Grade AG 11, reallocated to Grade LS 8
said amendment to become effective April 1, 1959.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Supervisor of Motor Equipment Repairs, from Grade MC 7 to Grade MC 8; said amendment to be effective April 1, 1959; appropriate the sum of \$165.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Building Maintenance Foreman, from Grade MC 7 to Grade MC 8; said amendment to be effective April 1, 1959; appropriate the sum of \$165.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 11. To see if the Town will vote to amend the Classification Plan known as Schedule A, of Article 7C, of the By-Laws, by reallocating General Public Works Foreman, from Grade MC 8 to Grade AG 8; said amendment to be effective April 1, 1959; appropriate the sum of \$456.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 12. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Assistant Town Clerk, from Grade AG 3 to Grade AG 5; said amendment to be effective April 1, 1959; appropriate the sum of \$186.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 13. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C of the By-Laws, by adding the classification of Motor Equipment Operator, Grade 1 (School Department), Grade MC 3; said amendment to be effective April 1, 1959; appropriate the sum of \$157.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 14. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by adding the classification of Assistant Collector, Grade AG 4; said amendment to be effective April 1, 1959; appropriate the sum of

\$152.00 to be expended by the department affected; and determine how the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 15. To see if the Town will vote to amend Section B of Section 14, of Article 7C, of the By-Laws, by striking out said Section B and inserting in place thereof the following:
Section B.

Earned sick leave with pay will be limited to one and one-quarter days per month not to exceed fifteen days per year and will be credited on the first day of each month. Sick leave credit will begin on the first day of the month following employment except as otherwise provided in Section A. Employees having an aggregate of more than two days of authorized leave without pay in any calendar month shall not receive sick leave credit for that month. Employees having unauthorized absence without pay in any calendar month shall not receive sick leave credit for that month.

(Inserted at the request of the Personnel Board)

Article 16. To see if the Town will vote to amend Section H of Section 14, of Article 7C, of the By-Laws, by striking out said Section H and inserting in place thereof the following:
Section H.

Every department of the Town shall keep a uniform attendance record on such form as approved and audited by the Town Accountant for each employee showing sick leave both accrued and granted. The information on such record shall be transmitted by the head of the department to the Personnel Board upon request.

(Inserted at the request of the Personnel Board)

Article 17. To see if the Town will vote to amend Section L of Section 14, of Article 7C, of the By-Laws, by striking out said Section L and inserting in place thereof the following:
Section L.

Discretionary sick leave not exceeding fifteen days may be granted by the appointing authority provided all accumulated sick leave and vacation leave have been exhausted and shall be charged against future sick leave credit, provided further that in connection with employees with at least twenty years of service with the Town and in the event of extenuating circumstances as determined by the appointing authority, additional sick leave not to exceed 150 days may be granted which shall be similarly charged to future sick leave credit.

(Inserted at the request of the Personnel Board)

Article 18. To see if the Town will vote to amend Section E of Section 15, of Article 7C of the By-Laws, by striking out said Section E and inserting in place thereof the following:
Section E.

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates to state or national conventions of the following veterans' organizations: American Legion, AMVETS of World War II, Disabled American Veterans, Legion of Valor, Marine Corps League, Military Order of the Purple Heart and Veterans of Foreign Wars.

(Inserted at the request of the Personnel Board)

Article 19. To see if the Town will vote to amend Section 15, of Article 7C, of the By-Laws, by adding the following section:
Section H.

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates of recognized employee organizations for the purpose of attending annual state conventions of their parent CIO-AFL or independent organizations. However, if the said employee's regular compensation is paid by the employee organization, then such leave of absence as may be granted by the appointing authority shall be without pay.

(Inserted at the request of the Personnel Board)

Article 20. To see if the Town will vote to amend Section 15, of Article 7C, of the By-Laws, by adding the following section:
Section I.

Maternity leave of absence without pay shall be required before the sixth month of pregnancy. A certificate from the attending physician shall be presented to the department head and the leave shall be for a period which must be of sufficient duration to allow for pre-natal and post-natal care. A physician's certificate shall be required before the employee returns to work.

(Inserted at the request of the Personnel Board)

Article 21. To see if the Town will vote to amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by striking out the words and figures "Minimum-\$4200.00", "Step 1-\$4500.00", and "Maximum-\$4800.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum-\$4700.00," "Step 1-\$5000.00" and "Maximum-\$5300.00", and by striking out the words and figures "Maximum-\$5300.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum-\$5800.00", and by striking out the words and figures "Maximum-\$5800.00", where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum-\$6300.00", and by striking out the words and figures "Maximum-\$6300.00", where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum-\$6800.00"; and by striking out the words and figures "Maximum-\$7700.00", where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum-\$8200.00"; said amendment to become effective April 1, 1959; appropriate the sum of \$67,125.00 to be expended by the various

departments affected; determine how the money shall be raised; or take any action relative thereto.

(Inserted at the request of ten (10) registered voters)

Article 22. To see if the Town will vote to amend Section 13 of Article 7C of the Town By-Laws entitled "Vacation Leave", by deleting sub-section 3 of said Section 13 and inserting the following new section therefor:

3. Department heads shall allow vacations with pay to employees who have met the requirements set forth above, as follows:

- a. Two calendar weeks vacation for employees, except professional librarians and library assistants, who have less than five years of service with the Town.
- b. Three calendar weeks vacation for employees, except professional librarians and library assistants who have served not less than five years of continuous full-time service with the Town, said five years service to be completed prior to June 1 of the year preceding that for which the third week's vacation shall be granted.
- c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than ten years of continuous full-time service with the Town, said ten years service to be completed prior to June 1 of the year preceding that for which such fourth week's vacation shall be granted.
- d. Four calendar weeks vacation for professional librarians.
- e. Three calendar weeks vacation for library assistants. Provided, however, that any library assistant who has served not less than ten years of continuous full-time service with the Town shall be entitled to a vacation of four calendar weeks, said ten years service to be completed prior to June 1 of the year preceding that for which such fourth week's vacation shall be granted.

(Inserted at the request of ten (10) registered voters)

Article 23. To see if the Town will vote to amend Schedule A of the Classification Plan and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by increasing all money figures contained therein by \$104.00, in the annual salary schedule and \$2.00 in the weekly salary schedule, and by increasing the compensation of part-time employees, whose hours of work follow a regular schedule, proportionally as their actual part-time service bears to full-time service; said amendment to become effective April 1, 1959; appropriate a sum or sums of money therefor to be expended by the various departments affected; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of the Finance Committee)

Article 24. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Mystic Street, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 25. To see if the Town will vote to remove the brick building at 627-631 Massachusetts Avenue, formerly used as a Town Hall and known as Menotomy Hall; make an appropriation for such removal and the grading of the area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 26. To see if the Town will authorize the Board of Selectmen to enter into an agreement with the Boston & Maine Railroad relative to the creation of a railroad crossing at grade by reason of the relocation of Mystic Street, between Massachusetts Avenue and Chestnut Street, in accordance with the provisions of Section 80 of Chapter 159 of the General Laws; or take any action relating thereto.

Article 27. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business A District the parcel of land owned by the Town of Arlington on Mystic Street and Chestnut Street, commonly known as the Russell Common, bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southeasterly side line of Mystic Street, and the southwesterly side line of Chestnut Street, thence southeasterly on said southwesterly side line of Chestnut Street, a distance of 245.76 ft. to a point at land of the Roman Catholic Archbishop of Boston, thence southwesterly by land of the Roman Catholic Archbishop of Boston a distance of 370 ft. more or less to land now or formerly of Goode, thence northwesterly by said land now or formerly of Goode, known as Park Terrace, a distance of 193.76 ft. to a point on the southeasterly side line of Mystic Street, thence northeasterly on said southeasterly side line of Mystic Street, a distance of 285.35 ft. to the point of beginning and containing approximately 67,075 sq. ft.

(Inserted at the request of the Planning Board)

Article 28. To see if the Town will make an appropriation to excavate, grade, pave, paint stalls, provide lighting and parking meters, and do any and all other acts necessary on land owned by the Town of Arlington, commonly known as the Russell Common, for the purpose of providing a public off-street parking area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 29. To see if the Town will acquire by purchase, eminent domain, or otherwise, for municipal purposes, the parcel of land with buildings thereon hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised and expended; or take any action relating to any or all of the foregoing:

Beginning at a point on the northwesterly side line of Railroad Avenue, 124.21 feet northeasterly of the northeasterly side line of Massachusetts Avenue, and being at the present end of the accepted portion of Railroad Avenue, thence northeasterly by Lot 1 a distance of 7.34 feet to an angle point, thence northwesterly by Lot 1 a distance of 74.31 feet to an angle point, thence northeasterly by said Lot 1 a distance of 44.47 feet to an angle point, thence northwesterly by said Lot 1 a distance of 133.65 feet to an angle point, thence northeasterly by the premises numbered 13-15 Water Street, a distance of 20 feet more or less to an angle point, thence northwesterly on the northeasterly boundary line of the premises numbered 13-15 Water Street, a distance of 120.04 feet to a point on the southeasterly side line of Water Street, thence northeasterly on said southeasterly side line of Water Street, a distance of 83.67 feet to a point, thence southeasterly on a curved line a distance of 145 feet more or less to a point 10 feet southwesterly of the center line of the existing tracks, thence southeasterly a distance of 395 feet more or less to a point on the northeasterly boundary line of land of the Town of Arlington said point being approximately 18 feet southwesterly of the existing tracks, thence northwesterly by said land of the Town of Arlington a distance of 155.50 feet to the point of beginning and containing approximately 20,000 square feet as shown on block plan #50 on file in the office of the Town Engineer, Arlington, Mass.

Article 30. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned and to provide for the disposal of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Chil-

dren; Old Age Assistance; Disability Assistance; District or Other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (Non-Contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Menotomy Hall and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense.

Article 31. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 32. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will make an appropriation for Improvement of Volume and Pressure-Water System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 35. To see if the Town will make an appropriation for the construction and installation of sidewalks and edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 36. To see if the Town will make an appropriation for the reconstruction and maintenance of permanent sidewalks and resetting of edgestones upon the public ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 37. To see if the Town will accept the laying out of a Town way from Browning Road to Appleton Street, substantially in the location of the private way known as Homer Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Appleton Street and the southeasterly side line of Homer Road, thence northwesterly, westerly and southwesterly on said southeast-

erly side line of Homer Road on a curve to the left with a radius of 27 feet a distance of 38.78 feet to a point of tangency, thence S 10° 40' 30" W a distance of 144.75 feet to a point of curve, thence southerly, southeasterly and easterly on said southeasterly side line of Homer Road on a curve to the left with a radius of 30 feet a distance of 51.48 feet to the point of intersection of said southeasterly side line of Homer Road and the northerly side line of Browning Road, thence westerly on said northerly side line of Browning Road a distance of 34.70 feet to an angle point, thence southerly across said Browning Road a distance of 40.17 feet to a point on the southerly side line of Browning Road Extended, thence westerly on said southerly side line of Browning Road Extended a distance of 40.06 feet to an angle point, thence N 8° 0' 51" E on the westerly side line of Homer Road a distance of 40.20 feet to an angle point, thence N 10° 40' 30" E on the northwesterly side line of Homer Road a distance of 179.95 feet to the point of curve, thence northerly and northwesterly on said northwesterly side line of Homer Road on a curve to the left with a radius of 20 feet a distance of 34.07 feet to the point of intersection of said northwesterly side line of Homer Road and the southerly side line of Appleton Street, thence easterly on said southerly side line of Appleton Street distances of 73.85 feet and 12.49 feet respectively to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Homer Road, Keats Road, Arlington, Mass. Scales, Hor. 1 In. = 40 ft. Vert. 1 In. = 4 Ft., May 9, 1947, Everett M. Brooks Co. Civil Engineers, Newtonville, Mass. As Petitioned For By: Sarkis Kayikjian. Serovp P. Basmajian, Stephen Aghazarian, Garabed Azarian."

Article 33. To see if the Town will accept the laying out of a Town way from Wadsworth Road to Homer Road, substantially in the location of the private way known as Browning Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Wadsworth Road and the northwesterly side line of Browning Road, thence southeasterly, easterly and northeasterly on said northwesterly side line of Browning Road on a curve to the left with a radius of 37.35 feet a distance of 47.20 feet to a point of tangency, thence N 37° 37' 10" E a distance of 362.36 feet to a point of curve, thence northeasterly on said northwesterly side line of Browning Road on a curve to the left with a radius of 722.98 feet a distance of 195.80 feet to a point of tangency thence N 22° 6' 10" E a distance of 140.50 feet to a point of curve, thence northeasterly and easterly on said northwesterly side line of Browning Road on a curve to the right with a radius of 140 feet a distance of 171.67 feet to a point of tangency, thence S 87° 38' 23" E a distance of 72.20 feet to a point of curve, thence easterly and northeasterly on said northwesterly side line of Browning Road on a curve to the left with a radius of 40.14 feet a distance of 57.23 feet to the point of intersection of said northwesterly side line of Browning Road and the

westerly side line of Homer Road, thence southwesterly on said westerly side line of Homer Road distances of 34.70 feet and 72.04 feet respectively to the point of intersection of said westerly side line of Homer Road and the southeasterly side line of Browning Road, thence northwesterly and westerly on said southeasterly side line of Browning Road on a curve to the left with a radius of 30 feet a distance of 48.90 feet to a point of tangency, thence N 87° 38' 23" W a distance of 71.10 feet to a point of curve, thence westerly and southwesterly on said southeasterly side line of Browning Road on a curve to the left with a radius of 100 feet a distance of 122.62 feet to a point of tangency, thence S 22° 06' 10" W a distance of 140.50 feet to a point of curve, thence southwesterly on said southeasterly side line of Browning Road on a curve to the right with a radius of 762.98 feet a distance of 206.63 feet to a point of tangency, thence S 37° 37' 10" W a distance of 349.69 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Browning Rd. on a curve to the left with a radius of 20 feet a distance of 37.55 feet to the point of intersection of said southeasterly side line of Browning Rd. and the northeasterly side line of Wadsworth Rd., thence northwesterly on said northeasterly side line of Wadsworth Road a distance of 96.64 feet to the point of beginning, as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Browning Road, Arlington, Mass. Scales Hor. 1 In. = 40 Ft. Vert. 1 In. = 4 Ft., May 9, 1947, Everett M. Brooks Co., Civil Engineers, Newtonville, Mass., As Petitioned For By: Sarkis Kayikjian, Serovp P. Basmajian, Stephan Aghazarian, Garabed Azarian".

Article 39. To see if the Town will accept the laying out of a Town way from Overlook Road to Gay Street, substantially in the location of the private way known as Washington Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the northwesterly side line of Overlook Road and the westerly side line of Washington Street, thence northeasterly and northerly on said westerly side line of Washington Street on a curve to the left with a radius of 75 feet a distance of 67.52 feet to a point of tangency, thence northerly on said westerly side line of Washington Street a distance of 799.96 feet to a point on said westerly side line of Washington Street, thence northeasterly across said Washington Street a distance of 48.12 feet to a point on the easterly side line of Washington Street, thence southerly on said easterly side line of Washington Street a distance of 801.14 feet to a point of curve, thence southeasterly, easterly and northeasterly on said easterly side line of Washington Street on a curve to the left with a radius of 15 feet a distance of 33.62 feet to the point of intersection of said easterly side line of Washington Street and the northwesterly side line of Overlook Road, thence southwesterly on said northwesterly side line of Overlook Road a distance of 118.33 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. en-

titled, "Plan and Profile of Washington Street, Arlington, Mass. Scales Horizontal - 40 ft. = 1 inch, Vertical - 6 ft. = 1 inch, February 24, 1922, Ernest W. Branch, Civil Engineer, 21 Adams Building, Quincy".

Article 40. To see if the Town will accept the laying out of a Town way from Washington Street to Carl Road, substantially in the location of the private way known as Aerial Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Washington Street and the southeasterly side line of Aerial Street, thence northwesterly, westerly and southwesterly on said southeasterly side line of Aerial Street on a curve to the left with a radius of 25 feet a distance of 54.86 feet to a point of curve, thence southwesterly on said southeasterly side line of Aerial Street a distance of 319.23 feet to the point of intersection of the southeasterly side line of Aerial Street and the southwesterly side line of Carl Road Extended, thence northwesterly on said southwesterly side line of Carl Road Extended a distance of 48.51 feet to a point, thence northeasterly across said Carl Road a distance of 44.49 feet to a point of curve at the point of intersection of the northeasterly side line of Carl Road and the northwesterly side line of Aerial Street, thence southeasterly, easterly and northeasterly on said northwesterly side line of Aerial Street on a curve to the left with a radius of 23.26 feet a distance of 38.21 feet to a point of tangency, thence northeasterly on said northwesterly side line of Aerial Street a distance of 302.85 feet to a point of curve, thence northeasterly and northerly on said northwesterly side line of Aerial Street on a curve to the left with a radius of 48.79 feet a distance of 46.20 feet to the point of intersection of said northwesterly side line of Aerial Street and the westerly side line of Washington Street, thence southerly on said westerly side line of Washington Street a distance of 122.10 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile of Aerial Street, Arlington, Mass. Scales, Horizontal - 40 ft = 1 inch, Vertical - 6 ft. = 1 inch, February 24, 1922, Ernest W. Branch, Civil Engineer, 21 Adams Building, Quincy."

Article 41. To see if the Town will accept the laying out of a Town way from Edmund Road to Aerial Street, substantially in the location of the private way known as Carl Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Edmund Road and the southwesterly side line of Carl Road,

thence northeasterly, northerly and northwesterly on said southwesterly side line of Carl Road on a curve to the left with a radius of 21.95 feet a distance of 32.44 feet to a point of tangency, thence northwesterly on said southwesterly side line of Carl Road a distance of 271.64 feet to the point of intersection of said southwesterly side line of Carl Road and the southeasterly side line of Aerial Street Extended, thence northeasterly across said Carl Road and on said southeasterly side line of Aerial Street Extended a distance of 60.10 feet to the point of intersection of the southeasterly side line of Aerial Street and the northeasterly side line of Carl Rd., thence southwesterly, southerly and southeasterly on said northeasterly side line of Carl Rd. on a curve to the left with a radius of 21.49 feet a distance of 32.21 feet to a point of tangency, thence southeasterly on said northeasterly side line of Carl Rd. a distance of 240.79 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Carl Rd. on a curve to the left with a radius of 27.33 feet a distance of 45.47 feet to the point of intersection of said northeasterly side line of Carl Road and the northwesterly side line of Edmund Road, thence southwesterly on said northwesterly side line of Edmund Road a distance of 90.17 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile of Carl Road, Arlington, Mass. Scales, Horizontal - 40 ft. = 1 inch, Vertical - 6 ft. = 1 inch, February 24, 1922, Ernest W. Branch, Civil Engineer, 21 Adams Building, Quincy".

Article 42. To see if the Town will accept the laying out of a Town way from Richfield Road to Oak Hill Drive, substantially in the location of the private way known as Saratoga Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Oak Hill Drive and the northeasterly side line of Saratoga Road, thence southwesterly, southerly and southeasterly on said northeasterly side line of Saratoga Road on a curve to the left with a radius of 15 feet a distance of 32.20 feet to a point of tangency, thence southeasterly on said northeasterly side line of Saratoga Road a distance of 224.66 feet to a point of curve, thence southeasterly and easterly on said northeasterly side line of Saratoga Road on a curve to the left with a radius of 20 feet a distance of 24.94 feet to the point of intersection of said northeasterly side line of Saratoga Road and the northwesterly side line of Richfield Road, thence southwesterly on said northwesterly side line of Richfield Road on a curve to the left with a radius of 230 feet a distance of 47.0 feet to a point of tangency, thence southwesterly on said northwesterly side line of Richfield Road a distance of 30.47 feet to the point of intersection of said northwesterly side line of Richfield Road and the southwesterly side line of Saratoga Road, thence northeasterly, northerly and northwesterly on said southwesterly side line of Saratoga Road on a curve to the left with a radius of 20 feet a distance of 33.80 feet to a point of tangency, thence northwesterly

on said southwesterly side line of Saratoga Road a distance of 261.91 feet to a point of curve, thence northwesterly and westerly on said southwesterly side line of Saratoga Road on a curve to the left with a radius of 40 feet a distance of 29.23 feet to the point of intersection of said southwesterly side line of Saratoga Road and the southerly side line of Oak Hill Drive, thence northeasterly on said southerly side line of Oak Hill Drive, a distance of 13.22 feet to a point of curve, thence northeasterly on said southerly side line of Oak Hill Drive on a curve to the left with a radius of 350 feet a distance of 86.15 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Plan and Profile of Saratoga Rd. and Woodside Lane, Arlington, Mass. Scales Hor. 1" = 40', Ver. 1" = 6' Nov. 9, 1945, Fred A. Joyce Surveyor" and the other entitled, "Plan and Profile of Rockmont Road and Saratoga Road, Arlington, Mass. Hor. Scale 1 in. = 40 Ft. Ver. Scale 1 in. = 6 Ft. Feb. 12, 1930, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 43. To see if the Town will accept the laying out of a Town way from Chatham Street to its end, substantially in the location of the private way known as Epping Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Chatham Street and the northeasterly side line of Epping Street, thence southwesterly, southerly and southeasterly on said northeasterly side line of Epping Street on a curve to the left with a radius of 15.88 feet a distance of 24.65 feet to a point of tangency, thence southeasterly on said northeasterly side line of Epping Street a distance of 233.38 feet to a point of curve, thence southeasterly on said northeasterly side line of Epping Street on a curve to the left with a radius of 332.50 feet a distance of 153.40 feet to a point of tangency, thence southeasterly on said northeasterly side line of Epping Street a distance of 176.38 feet to a point, thence southwesterly across said Epping Street a distance of 41.82 feet to a point on the southwesterly side line of Epping Street, thence northwesterly on said southwesterly side line of Epping Street a distance of 164.15 feet to a point of curve, thence northwesterly on said southwesterly side line of Epping Street on a curve to the right with a radius of 372.50 feet a distance of 171.84 feet to a point of tangency, thence northwesterly on said southwesterly side line of Epping Street, a distance of 238.05 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Epping Street on a curve to the left with a radius of 14.46 feet a distance of 21.14 feet to the point of intersection of said southwesterly side line of Epping Street and the southeasterly side line of Chatham Street, thence northeasterly on said southeasterly side line of Chatham Street on a curve to the left with a radius of 539.89 feet a distance of 68.60 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Epping Street, Brattle Heights, Arlington, Horizontal Scale

40 feet to an inch, Vertical Scale 6 feet to an inch, May, 1917, Ernest W. Branch, Civil Engineer, Boston, Quincy".

Article 44. To see if the Town will accept the laying out of a Town way from Florence Avenue northerly, substantially in the location of the private way known as George Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a stone bound at the point of intersection of the northerly side line of Florence Avenue and the westerly side line of George Street, thence northwesterly on said westerly side line of George Street a distance of 202.57 feet to a point of curve, thence northwesterly on said westerly side line of George Street on a curve to the left with a radius of 35 feet a distance of 26.03 feet to a point on said westerly side line of George Street, thence northerly through said George Street a distance of 37 feet more or less to a point on the westerly side line of George St. Extended, thence northeasterly across said George St. a distance of 40.0 feet to a point of curve in the easterly side line of George St., thence southeasterly on said easterly side line of George St. a distance of 264.89 feet to a stone bound at the point of intersection of said easterly side line of George St. and the northerly side line of Florence Avenue, thence southwesterly on said northerly side line of Florence Avenue a distance of 40.07 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Board of Survey Plan and Profile of George St., Arlington, Mass. Scales Hor. 1" = 40', Vert. 1" = 6', Jan. 4, 1932, James M. Keane, Town Engineer."

Article 45. To see if the Town will accept the laying out of a Town way from Washington Street to Martin Street, substantially in the location of the private way known as Crawford Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Washington Street and the northeasterly side line of Crawford Street, thence southeasterly on said northeasterly side line of Crawford Street on a curve to the left with a radius of 31.44 feet a distance of 35.61 feet to a point of tangency, thence southeasterly on said northeasterly side line of Crawford Street a distance of 264.75 feet to an angle point, thence southeasterly on said northeasterly side line of Crawford Street a distance of 125.0 feet to a point, thence southwesterly across said Crawford Street a distance of 40.0 feet to a point on the southwesterly side line of Crawford Street, thence northwesterly on said southwesterly side line of Crawford Street a distance of 123.76 feet to an angle point, thence northwest-

erly on said southwesterly side line of Crawford Street a distance of 254.33 feet to a point of curve, thence westerly, southwesterly and southerly on said southwesterly side line of Crawford Street on a curve to the left with a radius of 9.85 feet a distance of 18.76 feet to the point of intersection of said southwesterly side line of Crawford Street and the easterly side line of Washington Street, thence northerly on said easterly side line of Washington Street a distance of 76.49 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Plan and Profile of Crawford Street, Brattle Heights, Arlington, Horizontal Scale 40 feet to an inch, Vertical Scale 6 feet to an inch, May, 1917, Ernest W. Branch, Civil Engineer, Boston, Quincy" and the second entitled, "Plan and Profile of Crawford Street Ext. Arlington, Mass. as petitioned for by Mrs. F. Binnig, Scales Hor. 1" = 40', Ver. 1" = 6', April, 1929, H. Bruno, Surveyor".

Article 46. To see if the Town will accept the laying out of a Town way from Littlejohn Street to the present accepted portion of Dorothy Road, substantially in the location of the private way known as Dorothy Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Littlejohn Street and the northerly side line of Dorothy Road, thence northeasterly on said northerly side line of Dorothy Road and by the end of the present accepted portion of Littlejohn Street a distance of 40.15 feet to the point of intersection of the easterly side line of Littlejohn Street Extended and the northerly side line of Dorothy Road Extended, thence northeasterly on said northerly side line of Dorothy Road a distance of 600.91 feet to a point on said northerly side line of Dorothy Road at the end of the present accepted portion of Dorothy Road, thence southerly across said Dorothy Rd. and by the end of the present accepted portion of Dorothy Rd. a distance of 44 feet more or less to a point on the southerly side line of Dorothy Rd., thence southwesterly on said southerly side line of Dorothy Rd. a distance of 617.21 feet to the point of intersection of said southerly side line of Dorothy Rd. and the westerly side line of Littlejohn St., thence northwesterly on said westerly side line of Littlejohn St. a distance of 40.50 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Dorothy Rd. as Petitioned For By Franklin & Daniel Wyman, Scales: Hor. 1" = 40', Vert. 1" = 6', April 1927, Bremer W. Pond, Landscape Architect".

Article 47. To see if the Town will accept the laying out of a Town way from Silk Street to Sunnyside Avenue, substantially in the location of the private way known as Marrigan Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out

and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Silk St. and the northeasterly side line of Marrigan St., thence southeasterly on said northeasterly side line of Marrigan St. on a curve to the left with a radius of 25 feet a distance of 26.60 feet to a point of tangency, thence southeasterly on said northeasterly side line of Marrigan St. a distance of 302.60 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Marrigan St. on a curve to the left with a radius of 25 feet a distance of 51.94 feet to the point of intersection of said northeasterly side line of Marrigan St. and the northwesterly side line of Sunnyside Ave., thence southwesterly on said northwesterly side line of Sunnyside Ave. a distance of 103.61 feet to the point of intersection of said northwesterly side line of Sunnyside Ave. and the southwesterly side line of Marrigan Street, thence northerly and northwesterly on said southwesterly side line of Marrigan Street on a curve to the left with a radius of 26.15 feet a distance of 27.82 feet to a point of tangency, thence northwesterly on said southwesterly side line of Marrigan Street a distance of 299.76 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Marrigan St., on a curve to the left with a radius of 25 feet a distance of 51.94 feet to the point of intersection of said southwesterly side line of Marrigan St. and the southeasterly side line of Silk St., thence northeasterly on said southeasterly side line of Silk St. a distance of 102.93 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass., entitled, "Plan and Profile of Marrigan St., Arlington, Mass. A. C. Peters, Civil Engineer, 46 Cornhill, Boston, Date, March 1928, Scales, Hor. 1" = 40', Ver. 1" = 6'."

Article 48. To see if the Town will accept the laying out of a Town way from River Street to Everett Street, substantially in the location of the private way known as University Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of River Street and the northeasterly side line of University Rd., thence southwesterly, southerly and southeasterly on said northeasterly side line of University Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence southeasterly on said northeasterly side line of University Rd. a distance of 424.41 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of University Rd. on a curve to the left with a radius of 20 feet a distance of 31.76 feet to the point of intersection of said northeasterly side line of University Rd. and the northwesterly side line of Everett Street, thence southwesterly on said northwesterly side line of Everett St. a distance of 80.01 feet to the point of intersection of said north-

westerly side line of Everett St. and the southwesterly side line of University Rd., thence northeasterly, northerly and northwesterly on said southwesterly side line of University Rd. on a curve to the left with a radius of 20.0 feet a distance of 31.07 feet to a point of tangency, thence northwesterly on said southwesterly side line of University Rd. a distance of 425.81 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of University Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said southwesterly side line of University Rd. and the southeasterly side line of River St., thence northeasterly on said southeasterly side line of River St. a distance of 80.0 feet to the point of beginning, as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of University Rd., Arlington, Mass. Hor. Scale 1 In. = 40 Ft. Ver. Scale 1 In. = 4 Ft. April 11, 1952, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 49. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 50. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 51. To see if the Town will accept the laying out of a Town way from Crosby Street to Ridge Street, substantially in the location of the private way known as College Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Crosby St. and the southerly side line of College Ave., thence northwesterly and westerly on said southerly side line of College Ave. on a curve to the left with a radius of 26.30 feet a distance of 40.02 feet to a point of tangency, thence S 81° 32' 56" W a distance of 192.35 feet to a point of curve, thence southwesterly on said southerly side line of College Ave. on a curve to the left with a radius of 460.27 feet a distance of 80.30 feet to a point of tangency, thence S 71° 33' 12" W a distance of 135.99 feet to a point of curve, thence southwesterly on said southerly side line of College Ave. on a curve to the right with a radius of 1019.66 feet a distance of 112.09 feet to

a point of tangency, thence S 77° 51' 06" W a distance of 83.34 feet to a point of curve, thence southwesterly, westerly and southeasterly on said southerly side line of College Ave. on a curve to the left with a radius of 25 feet a distance of 42.91 feet to the point of intersection of said southerly side line of College Ave. and the easterly side line of Ridge St., thence N 20° 30' 02" W a distance of 90.96 feet to the point of intersection of said easterly side line of Ridge St. and the northerly side line of College Ave., thence southeasterly, easterly and northeasterly on said northerly side line of College Ave. on a curve to the left with a radius of 25 feet a distance of 35.62 feet to a point of tangency, thence N 77° 51' 06" E a distance of 96.55 feet to a point of curve, thence northeasterly on said northerly side line of College Ave. on a curve to the left with a radius of 979.66 feet a distance of 107.69 feet to a point of tangency, thence N 71° 33' 12" E a distance of 135.99 feet to a point of curve, thence northeasterly on said northerly side line of College Ave. on a curve to the right with a radius of 500.27 feet a distance of 87.27 feet to a point of tangency, thence N 81° 32' 56" E a distance of 190.41 feet to a point of curve, thence easterly and northeasterly on said northerly side line of College Ave. on a curve to the left with a radius of 29.68 feet a distance of 44.29 feet to the point of intersection of said northerly side line of College Ave. and the westerly side line of Crosby St., thence southerly on said westerly side line of Crosby Street on a curve to the left with a radius of 725.17 feet a distance of 94.68 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile of Part of College Ave., Arlington, Mass., Hor. Scale 1 in. = 40 Ft., Ver. Scale 1 in. = 6 Ft., Nov. 1, 1955, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 52. To see if the Town will accept the laying out of a Town way from Heath Road to existing accepted portion, substantially in the location of the private way known as Hilton Street, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southwesterly side line of Hilton St. at the end of the accepted portion thereof, thence northwesterly on said southwesterly side line of Hilton St. on a curve to the left with a radius of 720.64 feet a distance of 43.29 feet to a point of tangency, thence northwesterly on said southwesterly side line of Hilton St. a distance of 80.0 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Hilton St. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said southwesterly side line of Hilton St. and the southeasterly side line of Heath Rd., thence northeasterly on said southeasterly side line of Heath Rd., a distance of 80.0 feet to the point of intersection of said southeasterly side line of Heath Rd., and the northeasterly side line of Hilton St., thence southwesterly, southerly and southeasterly on said northeasterly side line of Hilton St. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence southeasterly on said northeasterly side line of Hilton St., a distance of 80.0 feet

to a point of curve, thence southeasterly on said northeasterly side line of Hilton St. on a curve to the right with a radius of 760.64 feet a distance of 42.40 feet to the end of the present accepted portion of Hilton St., thence southwesterly across said Hilton St. and by the end of the present accepted portion of Hilton St. a distance of 40.15 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Hilton St. in Arlington Through Property of Daniel E. Robbins & John Silk, Jan. 1, 1909, Horizontal Scale 40 ft. to an inch, Vertical Scale 6 ft. to an inch, Charles H. Gannett, C. E., 53 State St., Boston 16, City Square."

Article 53. To see if the Town will accept the laying out of a Town way from Broadway northeasterly, substantially in the location of the private way known as Heath Road, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Broadway and the northwesterly side line of Heath Rd., thence southeasterly, easterly and northeasterly on said northwesterly side line of Heath Rd. on a curve to the left with a radius of 20 feet a distance of 33.28 feet to a point of tangency, thence northeasterly on said northwesterly side line of Heath Rd. a distance of 353.14 feet to a point, thence southeasterly across said Heath Rd. a distance of 40.0 feet to a point on the southeasterly side line of Heath Rd., thence southwesterly on said southeasterly side line of Heath Rd. a distance of 360.69 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Heath Rd. on a curve to the left with a radius of 20 feet a distance of 29.55 feet to the point of intersection of said southeasterly side line of Heath Rd. and the northeasterly side line of Broadway, thence northwesterly on said northeasterly side line of Broadway a distance of 80.35 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Heath Rd., Scales Hor. 1" = 40', Ver. 1" = 6', Aug. 20, 1945, J. M. Keane, Town Engineer."

Article 54. To see if the Town will accept the laying out of a Town way from end of acceptance to north of Sorensen Court, substantially in the location of the private way known as Stowecroft Road, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the northwesterly side line of Stowecroft Rd. at the end of the present accepted portion of Stowecroft Rd., thence northeasterly on said northwesterly side line of Stowecroft Rd. a distance of 263.01 feet to a point of curve, thence northeasterly on said northwesterly side line of Stowecroft Rd. on a curve to the

left with a radius of 824.81 feet a distance of 401.42 feet to a point, thence southeasterly across said Stowecroft Rd. a distance of 41.87 feet to a point on the southeasterly side line of Stowecroft Rd., thence southwesterly on said southeasterly side line of Stowecroft Rd. on a curve to the right with a radius of 864.81 feet a distance of 405.29 feet to a point of tangency, thence southwesterly on said southeasterly side line of Stowecroft Rd. a distance of 258.11 feet to the end of the present accepted portion of Stowecroft Rd., thence northwesterly across said Stowecroft Rd. and by the end of the present accepted portion of Stowecroft Rd. a distance of 40.30 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Street Plan and Profile Stowecroft Rd., Arlington, Mass. Hor. Scale: 1 In. = 40 Ft., Ver. Scale: 1 In. = 4 Ft., Nov. 20, 1956, Fred A. Joyce, Surveyor, Belmont, Mass. and the other entitled, "Street Plan and Profile, Part of Stowecroft Rd., Sorensen Court and 20 Ft. Way, Arlington, Mass. Hor. Scale 1 In. = 40 Ft. Ver. Scale 1 In. = 6 Ft., April 6, 1956, Fred A. Joyce, Surveyor, Belmont, Mass.

Article 55. To see if the Town will accept the laying out of a Town way from Stowecroft Road to its end, substantially in the location of the private way known as Sorensen Court, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Stowecroft Rd. and the southwesterly side line of Sorensen Court, thence northeasterly, northerly and northwesterly on said southwesterly side line of Sorensen Court on a curve to the left with a radius of 20 feet a distance of 24.72 feet to a point of tangency, thence northwesterly on said southwesterly side line of Sorensen Court a distance of 141.75 feet to a point of curve, thence northerly, easterly and southerly on a curve to the right with a radius of 40 feet connecting said southwesterly side line of Sorensen Court with the northeasterly side line of Sorensen Court a distance of 167.55 feet to a point of reverse curve, thence southerly and southeasterly on said northeasterly side line of Sorensen Court on a curve to the left with a radius of 40 feet a distance of 41.89 feet to a point of tangency, thence southeasterly on said northeasterly side line of Sorensen Court a distance of 39.75 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Sorensen Court on a curve to the left with a radius of 20 feet a distance of 40.26 feet to the point of intersection of said northeasterly side line of Sorensen Court and the northwesterly side line of Stowecroft Rd., thence southwesterly on said northwesterly side line of Stowecroft Rd. on a curve to the right with a radius of 824.81 feet a distance of 88.62 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile, Part of Stowecroft Rd., Sorensen Court and 20 Ft. Way, Arlington, Mass. Hor. Scale 1 In. = 40 Ft., Ver. Scale 1 In. = 6 Ft., April 6, 1956, Fred A. Joyce, Surveyor, Belmont, Mass.

Article 56. To see if the Town will accept the laying out of a Town way from North Union Street to Everett Street, substantially in the location of the private way known as Wheaton Road, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of North Union St. and the southwesterly side line of Wheaton Rd., thence northeasterly, northerly and northwesterly on said southwesterly side line of Wheaton Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence northwesterly on said southwesterly side line of Wheaton Rd. a distance of 361.02 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Wheaton Rd. on a curve to the left with a radius of 20 feet a distance of 31.36 feet to the point of intersection of said southwesterly side line of Wheaton Rd. and the southeasterly side line of Everett St., thence northeasterly on said southeasterly side line of Everett St. a distance of 80.0 feet to the point of intersection of said southeasterly side line of Everett St. and the northeasterly side line of Wheaton Rd., thence southwesterly, southerly and southeasterly on said northeasterly side line of Wheaton Rd. on a curve to the left with a radius of 20 feet a distance of 31.47 feet to a point of tangency, thence southeasterly on said northeasterly side line of Wheaton Rd. a distance of 360.78 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Wheaton Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said northeasterly side line of Wheaton Road and the northwesterly side line of North Union Street, thence southwesterly on said northwesterly side line of North Union Street a distance of 80.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile, Wheaton Rd., Arlington, Mass. Hor. Scale: 1 In. = 40 Ft., Ver. Scale: 1 In. = 6 Ft., April 4, 1955, Fred A. Joyce, Surveyor, Belmont, Mass.

Article 57. To see if the Town will accept the laying out of a Town way from Everett Street to River Street, substantially in the location of the private way known as Wellesley Road, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of River St. and the northeasterly side line of Wellesley Rd., thence southwesterly, southerly and southeasterly on said northeasterly side line of Wellesley Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence southeasterly on said northeasterly side line of Wellesley Rd. a distance of 416.73 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Wellesley Rd. on a curve to the left with a radius of 20 feet a distance of

31.76 feet to the point of intersection of said northeasterly side line of Wellesley Rd. and the northwesterly side line of Everett St., thence southwesterly on said northwesterly side line of Everett St. a distance of 80.0 feet to the point of intersection of said northwesterly side line of Everett Street and the southwesterly side line of Wellesley Rd., thence northeasterly, northerly and northwesterly on said southwesterly side line of Wellesley Rd. on a curve to the left with a radius of 20 feet a distance of 31.07 feet to a point of tangency, thence northwesterly on said southwesterly side line of Wellesley Rd. a distance of 418.13 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Wellesley Rd. on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said southwesterly side line of Wellesley Rd. and the southeasterly side line of River St., thence northeasterly on said southeasterly line of River St. a distance of 80.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile, Wellesley Rd., Arlington, Mass. Hor. Scale 1 in. = 40 ft. Ver. Scale: 1 in = 6 ft., April 4, 1955, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 58. To see if the Town will accept the laying out of a Town way from Piedmont Street to northeast of Nicod Street, substantially in the location of the private way known as Wollaston Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the northwesterly side line of Wollaston Avenue at the end of the present accepted portion of Wollaston Ave., thence northeasterly on said northwesterly side line of Wollaston Ave. a distance of 560.28 feet to a point, thence southwesterly across said Wollaston Ave. a distance of 68 feet more or less to a point on the southeasterly side line of Wollaston Ave., thence southwesterly on said southeasterly side line of Wollaston Avenue on a curve to the left with a radius of 600.0 feet a distance of 93.81 feet to a point of tangency, thence southwesterly on said southeasterly side line of Wollaston Ave. a distance of 466.93 feet to a point at the end of the present accepted portion of Wollaston Ave., thence northwesterly across said Wollaston Ave. and by the end of the present accepted portion of Wollaston Ave. a distance of 60.42 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Board of Survey Plan and Profile of Wollaston Ave., Arlington, Mass., Scales, Hor. 1" = 40', Vert. 1" = 6', Dec. 28, 1931, James M. Keane, Town Engineer," and other entitled, "Plan and Profile of Wollaston Ave., Appleton Terrace, Arlington, Mass. Scales Horizontal-40 feet to an inch Vertical 6 feet to an inch, Ernest W. Branch, Civil Engineer, 73 Tremont St., Boston".

Article 59. To see if the Town will accept the laying out of a Town way from Gardner Street to Sunnyside Avenue, substantially in the location of the private way known as Memorial Way, as made

and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Sunnyside Ave. and the southwesterly side line of Memorial Way, thence northwesterly on said southwesterly side line of Memorial Way on a curve to the left with a radius of 15 feet a distance of 9.05 feet to a point of tangency, thence northwesterly on said southwesterly side line of Memorial Way, a distance of 383.47 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Memorial Way on a curve to the left with a radius of 15 feet a distance of 27.75 feet to the point of intersection of said southwesterly side line of Memorial Way and the southeasterly side line of Gardner St., thence northeasterly on said southeasterly side line of Gardner Street a distance of 73.49 feet to the point of intersection of said southeasterly side line of Gardner Street and the northeasterly side line of Memorial Way, thence southerly and southeasterly on said northeasterly side line of Memorial Way on a curve to the left with a radius of 15 feet a distance of 19.37 feet to a point of tangency, thence southeasterly on said northeasterly side line of Memorial Way a distance of 314.98 feet to a point of curve, thence easterly, northeasterly and northerly on said northeasterly side line of Memorial Way on a curve to the left with a radius of 13.61 feet a distance of 33.47 feet to the point of intersection of said northeasterly side line of Memorial Way and the Westerly side line of Sunnyside Avenue, thence southeasterly on said westerly side line of Sunnyside Avenue on a curve to the left with a radius of 1407.89 feet a distance of 111.44 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Memorial Way as Petitioned For By Arlington Housing Authority, Edouard N. Dube, Consulting Engineer, 120 Tremont St., Boston 8, Mass.

Article 60. To see if the Town will accept the laying out of a Town way from Massachusetts Avenue to its end, substantially in the location of the private way known as Gilboa Road, as made and filed in the office of the Town Clerk by the Board of Selectmen; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the northeasterly side line of Massachusetts Ave. 36.98 feet northwesterly of a stone bound at a point of curve in said northeasterly side line of Massachusetts Ave., thence northwesterly on said northeasterly side line of Massachusetts Ave. on a curve to the left with a radius of 494.46 feet a distance of 50.15 feet to the point of intersection of said northeasterly side line of Massachusetts Ave. and the northwesterly side line of Gilboa Rd., thence northeasterly on said northwesterly side line of Gilboa Rd. a distance of 27.41 feet to a point on the southwesterly side line of the Boston & Maine R. R., thence northwesterly by said southwesterly

side line of the Boston & Maine R.R. and on said northwesterly side line of Gilboa Rd. a distance of 25.0 feet to an angle point, thence northeasterly across said Boston & Maine R.R. and on said northwesterly side line of Gilboa Rd. a distance of 82.5 feet to a point on the northeasterly side line of the Boston & Maine R.R., thence southeasterly on said northeasterly side line of the Boston & Maine R.R. and by land of the Town of Arlington a distance of 95.0 feet to an angle point, thence southwesterly across said Boston & Maine R.R. and on the southeasterly side line of Gilboa Rd. a distance of 82.5 feet to a point on the southwesterly side line of the Boston & Maine R.R., thence northwesterly on said southwesterly side line of the Boston & Maine R.R. and on said southeasterly side line of Gilboa Rd. a distance of 20.0 feet to an angle point, thence southwesterly on said southeasterly side line of Gilboa Rd. a distance of 30.93 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan & Profile of Gilboa Rd., Scales Hor. 1" = 20', Ver. 1" = 3', Jan. 1959, W. H. Roby, Town Engineer."

Article 61. To see if the Town will make an appropriation for the reconstruction of any or all parts of certain public ways in the Town, the laying out of which is accepted at this meeting including costs of acceptance, land damages and the cost of paving of any or all sidewalks to be laid out at the time of said reconstruction; determine how the money shall be raised and expended; or take any action relating thereto.

Article 62. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum or sums of money for the reconstruction of any or all parts of Jason Street; or take any action relating thereto.

Article 63. To see if the Town will make an appropriation to determine fully the Town's right, title and interest in Town-owned land known as the Great Meadows located in Lexington, and to provide for a land survey and the installation of suitable markers to define the boundaries of said land; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Great Meadows Committee)

Article 64. To see if the Town will make an appropriation to erect a fence and install out-door lighting at the Town Yard, 1083 Mass. Avenue; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of Committee on Garaging of
Town-Owned Vehicles)

Article 65. To see if the Town will acquire by purchase, eminent domain, or otherwise, for municipal purposes, the parcel of land with buildings thereon hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with

reservation of any rights or easements therein; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised and expended; or take any action to any or all of the foregoing.

Beginning at a point on the northerly side line of Lake St., at the easterly boundary line of the property numbered 75-77 Lake St., thence northwesterly by Lot B a distance of 62.0 feet to an angle point, thence northwesterly by Lot B and Lot 2 a distance of 68.35 feet to an angle point, thence northwesterly by Lot 3 and part of Lot 4 a distance of 60.0 feet to an angle point, thence northeasterly by part of Lot 4, Lot 5 and part of Lot 6 a distance of 114.75 feet to an angle point, thence northeasterly by part of Lot 6 and through part of the Boston & Maine right-of-way a distance of 39 feet more or less to an angle point, thence southeasterly on a line 18 feet easterly of and parallel to the westerly side line of the Boston & Maine right-of-way a distance of 313 feet more or less to a point on the northerly side line of Lake St., thence westerly on said northerly side line of Lake St., a distance of 44 feet more or less to the point of beginning and containing 16,000 square feet as shown on block plan #7 on file in the office of the Town Engineer, Arlington, Mass.

Article 66. To see if the Town will authorize the Board of Selectmen to acquire by purchase, eminent domain, or otherwise, a portion of Mill Brook, from Park Avenue to the Arlington Reservoir for flood control purposes and any land adjoining said brook which may be necessary for the aforesaid purpose as hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; make an appropriation of money for the purpose aforesaid; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

Beginning at the rear of the building numbered 47-53 Park Avenue, the center line of the taking coincides with the center line of Mill Brook and is 15 feet in width, thence the center line of the taking is produced northwesterly at right angles to Park Ave., a distance of 18.0 feet to a point of curve, thence northwesterly and westerly on said center line on a curve to the left with a radius of 58.0 feet a distance of 38.52 feet to a point of tangency, thence westerly on said center line a distance of 69 feet, thence westerly on said center line on a curve to the right with a radius of 215 feet a distance of 19.99 feet to a point of tangency (taking width at this point 15.0 feet), thence westerly on said center line a distance of 96.0 feet to a point of curve at the division line between Lot A2 and Lot 1 and 2 (taking width at this point 22 feet), thence westerly and northwesterly on said center line on a curve to the right with a radius of 176 feet a distance of 141.96 feet to a point of tangency, thence northwesterly on said center line a distance of 186 feet to a point of curve (taking width at this point 20 feet), thence northwesterly on said center line on a curve to the left with a radius of 113 feet a distance of 58.65 feet to a point of tangency, thence northwesterly on said center line a distance of 271 feet to point at the end of the proposed taking with a width of 20 feet said point being 30.0

feet southwesterly of the point of intersection of the center line of the Boston & Maine R.R. location and the southeasterly side of the Mill Brook culvert as shown on a plan on file in the office of the Town Engineer entitled, "Taking Plan of Mill Brook, Arlington, Mass. Scale 1" = 40'; Feb. 1959, W. H. Roby, Town Engineer".

Article 67. To see if the Town will transfer the sum of Five Thousand Dollars (\$5,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 68. To see if the Town will transfer the sum of One Thousand Dollars (\$1,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the purchase of burial rights.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 69. To see if the Town will make an appropriation to convert the existing manual interior fire alarm systems to an automatic call system in all schools not presently connected with the Fire Department in order to provide immediate contact with the Fire Department when an inside fire alarm station is activated; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Town Manager and the School Committee)

Article 70. To see if the Town will vote to accept the gift set forth under Clause Fourth of the Will of Henry E. Dodge, to be expended under the direction of the Trustees of Robbins Library; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 71. To see if the Town will make an appropriation to furnish and install an elevator in the Robbins Library including any reconstruction work which may be necessary to house such an installation; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 72. To see if the Town will vote to appoint a committee of five comprised of the Chief of Police, the Chief of the Fire Department, the Director of Civil Defense and two Registered Voters of the Town experienced in radio communications to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting and receiving system in accordance with the directives contained in Docket 12295 of the Federal Communications Commission said committee to report not later than the 1960 Annual Town Meeting; appropriate a sum of money for use of said commit-

tee; determine in what manner the money shall be raised; or take any action relating thereto.

Article 73. To see if the Town will make an appropriation for the use of the Arlington Brotherhood Committee in its promotion of understanding and amicable relations between persons and groups, juvenile and adult, in the Town, and the assistance to other agencies, public and private, concerned with such matters; determine in what manner such sum shall be raised and expended; or take any action in any way relating to all or any part of the foregoing.

(Inserted at the request of the Arlington Brotherhood Committee)

Article 74. To see if the Town will vote to make an appropriation of a sum of money to be expended under the direction of the Committee on Swimming Conditions at Arlington Heights Reservoir Beach and the Town Manager, for cleaning, leveling and graveling of a beach and possible aeration of water; determine in what manner the money shall be raised; or take any action thereto.

(Inserted at the request of the Reservoir Beach and
Flood Control Committee)

Article 75. To see if the Town will make an appropriation for the installation of a sanitary sewer to service the lower end of Churchill Avenue, adjacent to Menotomy Rocks Park, including an outlet sewer through Menotomy Rocks Park to Jason Street; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 76. To see if the Town will vote to adopt General Laws Chapter 180, Section 17-B, or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 77. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the residence C District the area now included partly in the Residence B District and partly in the Residence A District, bounded and described as follows:

1. Southwesterly of Massachusetts Avenue, from Boulevard Road to Whittemore Street, the area between the present Business A and B Districts, and a line 300 ft. southwesterly of, parallel to and concentric with, the southwesterly side line of Mass. Avenue.

2. Northeasterly of Massachusetts Avenue, from the northwesterly side of the Industrial District at Sunapee Road to Broadway near Franklin Street, the area between the present Business A and Residence C Districts and a line 300 ft. northeasterly of, parallel to and concentric with, the northeasterly side line of Mass. Avenue.

3. Southwesterly of Massachusetts Avenue, from Academy Street to Davis Road, the area between the present Business A and Resi-

dence C Districts and a line 300 ft. southwesterly of, parallel to and concentric with, the southwesterly side line of Mass. Avenue and to include the present Residence A District east and west of Appleton Street and excluding the School property known as the Cutter School, between Robbins Road and School Street.

4. Northeasterly of Massachusetts Avenue, from Clark Street to the easterly side of the Industrial District east of Mill Lane, the area between the present Business A District and the center line of Pierce Street and the northwesterly extension thereof.

(Inserted at the request of the Planning Board)

Article 78. To see if the Town will amend its Zoning By-Law as proposed by the Planning Board of the Town. (The proposed amendment and notification of the time and place of public hearing will be published in the Arlington Advocate and Arlington News. Copies of the proposed amendments will be mailed to each Town Meeting Member prior to March 16, 1959.)

(Inserted at the request of the Planning Board)

Article 79. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Industrial District the area now included in the Residence B District and bounded and described as follows:

SOUTHWESTERLY by Garden Street, one hundred forty-five and 5/10 (145.5) feet, more or less;

NORTHWESTERLY by Lot 19, as shown on a plan entitled "Arlington Gardens, Plan of Lots, Arlington, Mass.", dated Dec. 20, 1918, C. H. Gannett, C. E., recorded with Middlesex South District Deeds, Book 5425, Page 57, one hundred nine and 6/10 (109.6) feet more or less; and

SOUTHEASTERLY by land of the Town of Arlington, one hundred seventy-eight and 4/10 (178.4) feet, more or less.

(Inserted at the request of ten (10) registered voters)

Article 80. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Industrial District the area now included in the Residence B District and bounded and described as follows:

NORTHEASTERLY by Garden Street, one hundred seventy-three (173) feet;

NORTHWESTERLY by Lot 35 as shown on a plan entitled "Arlington Gardens, Plan of Lots, Arlington, Mass." dated Dec. 20, 1918, C. H. Gannett, C.E., recorded with Middlesex South District Deeds, Book 5425, Page 57, ninety-nine and 4/10 (99.4) feet more or less;

SOUTHWESTERLY by land of Charles McConnell and Claire McConnell, one hundred ninety-three (193) feet; and

SOUTHEASTERLY by Lot 25, as shown on said plan, ninety-eight and 8/10 (98.8) feet.

(Inserted at the request of ten (10) registered voters)

Article 81. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Residence D District the area now included in the Residence A District, bounded and described as follows:

NORTHWESTERLY by Pleasant Street, 91.0 feet;

NORTHEASTERLY by land now or formerly of Arthur T. Trowbridge and Helen H. Trowbridge in three courses measuring 110.68 feet, 33.62 feet more or less, and 22.0 feet, more or less respectively;

SOUTHEASTERLY by land now or formerly of Arthur T. Trowbridge and Helen H. Trowbridge and by land now or formerly of Raymond L. Carey and May Carey, 71.0 feet; and

SOUTHWESTERLY by land now or formerly of Harry Jeghelian and Mary Jeghelian, 145.87 feet.

Said parcel being shown as a lot containing 13,855 square feet. on a plan entitled "Plan Showing Proposed Change in Zoning, Arlington, Mass., Dec. 10, 1958, Fred A. Joyce, Surveyor".

(Inserted at the request of ten (10) registered voters)

Article 82. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Business A District the area now included in the Residence B District and being bounded and described as follows:

Beginning at a point on the southerly side line of Elmhurst Road, said point being one hundred eleven (111') feet from the curve formed by the junction of the westerly side line of Massachusetts Avenue and the southerly side line of Elmhurst Road;

Thence running southwesterly along the southerly side line of said Elmhurst Road a distance of forty-five (45') feet to land, now or formerly of Mary J. Sullivan and Alice F. Callahan;

Thence turning and running in a southeasterly direction along land now or formerly of Mary J. Sullivan and Alice F. Callahan a distance of one-hundred forty-three and eighty-five one-hundredths (143.85') feet to a point;

Thence turning and running in a northeasterly direction along land, now or formerly of Pasquale and Frances Correggia a distance of forty-five (45') feet to a point;

Thence turning and running in a northerly direction along other land of The Texas Company a distance of one-hundred forty-two and fifty one-hundredths (142.50') feet, more or less, to a point on the southerly side line of Elmhurst Road and the point of beginning.

Lot contains approximately 6,435 square feet.

(Inserted at the request of ten (10) registered voters)

Article 83. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business B District the area now included in the Residence B District, and bounded and described as follows:

SOUTHEASTERLY by Magnolia Street, ninety feet;

SOUTHWESTERLY by land now or formerly of Lewis J. Jacobson, one hundred feet;

NORTHWESTERLY by land now or formerly of Abbot Allen et al, ninety feet; and

NORTHEASTERLY by land now or formerly of John Forward, one hundred feet.

Said parcel is shown as Lots 41, 42 and 43 on plan hereinafter mentioned. All of said boundaries are determined by the Court to be located as shown on a plan, as approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 34, Page 149, with Certificate 5095, and shown on a plan filed in the Land Registration Office, March 26, 1912, by one C. B. Humphrey, Surveyor for Court.

(Inserted at the request of ten (10) registered voters)

Article 84. To see if the Town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business B District the area now included in the Residence B District, and bounded and described as follows:

NORTHWESTERLY by Magnolia Street, one hundred twenty-one and 94/100 feet;

NORTHEASTERLY by Lot 49 as shown on plan hereinafter mentioned, one hundred and 06/100 feet;

SOUTHEASTERLY by lands now or formerly of B. Almede and of Rosario Larivee, one hundred and eight feet; and

SOUTHWESTERLY by land now or formerly of the Boston and Maine Railroad, one hundred one and 02/100 feet.

Said parcel is shown as Lots 45, 46, 47 and 48, Sheet 2, on said plan. All of said boundaries are determined by the Court to be located as shown on a plan, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 34, Page 149, with certificate 5095, and shown on a Plan filed in the Land Registration Office March 26, 1912, by one C. B. Humphrey, Surveyor for Court.

(Inserted at the request of ten (10) registered voters)

Article 85. To see if the Town will rescind the vote taken under Article 83 of the Warrant for the 1955 Annual Town Meeting, wherein the School Committee was authorized and empowered to

purchase or take in fee by eminent domain or otherwise acquire for school purposes certain land within the Town, situated on Tufts Street and an appropriation was made for such purpose; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 86. To see if the Town will make an appropriation, to be expended under the direction of the High School Additions and Reconstruction Committee, for the installation of roadways and sidewalks in the area at the front of the Arlington High School; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the High School Additions and Reconstruction Committee)

Article 87. To see if the Town will make an appropriation, to be expended under the direction of the High School Additions and Reconstruction Committee, for the purpose of completing the Maintenance Department quarters in the new addition to the Arlington High School; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the High School Additions and Reconstruction Committee)

Article 88. To see if the Town will appoint a committee of seven, composed of the Town Manager, two members of the School Committee, two members of the School Survey Committee, and two registered voters of the Town, to procure complete working plans and specifications and to obtain bids for the construction of an elementary school building on land owned by the Town, located on Pheasant Avenue; said plans and specifications to be completed and bids to be obtained prior to the Annual Town Meeting of 1960; appropriate the sum of \$25,000.00 for the use of said committee; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of the School Committee and the School Survey Committee)

Article 89. To see if the Town will acquire by purchase, eminent domain, or otherwise for school purposes, all or any portion of the land within the Town (with or without the buildings thereon) hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights, or easements therein; determine in what manner the money shall be raised and expended; or take any action relating to all or any of the foregoing.

Said land is bounded and described as follows:

Beginning at a point on the northeasterly side line of Pheasant Avenue, at the division line between land of the Town of Arlington and Lot 16, thence N 53° 33' 23" E a distance of 130.61 feet to an angle point, thence S 36° 50' 03" E a distance of 252.39 feet to an angle point, thence S 38° 05' 53" W a distance of 124.81 feet

to a point on the northeasterly side line of Pheasant Avenue, at the division line between Lots 12 and 13, thence northwesterly on said northeasterly side line of Pheasant Avenue, a distance of 283.65 feet to the point of beginning and containing approximately 34,715 square feet and being Lots 13, 14, 15 and 16 shown on a plan on file in the Middlesex Registry of Deeds, Cambridge, Massachusetts, being Plan #1709 of 1955 and recorded at the end of Book 8561.

(Inserted at the request of the School Committee and the)
School Survey Committee)

Article 90. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 91. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 92. To see if the Town will make an appropriation to be added to the Stabilization Fund created under Article 73 of the Warrant for the 1958 Annual Town Meeting in accordance with the provisions of Massachusetts General Laws (Ter. Ed.), Chapter 40, Section 5B, as amended; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Finance Committee)

Article 93. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 94. To see if the Town will authorize taking a sum of money voted for the appropriation heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding \$400,000.00, in the determination of the 1959 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington this twenty-sixth day of January, in the year of our Lord one thousand nine hundred and fifty-nine.

Constable, Town of Arlington

**CONSTABLE'S RETURN
COMMONWEALTH OF MASSACHUSETTS**

Middlesex, ss.

Arlington, February 27, 1959

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, previous to the day of the meeting for the election of officers and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

(Signed) Frank K. Nicksay
Constable of the Town of Arlington,
Massachusetts

ANNUAL TOWN ELECTION, MARCH 2, 1959

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Monday, March 2, 1959, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by Miss Ann Mahon, Assistant Town Clerk and Temporary Registrar of Voters, Messrs. Arthur P. Wyman and Joseph H. Cormier, Registrars of Voters, and Mr. Daniel A. Purcell, Temporary Registrar of Voters, assisted by Miss Mary A. Farrington and Miss Elizabeth M. Holt, Assistant Registrars of Voters, and the results were announced at 12:30 P.M. on Tuesday, March 3, 1959, as follows:

All ballots, used and unused, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Assistant Town Clerk to be preserved during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record.

ATTEST:

ANN MAHON

Town Clerk

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in the Town at the close of registration on February 10, 1959, was forwarded to the Secretary of the Commonwealth.

The results of the count of votes cast at the Town Election were forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

ANNUAL TOWN MEETING — MARCH 16, 1959

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers, as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 16, 1959, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail by the Town Clerk.

*Elected

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-three (243) elected town meeting members and seven (7) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred twenty-three (223) elected town meeting members and seven (7) town meeting members at large (92% of total — 250) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:07 o'clock P.M.

The meeting was opened with the the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Augustus Mazzocca, trumpeter, and Mr. Walter E. Russell, pianist, both of the School Department, and invocation by Rev. John Heidt, Pastor of the Pleasant Street Congregational Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

Mr. Arthur D. Saul, Jr., Chairman of the Board of Selectmen, presented the following resolution with respect to the passing of former Selectman George A. Harris, which was adopted by unanimous vote:

RESOLUTION

WHEREAS, the untimely passing of George A. Harris from this earth has brought deep sorrow and regret to his family and to all who knew him, and

WHEREAS, his contributions to the Town's welfare and progress for three decades as Town Meeting Member, as a member of numerous committees and as Selectman will be difficult to equal, and

WHEREAS, his varied interests in fraternal organizations, youth programs and all phases of municipal activities, all tended to increase his efforts to improve the stature of the Town he loved so well, that they earned him the respect and admiration of his fellow townsmen

NOW, THEREFORE, BE IT RESOLVED, that the Board of Selectmen in regular meeting assembled, do hereby record our appreciation of the high qualities of citizenship possessed by George A. Harris and do publicly record our sorrow at his demise and do further extend our sincere sympathy to his family, and

BE IT FURTHER RESOLVED, that this meeting extend its sincere sympathy to the family of Mr. Harris in their bereavement and that the Town Clerk be and hereby is instructed to prepare and forward a copy of this Resolution to his widow and that a copy be spread upon the records of this meeting.

ARTHUR D. SAUL, JR.	}	Selectmen of the Town of Arlington
THOMAS R. RAWSON		
JOSEPH P. GREELEY		
DANIEL J. BUCKLEY, JR.		
JOHN O. PARKER		

Mr. Arthur D. Saul, Jr., Chairman of the Board of Selectmen, presented the following resolution with respect to the passing of former Town Clerk James J. Golden, which was adopted by unanimous vote:

RESOLUTION

WHEREAS, the last long sleep has deprived us of one of our most honored and valued public officials, whose unpretentious virtues, kindness, sincerity, honesty and unparalleled character endeared him to all, and

WHEREAS, through his exemplary life, devotion to church, family and duty, his individual independence and rugged individuality has left an inspiring example and a deep influence for others to follow,

NOW, THEREFORE, BE IT RESOLVED that the Board of Selectmen in regular session assembled this 12th day of January, 1959, do herewith record their profound sorrow at the untimely passing of James J. Golden, Town Clerk of the Town of Arlington, Massachusetts, and express their deep appreciation for the many years of valued service rendered to the Town in his ever genial manner and for his readiness to assist all those who sought his aid, and

BE IT FURTHER RESOLVED, that a copy of this resolution be forever inscribed upon the Town Records, and a copy thereof, properly inscribed, be given to the immediate family of James J. Golden, and that a copy be permanently displayed in the Town Clerk's Office, which he administered so ably and finally that a copy be presented to the next Town Meeting for adoption as a token of the high esteem with which our former Town Clerk was regarded.

JOSEPH P. GREELEY	}	Selectmen of the Town of Arlington
THOMAS R. RAWSON		
FRANKLIN W. HURD		
ARTHUR D. SAUL, JR.		
DANIEL J. BUCKLEY, JR.		

There being no objection to the request of Selectman Saul, permission was granted by general consent for Messrs. Rawson, Greeley, Buckley and Parker of the Board of Selectmen; Mr. Nick-

say, Executive Secretary of the Board of Selectmen; Messrs. Coolidge and Hauser of the Board of Assessors; Mr. Wells, Executive Secretary of the Board of Assessors; Mr. Waterman, Head Clerk of the Board of Assessors; Messrs. Kelliher and Fallon of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Dunn, Hooley, Holway, Ahern, Keefe, Guinan, Murphy, Sisson and Johnston of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Messrs. Fox, Mirak, O'Hearn, Weiss and Igo of the Arlington Development Commission and Mr. Purcell, Town Counsel, be permitted to sit within the town meeting enclosure.

The Town Clerk read the Call of the meeting and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On Motion of Selectman Saul, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 18, 1959, at eight o'clock.

On motion of Selectman Saul, duly seconded, it was

VOTED: That Article 2 be taken up. (Choice of other Town Officers.)

On motion of Selectman Saul, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

Thomas J. Toye, 195 Forest Street
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectman Saul, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Town Boards, Officers, Finance and other Committees.)

On motion of Selectman Saul, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town Officers and the committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be received.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the Committee appointed under vote of the Town passed March 24, 1944, on Advanced Programming and Budgeting be discharged.

Mr. Joseph P. Greeley reported orally for the committee to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. Donald O. Johnston presented the report of the committee to investigate and study the adequacy of the present school buildings within the Town and the future locations of new school buildings and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. Horace H. Homer presented the report of the committee to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. John N. Loud reported for the committee to investigate, study and consider various entrances at the Arlington Heights Reservoir Beach and Playground and on his motion, duly seconded, it was

VOTED: That the committee be discharged.

Mr. Percival E. Richardson presented the report of the committee to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. Joseph S. Vahey presented the report of the committee on quarters for organizations now occupying the Old Town Hall and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. Donald O. Johnston presented the report of the High School Additions and Reconstruction Committee and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mr. William A. McMahon presented the report of the Arlington Development Commission and, on motion duly made and seconded, it was

VOTED: That the report of the Arlington Development Commission, which is in printed form and has been distributed to the Town Meeting Members, be received.

Mr. Percival E. Richardson presented the report of the committee to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows and, on motion duly made and seconded, it was

VOTED: That the report be received.

Mrs. Leona R. Wilkins reported orally for the committee to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant, unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Assessment for County Hospital.)

VOTED: That payment to the County of Middlesex of amounts assessed upon or otherwise payable by the Town under Warrant issued by the County Commissioners in accordance with Chapter 500, Section 1, of the Acts of 1943 for: (A) the Town's share of the maintenance, operation and repair of Middlesex County Tuberculosis Hospital during the last preceding calendar year, including interest on temporary notes issued therefor, in accordance with sections of Chapter 111 of the General Laws applicable thereto; (B) the Town's share of any and all other expenses in connection with said hospital, including expenses under section 25G (6) (a) of Chapter 32 of the General Laws inserted by Chapter 400 of the Acts of 1936; be and hereby is authorized ratified and confirmed.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Treasurer; Power to Borrow.)

VOTED: That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1960, in anticipation of the revenue of the financial year beginning January 1, 1960 and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1960.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Claims or Charges of Symmes Hospital.)

VOTED: That the sum of twenty three thousand eight hundred eighty nine and 10/100 (23,889.10) dollars be and hereby is appropriated to pay claims and charges of Symmes Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1959 to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws — Classification and pay Plan.)

VOTED: That no action be taken under Article 7 of the Warrant.

There being no further business under Article 7, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 23 be now taken up.

Article 23. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan — Schedule A and the Pay Plan — Schedule B as established by Article 7C of the By-Laws be and hereby are amended by increasing all money figures contained therein by \$104.00 in the annual salary schedule and by \$2.00 in the weekly salary schedule, and by increasing the compensation of part-time employees, whose hours of work follow a regular schedule, proportionally as their actual part-time service bears to full-time service; said amendment to become effective April 1, 1959; and for this purpose the sum of forty four thousand five hundred (44,500) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 23, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan — Schedule A and Pay Plan — Schedule B as established by Article 7C of the By-Laws be and hereby are amended by adding a new salary schedule for Library personnel as follows:

LS — ANNUAL (LIBRARY SERVICE)

Grade	Minimum	Step 1	Step 2	Step 3	Maximum
LS 1	2790.00	2878.00	2978.00	3066.00	3168.00
LS 2	3008.00	3110.00	3244.00	3326.00	3442.00
LS 3	3154.00	3268.00	3384.00	3500.00	3646.00
LS 4	3456.00	3586.00	3716.00	3846.00	3978.00
LS 5	3948.00	4092.00	4252.00	4396.00	4556.00
LS 6	4324.00	4498.00	4680.00	4868.00	5054.00
LS 7	4422.00	4598.00	4800.00	4988.00	5248.00
LS 8	5698.00	5948.00	6200.00	6450.00	6714.00

and by reallocating the following classifications:

Assistant, Junior Grade, Grade CG 1, reallocated to Grade LS 1
 Assistant, Senior Grade, Grade CG 2, reallocated to Grade LS 2
 Professional Librarian, Junior Grade, Grade CG 3, reallocated to Grade LS 3

said amendment to become effective April 1, 1959.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating Supervisor of Motor Equipment Repairs, from Grade MC 7 to Grade MC 8, said amendment to become effective April 1, 1959; and that for this purpose the sum of one hundred sixty five (165) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Building Maintenance Foreman, from Grade MC 7 to Grade MC 8, said amendment to become effective April 1, 1959; and that for this purpose the sum of one hundred sixty five (165) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A, of Article 7C of the By-Laws be and hereby is amended by reallocating General Public Works Foreman, from Grade MC 8 to Grade AG 8, said amendment to become effective April 1, 1959; and that for this purpose the sum of four hundred fifty six (456) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by reallocating Assistant Town Clerk, from Grade AG 3 to Grade AG 5, said amendment to become effective April 1, 1959; and that for this purpose the sum of one hundred eighty six (186) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by adding the Classification of Motor Equipment Operator, Grade 1 (School Department) Grade MC 3, said amendment to become effective April 1, 1959; and that for this purpose the sum of one hundred fifty seven (157) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws be and hereby is amended by adding the classification of Assistant Collector, Grade AG 4, said amendment to become effective April 1, 1959; and that for this purpose the sum of one hundred fifty two (152) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Amendment of Town By-Laws -- Classification and Pay Plan.)

VOTED: That Section B of Section 14 of Article 7C of the By-Laws be and hereby is amended by striking out said Section B and inserting in place thereof the following:
Section B

Earned sick leave with pay will be limited to one and one-quarter days per month not to exceed fifteen days per year and will be credited on the first day of each month. Sick leave credit will begin on the first day of the month following employment except as otherwise provided in Section A. Employees having an aggregate of more than two days of authorized leave without pay in any calendar month shall not receive sick leave credit for that month. Employees having unauthorized absence without pay in any calendar month shall not receive sick leave credit for that month.

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws -- Classification and Pay Plan.)

VOTED: That Section H of Section 14 of Article 7C of the By-Laws be and hereby is amended by striking out said Section H and inserting in place thereof the following:
Section H

Every department of the Town shall keep a uniform attendance record on such form as approved and audited by the Town Accountant for each employee showing sick leave both accrued and granted. The information on such record shall be transmitted by the head of the department to the Personnel Board upon request.

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Amendment of Town By-Laws -- Classification and Pay Plan.)

VOTED: That Section L of Section 14 of Article 7C of the By-Laws be and hereby is amended by striking out said Section L and inserting in place thereof the following:
Section L

Discretionary sick leave not exceeding fifteen days may be granted by the appointing authority provided all accumulated sick leave and vacation leave have been exhausted and shall be charged

against future sick leave credit, provided further that in connection with employees with at least twenty years of service with the Town and in the event of extenuating circumstances as determined by the appointing authority, additional sick leave not to exceed 150 days may be granted which shall be similarly charged to future sick leave credit.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Roll Call Vote, 120 in the affirmative and 98 in the negative) That Section E of Section 15 of Article 7C of the By-Laws be and hereby is amended by striking out said Section E and inserting in place thereof the following:

Section E

Leave of absence with pay may be granted by the appointing authority to permanent employees who are authorized delegates to state or national conventions of the following veterans' organizations: American Legion, AMVETS of World War II, Disabled American Veterans, Legion of Valor, Marine Corps League, Military Order of the Purple Heart and Veterans of Foreign Wars.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That no action be taken under Article 19 of the Warrant.

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That Section 15 of Article 7C of the By-Laws be and hereby is amended by adding thereto the following sections to be known as Section I and to read as follows:

Section I

Maternity leave of absence without pay shall be required before the sixth month of pregnancy. A certificate from the attending physician shall be presented to the department head and the leave shall be for a period which must be of sufficient duration to allow for pre-natal and post-natal care. A physician's certificate shall be required before the employee returns to work.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 21. (Amendment of Town By-Laws — Classification and Pay Plan.)

Following considerable discussion, during which a five minute recess was taken, it was

VOTED: That no action be taken under Article 21 of the Warrant.

There being no further business under Article 21, the Moderator declared it disposed of.

Article 22. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That no action be taken under Article 22 of the Warrant.

There being no further business under Article 22, the Moderator declared it disposed of.

At this point, the motion of Mrs. Dorothy Kelleher Meehan to adjourn the meeting, which was seconded, was declared lost by the Moderator on a voice vote.

Article 24. (Relocation and Construction of Mystic Street.)

Considerable discussion ensued and, on the motion of Edward W. Murphy, Jr. of Precinct 7, duly seconded, it was

VOTED: (Standing Vote, 112 in the affirmative and 91 in the negative) That the meeting adjourn.

The meeting adjourned at 11:30 P.M., Monday, March 16, 1959, to Wednesday evening, March 18, 1959, at 8:00 o'clock.

A true record.

ATTEST:

ANN MAHON
Town Clerk

ADJOURNED ANNUAL TOWN MEETING — MARCH 18, 1959

Pursuant to the vote of adjournment of March 16, 1959, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 18, 1959, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-three (243) elected town meeting members and seven (7) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred ten (210) elected town meeting members and seven (7) town meeting members at large (86.8% of total — 250) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca, trumpeter, and Mr. Walter E. Russell, pianist, both of the School Department, and invocation by Rev. Philip G. McGinty, Curate of St. Agnes' Church.

On motion of Selectman Saul, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday, March 23, 1959, at 8 o'clock.

The Moderator declared that Article 24, which was being discussed when the meeting adjourned Monday evening, was now before the meeting.

Article 24. (Relocation and Construction of Mystic Street.)

VOTED: (Standing Vote 167 in the affirmative and 16 in the negative) That the sum of fifty five thousand and seventy (55,070) dollars be and hereby is appropriated for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Mystic Street, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said sum to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Removal of the Old Town Hall.)

VOTED: That the sum of seven thousand five hundred (7,500) dollars be and hereby is appropriated to remove the brick building located at 627-631 Massachusetts Avenue, formerly used as a Town Hall and known as Menotomy Hall and for the grading of the area; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 25, the Moderator declared it disposed of.

Article 26. (Railroad Crossing at Mystic Street.)

VOTED: That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to enter into an agreement with the Boston and Maine Railroad relative to the creation of a railroad crossing at grade by reason of the relocation of Mystic Street, between Massachusetts Avenue and Chestnut Street, in accordance with the provisions of Section 80 Chapter 159 of the General Laws.

There being no further business under Article 26, the Moderator declared it disposed of.

Article 27. (Proposed Alteration of Zoning Map — Area on Mystic Street and Chestnut Street, commonly known as Russell Common.)

John B. Byrne, Jr., Chairman, reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Business A District the parcel of land owned by the Town of Arlington on Mystic Street and Chestnut Street, commonly known as the Russell Common, bounded and described as follows:

Beginning at a stone bound at the point of intersection of the southeasterly side line of Mystic Street, and the southwesterly side line of Chestnut Street, thence southeasterly on said southwesterly side line of Chestnut Street, a distance of 245.76 ft. to a point at land of the Roman Catholic Archbishop of Boston, thence southwesterly by land of the Roman Catholic Archbishop of Boston a distance of 370 ft. more or less to land now or formerly of Goode, thence northwesterly by said land now or formerly of Goode, known as Park Terrace, a distance of 193.76 ft. to a point on the southeasterly side line of Mystic Street, thence northeasterly on said southeasterly side line of Mystic Street, a distance of 285.35 ft. to the point of beginning and containing approximately 67,075 sq. ft.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 28. (Off-Street Parking Area — Russell Common.)

VOTED: (Unanimously) That the sum of forty three thousand nine hundred (43,900) dollars be and hereby is appropriated to excavate, grade, pave, paint stalls, provide lighting and parking meters, and do any and all other acts necessary on land owned by the Town of Arlington, commonly known as the Russell Common, for the purpose of providing a public off-street parking area; that for this purpose the sum of four hundred eighty two and 43/100 (482.43) dollars be raised by general tax, and the sum of forty three thousand four hundred seventeen and 57/100 (43,417.57) dollars be taken from unexpended balances now in the treasury as follows:

Article #37 — Annual Town Meeting 1951	
Construction of Ways	\$ 2,000.00
Article #32 — Annual Town Meeting 1952	
Construction of Ways	2,000.00
Article #47 — Annual Town Meeting 1953	
Construction of Ways	8,798.10

Article #59 — Annual Town Meeting 1955
Construction of Ways 26,945.49

Article #56 — Annual Town Meeting 1956
Construction of Ways 3,673.98

and further that the said sum of forty three thousand nine hundred (43,900) dollars be expended under the direction of the Town Manager.

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Purchase of Arlington Center Railroad Property.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for municipal purposes, the parcel of land with the buildings thereon hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; and for this purpose the sum of fifteen thousand (15,000) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

Beginning at a point on the northwesterly side line of Railroad Avenue, 124.21 feet northeasterly of the northeasterly side line of Massachusetts Avenue, and being at the present end of the accepted portion of Railroad Avenue, thence northeasterly by Lot 1 a distance of 7.34 feet to an angle point, thence northwesterly by Lot 1 a distance of 74.31 feet to an angle point, thence northeasterly by said Lot 1 a distance of 44.47 feet to an angle point, thence northwesterly by said Lot 1 a distance of 133.65 feet to an angle point, thence northeasterly by the premises numbered 13-15 Water Street, a distance of 20 feet more or less to an angle point, thence northwesterly on the northeasterly boundary line of the premises numbered 13-15 Water Street, a distance of 120.04 feet to a point on the southeasterly side line of Water Street, thence northeasterly on said southeasterly side line of Water Street, a distance of 83.67 feet to a point, thence southeasterly on a curved line a distance of 145 feet more or less to a point 10 feet southwesterly of the center line of the existing tracks, thence southeasterly a distance of 395 feet more or less to a point on the northeasterly boundary line of land of the Town of Arlington said point being approximately 18 feet southwesterly of the existing tracks, thence northwesterly by said land of the Town of Arlington a distance of 155.50 feet to the point of beginning and containing approximately 20,000 square feet as shown on block plan #50 on file in the office of the Town Engineer, Arlington, Mass.

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray departmental obligations, outlays and expenses for the year 1959, to be raised by general tax except as otherwise specifically voted and expended, and that the disposal of motor vehicles and other personal property be authorized, all under the direction of the respective department heads as follows:

On motion of William H. Shirley of Precinct 13, duly seconded it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:00 P.M., Wednesday, March 18, 1959, to Monday, March 23, 1959, at 8:00 o'clock.

A true record.

ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL TOWN MEETING — MARCH 23, 1959

Pursuant to the vote of adjournment of March 18, 1959, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 23, 1959, to act upon the remaining articles set forth in the Warrant for the Annual Town meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty three (243) elected town meeting members and seven (7) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred (200) elected town meeting members and seven (7) town meeting members at large (82.8 % of total — 250) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of the "Star Spangled Banner" by the assembly, accompanied by Mr. Augustus Mazzocca, trumpeter, and Mr. Walter E. Russell, pianist, both of the School Department, and invocation by Rev. Donald D. Menzel, Minister of the First Baptist Church.

A town meeting member who had not previously been sworn was thereupon sworn by the Moderator.

On motion of Mr. Saul, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday, March 25, 1959, at 8:00 o'clock.

Article 31: (Extension of Sewerage System.)

VOTED: That the sum of ten thousand (10,000) dollars be and hereby is appropriated for the extension of the Sewerage System; that for this purpose the sum of five thousand seventy five and 40/100 (5,075.40) dollars be raised by general tax and four thousand nine hundred and twenty four and 60/100 (4,924.60) dollars be taken from an unexpended balance now in the treasury under Article 60 of the 1954 Annual Town Meeting. "Construction of Ways"; said sum of ten thousand (10,000) dollars to be expended under the direction of the Town Manager substantially as follows:

Extension of Sewerage System (including Tools and Equipment).

There being no further business under Article 31, the Moderator declared it disposed of.

Article 32. (Extension of Water Mains.)

VOTED: (Unanimously) That the sum of twenty five thousand (25,000) dollars be and hereby is appropriated for the extension of water mains; that for this purpose the sum of nine thousand one hundred thirty and 45/100 (9,130.45) dollars be raised by general tax, and fifteen thousand eight hundred sixty nine and 55/100 (15,869.55) dollars be taken from unexpended balances in the treasury, as follows:

		\$35,938.00

There being no further business under Article 61, the Moderator declared it disposed of.

Article 62. (Reconstruction of Jason Street.)

VOTED: That the sum of eleven thousand fifteen and 66/100 (11,015.66) dollars be and hereby is appropriated for the reconstruction of any or all parts of Jason Street; and to meet said appropriation the sum of two thousand (2,000) dollars be raised by general tax, and nine thousand fifteen and 66/100 (9,015.66) dollars be transferred from the proceeds received from the Commonwealth of Massachusetts under the provisions of Chapter 718 of the Acts of 1956; and that said sum of eleven thousand fifteen and 66/100 (11,015.66) dollars be expended under the direction of the Town Manager.

There being no further business under Article 62, the Moderator declared it disposed of.

Article 63. (Appropriation to Determine Title to The Great Meadows.)

By consent of the meeting, the motion of the Finance Committee was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, which was seconded, it was

VOTED: That the sum of four thousand dollars \$4000.00 be and hereby is appropriated to determine fully the Town's right, title and interest in Town-owned land located in Lexington, and to provide for a land survey and the installation of suitable markers to define the boundaries of said Land; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 63, the Moderator declared it disposed of.

Article 64. (Fence and Lighting At Town Yard.)

VOTED: (Unanimously) That the sum of nine thousand eight hundred (9,800) dollars be and hereby is appropriated to erect a fence and install out-door lighting at the Town Yard, 1083 Massachusetts Avenue, said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 64, the Moderator declared it disposed of.

Article 65. (Purchase of Railroad Proprety—Lake Street.)

VOTED: (Standing Vote—184 in the affirmative, 8 in the negative) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain or otherwise for municipal purposes, the parcel of land with the buildings thereon hereinafter described, any portion thereof, any interest or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; and for this purpose the sum of four thousand five hundred (4,500) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

Beginning at a point on the northerly side line of Lake Street, at the easterly boundary line of the property numbered 75-77 Lake Street, thence northwesterly by Lot B a distance of 62.0 feet to an angle point, thence northwesterly by Lot B and Lot 2 a distance of 68.35 feet to an angle point, thence northwesterly by Lot 3 and part of Lot 4 a distance of 60.0 feet to an angle point, thence northwesterly by part of Lot 4, Lot 5 and part of Lot 6 a distance of 114.75 feet to an angle point, thence northeasterly by part of Lot 6 and through part of the Boston & Maine right-of-way a distance of 39 feet more or less to an angle point, thence southeasterly on a line 18 feet easterly of and parallel to the westerly side line of the Boston & Maine right-of-way a distance of 313 feet more or less to a point on the northerly side line of Lake Street, thence westerly on said northerly side line of Lake Street, a distance of 44 feet more or less to the point of beginning and containing 16,000 square feet as shown on block plan #7 on file in the office of the Town Engineer, Arlington, Massachusetts.

There being no further business under Article 65, the Moderator declared it disposed of.

Article 66. (Taking of a Portion of Mill Brook.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain, or otherwise, a portion of Mill Brook, from Park Avenue to the Arlington Reservoir for flood control purposes and any land adjoining said brook which may be necessary for the aforesaid purpose as hereinafter described, any portion thereof, any interests or easements therein and any rights or easements of way or otherwise as appurtenant thereto; and subject to or with reservation of any rights or easements therein; and that for this purpose the sum of one hundred (100) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Board of Selectmen.

Said land is bounded and described as follows:

Beginning at the rear of the building numbered 47-53 Park Avenue, the center line of the taking coincides with the center line of Mill Brook and is 15 feet in width, thence the center line of the taking is produced northwesterly at right angles to Park Avenue, a distance of 18.0 feet to a point of curve, thence northwesterly and westerly on said center line on a curve to the left, with a radius of 58.0 feet a distance of 38.52 feet to a point of tangency, thence westerly on said center line a distance of 69 feet, thence westerly on said center line on a curve to the right with a radius of 215 feet a distance of 19.99 feet to a point of tangency (taking width at this point 15.0 feet), thence westerly on said center line a distance of 96.0 feet to a point of curve at the division line between Lot A2 and Lot 1 and 2 (taking width at this point 22 feet), thence westerly and northwesterly on said center line on a curve to the right with a radius of 178 feet a distance of 141.96 feet to a point of tangency, thence northwesterly on said center line a distance of 186 feet to a point of curve (taking width

at this point 20 feet), thence northwesterly on said center line on a curve to the left with a radius of 113 feet a distance of 58.65 feet to a point of tangency, thence northwesterly on said center line a distance of 271 feet to a point at the end of the proposed taking with a width of 20 feet said point being 30.0 feet southwesterly of the point of intersection of the center line of the Boston & Maine R. R. location and the southeasterly side of the Mill Brook culvert as shown on a plan on file in the office of the Town Engineer entitled, "Taking Plan of Mill Brook, Arlington, Mass. Scale 1" = 40', February 1959, W. H. Roby, Town Engineer.

There being no further businesss under Article 66, the Moderator declared it disposed of.

Article 67. (Transfer of Cemetery Funds.)

VOTED: (Unanimously) That the sum of five thousand (5000) dollars be and hereby is transferred from Mount Pleasant Cemetery Sale of Lots and Graves fund to the Cemetery Commissioners for the improvement of the Town Cemetery.

There being no further business under Article 67, the Moderator declared it disposed of.

Article 68. (Transfer of Cemetery Funds.)

VOTED: (Unanimously) That the sum of one thousand (1000) dollars be and hereby is transferred from Mount Pleasant Cemetery Sale of Lots and Graves fund to the Cemetery Commissioners for the purchase of burial rights.

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. (Connection of School Fire Alarms to the Fire Department System.)

VOTED: That the sum of nine thousand eight hundred eighty (9,880) dollars be and hereby is appropriated to convert the existing manual interior fire alarm systems to an automatic call system in all schools not presently connected with the Fire Department in order to provide immediate contact with the Fire Department when an inside fire alarm station is activated; said sum to be raised by general tax, and expended under the direction of the Town Manager.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. (Acceptance of A Gift.)

VOTED: (Unanimously) That the Town of Arlington does accept a gift to the Town of a sum of money as set forth in Clause Fourth of the Will of Henry E. Dodge; said sum of money to be expended under the direction of the Trustees of Robbins Library.

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. (Elevator in Robbins Library.)

By consent of the meeting, the motion of the Finance Com-

mittee was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, which was seconded, it was

VOTED: That the sum of ten thousand (10,000) dollars be and hereby is appropriated to furnish and install an elevator in the Robbins Library, including any reconstruction work which may be necessary to house such installation; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. (Appointment of Committee — Re-Radio Broadcasting System.)

VOTED: (Unanimously) That the Moderator be and hereby is authorized and directed to appoint a committee of five, comprised of the Chief of Police, the Chief of the Fire Department, the Director of Civil Defense and two Registered Voters of the Town experienced in radio communications to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting and receiving system in accordance with the directives contained in Docket 12295 of the Federal Communications Commission, said committee to report not later than the 1960 Annual Town Meeting; and that the sum of one hundred (100) dollars be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

There being no further business under Article 72, the Moderator declared it disposed of.

Article 73. (Appropriation — Arlington Brotherhood Committee.)

VOTED: That the sum of three hundred (300) dollars be and hereby is appropriated for the use of the Arlington Brotherhood Committee; said sum to be raised by general tax and expended under the direction of the Arlington Brotherhood Committee.

There being no further business under Article 73, the Moderator declared it disposed of.

Article 74. (Appropriation — Re-Swimming Conditions At Arlington Heights Reservoir Beach.)

VOTED: That the sum of six thousand (6,000) dollars be and hereby is appropriated for cleaning, leveling, and graveling of a beach, and possible aeration of the water at the Arlington Heights Reservoir Beach; said sum to be raised by general tax and expended under the direction of the Committee on Swimming Conditions at Arlington Heights Reservoir Beach and the Town Manager.

There being no further business under Article 74, the Moderator declared it disposed of.

Article 75. (Sanitary Sewer — Churchill Avenue.)

VOTED: (Unanimously) That the sum of six thousand eight hundred eighty (6,880) dollars be and hereby is appropriated for the installation of a sanitary sewer to service the lower end of Churchill Avenue, adjacent to Menotomy Rocks Park, including an outlet sewer through Menotomy Rocks Park to Jason Street; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 75, the Moderator declared it disposed of.

Article 76. (Acceptance of General Laws.)

VOTED: That no action be taken under Article 76 of the Warrant.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 77. (Proposed Alteration of Zoning Map — Area in Rear of Massachusetts Avenue.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Residence C District the area now included partly in the Residence B District and partly in the Residence A District, bounded and described as follows:

1. Southwesterly of Massachusetts Avenue, from Boulevard Road to Whittemore Street, the area between the present Business A and B Districts, and a line 300 ft. southwesterly of, parallel to and concentric with, the southwesterly side line of Massachusetts Avenue.

2. Northeasterly of Massachusetts Avenue, from the Northwesterly side of the Industrial District of Sunapee Road to Broadway near Franklin Street, the area between the present Business A and Residence C Districts and a line 300 ft. northeasterly of, parallel to and concentric with, the northeasterly side line of Massachusetts Avenue.

3. Southwesterly of Massachusetts Avenue, from Academy Street to Davis Road, the area between the present Business A and Residence C Districts and a line 300 ft. southwesterly of, parallel to and concentric with, the southwesterly side line of Massachusetts Avenue and to include the present Residence A District east and west of Appleton Street and excluding the School property known as the Cutter School, between Robbins Road and School Street.

4. Northeasterly of Massachusetts Avenue, from Clark Street to the easterly side of the Industrial District east of Mill Lane, the area between the present Business A District and the center line of Pierce Street and the northwesterly extension thereof.

There being no further business under Article 77, the Moderator declared it disposed of.

Article 78. (Proposed Amendment of Zoning By-Law.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of the Planning Board, as amended by the motion of John B. Byrne, Jr. Chairman (which motion was duly seconded, voted and declared by the Moderator to have carried unanimously), that the town amend its Zoning By-Law by striking out the present by-law and inserting in place thereof the by-law proposed by the Planning Board, as follows:

ZONING BY-LAW
FOR THE
TOWN OF ARLINGTON
MASSACHUSETTS

PURPOSE

The purpose of this by-law is to promote health, safety, convenience, morals and welfare of the inhabitants of the Town of Arlington; to lessen congestion in the streets; to conserve health; to secure safety from fire, panic and other dangers; to provide adequate light and air; to prevent the overcrowding of land; to avoid undue concentration of population; to facilitate the adequate provision of transportation, water, sewerage, schools, parks and other public requirements; to conserve the value of land and buildings; to encourage the most appropriate use of land throughout the town; and to preserve and increase the amenities of the municipality.

DISTRICTS

Section 1. Establishment of Districts

For the purposes of this by-law, the Town of Arlington is hereby divided into districts of seven classes, to be known as:

1. Residence A Districts
2. Residence B Districts
3. Residence C Districts
4. Residence D Districts
5. Business A Districts
6. Business B Districts
7. Industrial Districts

Said districts are as shown, defined and bounded on the Map accompanying this by-law, entitled "Zoning Map of the Town of Arlington, Massachusetts, prepared under the Direction of the Planning Board", dated March, 1959, signed by the said Board, or as thereafter amended, and on file with the Town Clerk. Said Map and all explanatory matter thereon are hereby made a part of this by-law.

Section 1-A. District Boundaries

The location of the boundary lines of the districts shown upon the Zoning Map shall be determined as follows:

1. Where the boundary lines are shown upon said map within the street lines of public or private ways, the center lines of such ways shall be the boundary lines.

2. Where the boundary lines are shown approximately on the location of property or lot lines; and the exact location of property, lot or boundary lines is not indicated by means of figures, then the property or lot lines shall be the boundary lines.
3. Boundary lines located outside of such street lines and shown approximately parallel thereto shall be regarded as parallel to such street lines; and figures placed upon said map between such boundary lines and street lines are the distances in feet of such boundary lines from such street lines, such distances being measured at right angles to such street lines unless otherwise indicated.
4. In all cases which are not covered by the other provisions of this Section, the location of boundary lines shall be determined by the distance in feet, if given, from other lines upon said map, or, if distances are not given, then by the scale of said map.
5. Whenever any uncertainty exists as to the exact location of a boundary line, the location of such line shall be determined by the Inspector of Buildings, provided, however, that any person aggrieved by his decision may appeal to the Zoning Board of Appeals, as provided in Section 4.

ADMINISTRATION AND ENFORCEMENT

Section 2. Enforcement

1. This by-law shall be enforced by the Inspector of Buildings appointed under the building code of the Town of Arlington, and no permit shall be granted for the construction, alteration, re-location or use of any building or structure, if the building or structure as constructed, altered, re-located or used would be in violation of any provision of this by-law. Whenever such permit or license is refused because of some provisions of this by-law. the reason therefor shall be clearly stated in writing.

2. If the Inspector of Buildings shall be informed, or have reason to believe, that any provision of this by-law has been, is being or may be violated, he shall make or cause to be made an investigation of the facts and inspect the property where the violation may exist. If he shall find any such violation he shall give notice thereof in writing to the owner or to his duly authorized agent and to the occupant of the

premises, and order that any use of any building contrary to the provisions of this by-law shall immediately cease.

3. If, after such notice, the premises are continued to be used in a manner contrary to the provisions of this by-law, or if any such owner or occupant shall fail to obey any lawful order of the Inspector of Buildings in respect to any violation or use contrary to the provisions of this by-law, the Inspector of Buildings with the approval of the Board of Selectmen may, and if required by them shall, institute appropriate legal proceedings to enforce the provisions of this by-law or to restrain by injunction any violation thereof, or both, and shall do all further acts, revoke the permit for occupancy, institute and take any and all such action as may be necessary to enforce the provisions of this by-law.

Section 3. Occupancy Permit

1. No building hereafter erected, altered substantially in its use or extent or relocated shall be used, and no change shall be made of the use of any building or of any parcel of land, unless an occupancy permit signed by the Inspector of Buildings has been granted to the owner or occupant of such land or building. Such permit shall not be granted unless the proposed use of the land and building and all accessory uses comply in all respects with this by-law and no use shall be made of such land or building that is not authorized by such occupancy permit.

Section 4. Zoning Board of Appeals

1. A Zoning Board of Appeals is hereby established, to consist of three members to be appointed by the Board of Selectmen. All members of said Zoning Board shall be residents of the Town of Arlington, and one member shall be an Attorney-at-Law, and at least one of the remaining members shall be a registered architect or a registered civil engineer. The appointments first made shall be for the term of one, two, and three years respectively, so that the terms of one member shall expire each year. All subsequent appointments shall be for the term of three years. When the appointments are first made the Board of Selectmen shall also appoint two associate members for the term of two years each, such associate membership to be appointed every second year. No member shall act in any case in which he shall be interested, and in case any member or members shall be so disqualified, or because of absence from the town, or any other cause, he or they shall be unable to act, the remaining member or

members shall, in a written statement, filed with the secretary, so certify, and name an associate member or members to act upon the particular matter. Whenever said associate member or members shall serve, he or they shall have all the powers conferred upon a regular member. If two or more members are absent or disqualified, the Board of Selectmen may appoint substitutes to act during such absence or disqualification. The said Zoning Board of Appeals shall organize yearly, choosing a chairman and a secretary.

2. The Board shall adopt rules, not inconsistent with the provisions of the by-laws of the Town, for conducting its business and otherwise carrying out the purposes of the Zoning by-laws. Meetings of the Board shall be held at the call of the chairman, and also when called in such manner as the board shall determine in its rules. Such chairman, or in his absence the acting chairman, may administer oaths, summon witnesses and call for the production of papers. All hearings of the Board shall be open to the public. The Board shall cause to be made a detailed record of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and setting forth clearly the reason or reasons for its decisions, and of its other official actions, copies of all of which shall be immediately filed in the office of the town clerk and shall be a public record, and notice of decisions shall be mailed forthwith to parties in interest as hereinafter designated.

3. Any person aggrieved by the refusal of the Inspector of Buildings to issue a permit or license on the grounds of noncompliance with the Zoning by-laws may appeal to the Zoning Board of Appeals as provided in Chapter 40A of the General Laws and any amendments thereto.

4. No appeal or petition and no application for a special exception to the terms of this by-law which has been unfavorably acted upon shall be considered by the Zoning Board of Appeals within two years after the date of such unfavorable action except with the consent of all the members of the Planning Board.

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon, seven days' public notice of which shall be given.

6. The Zoning Board of Appeals shall also, at least ten days prior to the hearing, send or deliver written notice to all the owners of real estate opposite to or abutting on the property in connection with which any permission is sought, and to such others as the Zoning Board of Appeals may order or by regulation prescribe, and shall, at least ten days before the hearing, post a notice of the hearing, upon the property in a conspicuous location, adjacent to a street on which the property is situated, stating the nature of the petition in connection with which permission is sought. A copy of this notice shall be posted on the Bulletin Board at the Town Hall.

7. In the case of an appeal involving a change in use of land or building the Zoning Board of Appeals shall hold a joint meeting with the Planning Board to discuss the matter, preferably before the date of the public hearing or in any event before final action is taken by the Zoning Board of Appeals.

Section 4-A. Exceptions and Variances

1. The Zoning Board of Appeals may on petition, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the by-law in harmony with its general purpose and intent, in the following cases:

- (a) It may permit in a Residence A District the alteration of a single family dwelling as a residence for not more than two families, provided that the external appearance of a single family dwelling be retained so far as reasonably practical.
- (b) It may permit in a Residence A District or B District a hospital, sanitarium or other medical institution.
- (c) It may permit the rebuilding, repair or extension of a non-conforming use as provided in Section 7, Paragraph 3.
- (d) It may permit in any District a particular use hereinafter specifically set forth as being permissible in the class of District in question if approval of said Board be obtained.

2. The Zoning Board of Appeals may also authorize variances in particular cases as provided in Section 13 to and including 21 of Chapter 40-A of the General Laws or acts in amendment thereof and in addition thereto. The grant of such variances may be of indefinite duration, or for periods

not exceeding one year. Such temporary grants of variances may be renewed from time to time, except that in the case of a new building or of an addition to an existing building, the aggregate of the periods covered by such temporary grants and the extensions thereof shall not exceed two years.

Section 5. Amendments

1. A copy of every petition for the amendment, modification or repeal of this by-law, including the Zoning Map and the boundary lines of the districts thereon, and of every article submitted or to be submitted to the Selectmen for insertion in the warrant for any Town Meeting relating to any such amendment, modification or repeal, shall be filed with the Planning Board on or before the date when such article is submitted to the Selectmen for insertion in the warrant.

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town shall, or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law, provided that where a petition is filed such petition shall show that copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing shall be given by publication in a newspaper of general circulation in the Town, the first publication to be not less than ten days before the date assigned for the hearing.

3. No action shall be taken at any Town Meeting upon any proposed amendment, modification or repeal of this by-law unless a public hearing has been held thereon in the manner prescribed in the preceding paragraph, and the recommendations of the Planning Board have been reported to the Town Meeting, or twenty days have elapsed after such hearing without a submission of a report of its recommendations by the Planning Board have been reported to the Town Meeting, or twenty days have elapsed after such hearing without a submission of a report of its recommendations by the Planning Board to the Town Meeting; and no amendment, modification or repeal of this by-law shall be made except by two-thirds vote of a town meeting.

4. No proposed amendment to this by-law which has been unfavorably acted upon by the Town Meeting shall

be considered on its merits within two years after the date of such unfavorable action unless the adoption of such an amendment is recommended in the final report of the Planning Board required by Section 6 to and including 9 of Chapter 40-A of the General Laws.

GENERAL PROVISIONS

Section 6. Definitions

1. Unless otherwise expressly stated, the following terms shall for the purpose of this by-law, have the meanings indicated.

2. Words used in the present tense include the future. Words used in the masculine gender include the feminine and neuter; and in the feminine or neuter, the masculine. Words used in the singular number include the plural; and in the plural, the singular. "Lot" includes "plot"; "building" includes "structure"; "occupied" includes "designated or intended to be occupied"; and the "used" includes "designated or intended to be used".

"Accessory Use" — Is the use of a building or premises for a purpose customarily incidental to a use permitted in the district in which it is located .

"Alteration" — A change in a building which modifies its location, plan, manner of construction or the kind of materials used or in any way varies the character of its use.

"Apartment" — A portion of a building used as a dwelling by one family.

"Apartment House" — Any building containing three or more apartments.

"Basement" — That part of a building which has more than one-half of its clear height below the level of the finished grade.

"Boarding House (Home)" — A house in which a regular service of meals is furnished for persons for a remuneration.

"Building, existing" — A building already erected upon the effective date of this by-law.

"Building, New" — A building erected after the effective date of this by-law.

"Building, line" — The line established by law, beyond which a building shall not extend, except as specifically provided by law.

"Commercial Vehicle" — Any truck, tractor, cart or wagon, whether or not marked to indicate a business use, as well as any passenger car on which is painted or otherwise permanently affixed any writing to designate the business use or affiliation of the said car in the business, profession or occupation of the owner or user, shall be deemed to be a commercial vehicle for the purposes of this by-law.

"Corner lot" — Is a lot at the junction of and fronting on two or more intersecting streets or ways. Only that portion of the lot having a frontage on any one street of 150 feet or less shall be considered a corner lot. On a corner lot the front yard set back requirements must be complied with on each street.

"Court" — An unoccupied space other than a yard, inclosed on three or more sides and on the same lot as the building, but open to the sky, unobstructed by roof, sky-light or other appendages. A court which extends to the street, rear yard, front yard or side yard is an "Outer Court"; a court that does not thus extend is an "Inner Court".

"Duplex House" — Is a house containing two apartments adjoining side by side; that is, in which no part of one apartment is over any part of the other apartment. A duplex house shall be considered as one main building occupying one lot for the purpose of determining yard requirements.

"Dwelling" — A house or building or portion thereof which is occupied by one or more families doing their cooking on the premises.

"Family" — Is a number of individuals living together as a single housekeeping unit and doing their cooking upon the premises.

"Front Yard" — Is a space across the full width of the lot and extending from the front line of the building on such lot to the front line of such lot.

"Frontage" — The front part of a building or lot abutting on a public or private way. A corner lot fronts on the street on which it is numbered.

"Garage" — Any building, or part thereof, wherein is kept or stored one or more motor vehicles, or wherein the painting, repairing or greasing of motor vehicles is performed.

"Garage, private" — A garage in which no business or industry connected directly or indirectly with motor vehicles is carried on and in which only passenger cars are housed.

“Gross Floor Area” — The gross floor area of a building is the total area of all floors, including basement and mezzanines, measured to the exterior walls of the building, and including partitions, stairhalls, corridors and covered porches.

“Half Story” — Is any story which is under a sloping roof, where the point of intersection of the tops of the rafters and the face of the wall is less than three (3) feet above the floor level.

“Height of Building” — Is the vertical distance of the highest point of the roof above the mean finished grade of the ground adjoining the building, excluding penthouses, bulkheads and other allowable superstructures above the roof.

“Lot” — Is the parcel of land on which a Principal building and its accessories are placed, together with the required open spaces.

“Lot Line” — Is a division line between adjoining properties or a division line between individual lots established by a plan filed in the Registry of Deeds or Land Court.

“Occupancy” — Use or occupancy of a building, character of use, or designated purpose of a building or structure or portion thereof.

“Penthouse” — Is a small structure built upon the roof.

“Rear Yard” — Is a space across the full width of a lot and extending from the rear foundation line of the building located on such lot to the rear line of such lot.

“Rooming or Lodging House” — A house in which a business is made of renting rooms.

“Sanatorium or Sanitarium” — An establishment for reception and treatment of invalids or convalescents where conditions are favorable and beneficial to the patient.

“Side Yard” — Is a space extending from the front yard to the rear yard between a building and the adjacent side line of the lot on which said building is located.

“Story” — That part of a building between any floor and the floor or roof next above.

For the purpose of this by-law, where a building is not divided into stories, a story shall be considered fifteen feet in height, provided that steeples, penthouses, cupolas, stage lofts, etc., shall not be considered as additional stories. A

basement or cellar, the ceiling of which extends more than four feet, six inches above the average finished grade, shall be a story within the meaning of this by-law.

“Street Line” — The dividing line between a street and a lot.

“Two-Family House” — Is a house containing two apartments, in which part of an apartment is over part of the other apartment. (See Duplex House.)

Section 7. Non-Conforming Buildings and Uses

1. This by-law and any amendment thereof shall not apply to buildings existing at the time of its taking effect or to the existing use of buildings or land.

2. If any building existing at the time this by-law takes effect is then legally used in whole or in part for a purpose for which a new building may not be constructed or used under the provisions of this by-law, this by-law shall not prohibit the changing of such use of such building or part to a use which is not substantially different from the existing use, provided the building is not altered structurally and provided further that the new use is not prohibited in the most restricted zone in which the present use would be permitted. However, no non-conforming use which is changed to a conforming use shall be permitted to revert to a non-conforming use.

3. Any building or part of a building which, at the time of the adoption of this amendment, is being legally put to a use not conforming with the regulations of the district in which it is situated may continue to be used for the same purpose or for purposes not substantially different, and may be repaired; but no nonresidential building, if destroyed to the extent of 75% of its value above the foundation, shall be rebuilt for non-conforming use. No non-conforming building shall be extended or enlarged except by permission of the Zoning Board of Appeals. The Zoning Board of Appeals may grant permission if such rebuilding, extension or enlargement would be in harmony with the general purpose and intent of this by-law, and not otherwise.

Section 8. Use of land

The use of land for any purpose other than those specifically provided for in these by-laws is hereby forbidden. No sod, loam, sand, gravel or quarry stone shall be removed

for sale (except when incidental to and in conformity with the construction of a building for which a permit has been issued in accordance with the Building Laws,) except by permission of the Zoning Board of Appeals, such permission being obtained in accordance with the procedure provided in Section 4 and only when such permission would be in harmony with the general purpose and intention of this by-law and under such conditions as the Zoning Board of Appeals may impose. However, nothing contained in this section, or any amendment thereof, shall prevent the continued use of any land for the purpose for which it is legally being used at the time this section or any amendment thereof takes effect.

Section 9. Restrictions Affecting All Districts

No new building or part thereof shall be constructed or used, and no premises shall be used, and no building or part thereof shall be altered, enlarged, reconstructed, or used under the conditions designated as (a) and (b) of this section in any part of the town.

- (a) For any purpose which by the emission or discharge of fumes, vapor, gas dust, offensive odors, chemicals, poisonous fluids, or substances, refuse, organic matter or excrement, the causing of noise or vibrations, or by unduly increasing the risk from fire or explosion, or otherwise, would be dangerous or injurious to the public health or safety.
- (b) For any purpose which would be for any reason injurious to the health, safety, morals or welfare of the community or harmful to property therein.

Section 10. Access and Parking for Business and Industrial Buildings

No driveway or other means of access for vehicles other than a public street and no parking space for private automobiles or commercial vehicles shall be maintained or used in any residence district to serve business or industrial buildings located in a business or industrial district.

Section 11. Corner Clearance in Residential Districts

Between the property lines of intersecting streets and a line joining points on such lines twenty feet distant from their point of intersection or in the case of a rounded corner,

the point of intersection of their tangents, no building or structure in any residence district may be erected and no vegetation other than shade trees may be maintained between a height of three feet and seven feet above the plane through their curb grades.

Section 12. Reduction of Lot Area

No lot on which is located any building used for residence purposes in any district shall be reduced or changed in area or shape so that the building or lot fails to comply with the provisions of this by-law. This section, however, shall not apply in the case of a lot a portion of which is taken for a public purpose.

Section 12-A. Location of Private Garages

Private garages shall be located not less than five feet from any other building except that such garages of first or second class fire protected construction may be located adjacent to any other building.

Section 12-B. Restrictions Affecting All Residence Districts

The storage or keeping of not more than one commercial vehicle in a private garage accessory to a dwelling shall be allowed if owned or used by a person residing in such dwelling. In no case, however, shall the regular open-air parking of any commercial vehicle be permitted in any residence district except with permission of the Zoning Board of Appeals.

RESIDENCE A DISTRICTS

Section 13. Use Regulations

In the Residence A districts, no new buildings or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

- (a) Any industry, trade, manufacturing or commercial purposes:
- (b) Any purpose except one or more of the following:
 - 1. Single family detached dwelling house
 - 2. Physician's (M.D.) office in residence

3. Farm (except the raising of livestock or poultry) or market garden but in no case shall goods or produce be sold that are not the natural products of the premises in question.
4. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, including a private garage for not more than two cars.
5. Church, school (except a music, dancing or riding academy) library or museum, hospital, sanitorium (or other medical institution) or a public utility building, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Sections 4 and 4A. In no case, however, shall a public utility building be used for the general garaging or dispatching of automobiles or for the storage of materials for construction or maintenance purposes.

Section 13-A. Area Regulations

1. Lot Area. In the Residence A districts, no lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and no building or buildings on any one lot including garages, stables and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved, so as to have an average gross floor area per story of more than 35 per cent of the area of the lot, provided, however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence for a single family.

2. Building Area. No one-story house shall have a floor area of less than 700 square feet. No house more than one story in height shall have a first floor area of less than 500 square feet or a second floor area of less than 250 square feet. Of the second floor area at least 125 square feet must have a clear head room of 7 feet.

Section 13-B. Height and Area Regulations

The height and area regulations in the Residence A district are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto.

RESIDENCE B DISTRICTS

Section 14. Use Regulations

In the Residence B districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

- (a) Any industry, trade, manufacturing or commercial purpose;
- (b) Any purpose except one or more of the following:
 - 1. Any use which is permitted in a Residence A district.
 - 2. Two-family or duplex houses.
 - 3. Such accessory purposes as are customary or usual in connection with two-family or duplex houses and are incidental thereto, including a private garage for not more than two cars.

Section 14-A. Area Regulations

1. Lot Area. In the Residence B districts, no lot shall have a frontage of less than sixty feet or an area of less than six thousand square feet and no building or buildings on any one lot, including garages, and other accessory buildings, shall be constructed, altered, enlarged, reconstructed or moved so as to have an average gross floor area per story of more than 35 per cent of the area of the lot, provided however, that this restriction shall not prohibit the erection of a private garage for not more than two cars which is accessory to and used with a building existing when this by-law takes effect and used as a residence.

2. Building Area. (a) No one-family, one-story house shall have a floor area of less than 700 square feet. No one-family house more than one story in height shall have a first floor area of less than 500 square feet or a second floor area of less than 250 square feet. Of the second floor area at least 125 square feet must have a clear head room of 7 feet.

- (b) No duplex house shall have a floor area of less than twice that required for one-family buildings, as stated in the preceding paragraph.

- (c) No two-family house shall have a floor area of less than 700 square feet per family unit, including stairways.

Section 14-B. Height and Area Regulations

The height and area regulations in the Residence B districts are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto.

RESIDENCE C DISTRICTS

Section 15. Use Regulations

In Residence C districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

- (a) Any industry, trade, manufacturing or commercial purpose;
- (b) Any purpose except one or more of the following:
 - 1. Any use which is permitted in a Residence B district.
 - 2. Apartment House
 - 3. Boarding house or lodging house
 - 4. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, including a private garage.

Section 15-A. Building Coverage and Court Regulations

1. In the Residence C districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved in such a way as to cover more than 25 per cent of the area of the lot for a building five stories in height, more than 30 per cent for a four-story building, or more than 35 per cent for a building of three stories or less.

2. Inner courts shall not be permitted in any building. Outer courts shall have a minimum width of 25 feet or two-thirds the average height of the walls surrounding the court, whichever is the greater. In no case shall an outer court have a depth greater than its width unless such width exceeds 50 feet, in which case the maximum depth permitted shall be one and one-half times the width.

Section 15-B. Parking Spaces

In the Residence C districts, automobile parking spaces shall be required off-street on land associated with each residential structure containing dwellings for three or more families erected after the date of adoption of this amendment. Such accessible and usable spaces, including space for entrances, exits, and driveways, in said off-street parking area shall be available at the ratio of at least 300 square feet of space (open or covered) for each dwelling unit in each such structure. Such off-street spaces shall not be within 15 feet of any street line nor in the front yard of any building unless within an underground or basement garage not opening directly onto the frontage street. All parking facilities so provided are to be for the exclusive use of residents of the property or their guests.

Section 15-C. Height and Area Regulations

The height and area regulations in the Residence C districts are hereby established as set forth in the "Schedule of Height and Area Regulations" attached hereto. Single and two-family houses constructed in a Residence C district shall be required to conform to the minimum area and yard requirements of the Residence B districts.

RESIDENCE D DISTRICTS

Section 15-1. Use Regulations

In Residence D districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used, and no land shall be used for:

- (a) Any industry, trade, manufacturing or commercial purpose;
- (b) Any purpose except one or more of the following:
 - 1. Any use which is permitted in a Residence A district.
 - 2. Apartment House
 - 3. Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto, including a private garage.

Section 15-2. Building Coverage and Court Regulations

1. In the Residence D districts, no building or buildings including garages shall be constructed, altered, enlarged, reconstructed or moved in such a way as to cover more than 35 per cent of the area of the lot.

2. Inner courts shall not be permitted in any building. Outer courts shall have a minimum width of 50 feet. In no case shall an outer court have a depth greater than one and one-half times its width.

Section 15-3. Parking Spaces

In the Residence D Districts, automobile parking spaces shall be required off-street on land associated with each residential structure containing dwellings for three or more families erected after the date of adoption of this amendment. Such accessible and useable spaces, including space for entrances, exits, and driveways, in said off-street parking area shall be available at the ratio of at least 300 square feet of space (open or covered) for each dwelling unit in each such structure. Such off-street spaces shall not be within 15 feet of any street line nor in the front yard of any building unless within an underground or basement garage not opening directly onto the frontage street. All parking facilities so provided are to be for the exclusive use of residents of the property or their guests.

Section 15-4. Height and Area Regulations

The height and area regulations in the Residence D districts are hereby established as follows:

Height 50 feet — four stories	
Front yard min. depth in feet	35 feet
Side yard min. width in feet	25 feet
Rear yard min. depth in feet	25 feet
Maximum occupancy in per cent	35 per cent

Single family houses constructed in a Residence D district shall be required to conform to the minimum area and yard requirements of the Residence A districts.

Where a building faces one or more streets, each such face shall be considered the front in determining set back requirements.

BUSINESS A DISTRICTS

Section 16. Use Regulations

In the Business A districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used and no land shall be used for any purpose except the following:

- (a) Any purpose which is authorized or may be permitted in the Residence C districts.
- (b) One or more of the following uses:
 - 1. Store, salesroom or showroom for the conduct of retail business
 - 2. Wholesale showroom, with storage limited to floor samples only
 - 3. Restaurant or other place for the serving of food or beverages, provided that no dancing and no mechanical or live entertainment is regularly furnished unless permitted by the Zoning Board of Appeals as hereinafter authorized.
 - 4. Any of the following personal or consumer service establishments: barber shop or beauty parlor, clothing rental establishment, collection station for laundry or dry cleaning, dressmaking or millinery shop, funeral home, hand or self-service laundry, interior decorating studio, photographic studio.
 - 5. Business or professional office or agency, bank or other financial institution.
 - 6. Public or semi-public building.
 - 7. Automobile parking lot.
- (c) One or more of the following additional uses, provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 and 4A:
 - 1. Public garage or gasoline filling station.
 - 2. Hotel or motel.
 - 3. The regular furnishing of entertainment at a restaurant or similar place.
 - 4. Theater, meeting hall, club house, dancing or music academy, or other indoor place of amusement or assembly.

5. Any other purpose which the Zoning Board of Appeals shall specifically find is of the same general character as any of the foregoing purposes authorized or permissible in the district.
- (d) Such industry, trade or light manufacturing as is customary or usual in connection with, or is part of, any of the purposes authorized or permitted under the provisions of this Section and is incidental thereto, if such industry is carried on in the same building or in other buildings on the same premises as the business or use with which it is connected, provided, however, that:
 1. No industry, trade or light manufacturing shall be carried on in a business district which is prohibited or not authorized in the industrial districts, or is dangerous to the vicinity because of possible fire, explosion or other cause.
 2. The total floor space which may be used for such industry, trade or light manufacturing, including processing, repair work, and the storage of materials and equipment for off-premises use, shall not exceed a total area of two thousand (2000) square feet per establishment (whether on the same or adjoining lots), unless permission of the Zoning Board of Appeals is obtained in the manner provided in Section 4 and 4A for the use of such additional floor space as they shall specify.
- (e) Such other accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto.

Section 16-A. Building Coverage and Court Regulations

In the Business A districts, all buildings used for residential purposes shall conform to the building coverage and court regulations as set forth in Section 15-A for Residence C districts, except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the coverage and court regulations as set forth in Section 15-2 for Residence D districts shall apply instead.

Section 16-B. Height and Area Regulations

The height and area regulations in the Business A districts are hereby established as set forth in the "Schedule of Height and Area Regulation" attached hereto. All buildings in the Business A districts used for residential purposes shall conform to the yard regulations as set forth for Residence C districts, except that where a particular business district has a maximum dimension of less than 500 feet and is bounded on all sides by a Residence A and/or Residence B district, the yard regulations as set forth for Residence D districts shall apply.

Section 16-C. Enclosure of Uses

In the Business A districts, all uses which are authorized or may be permitted, and all uses accessory thereto, shall be conducted wholly within a completely enclosed building, except the following:

1. Uses which are authorized or may be permitted in the Residence C districts.
2. Plants growing in the soil.
3. Automobile parking lots.
4. Exterior signs.
5. Exterior lights, if so arranged as to reflect away from streets and from adjacent residence districts.

Provided, however, the Zoning Board of Appeals may permit, in the manner set forth in Section 4 and 4A, the open storage of goods, products, materials or equipment or other open use if accessory to a lawful main use conducted in a completely enclosed building on the same premises, provided that the total ground area devoted to such open use does not exceed twenty-five (25) per cent of the ground area covered by said building.

BUSINESS B DISTRICTS

Section 17. Use Regulations

In the Business B districts, no new building or part thereof shall be constructed or used and no building or part thereof shall be altered, enlarged, reconstructed or used and no land shall be used for any purpose except the following:

- (a) Any purpose which is authorized in the Business A districts

- (b) One or more of the following uses:
 - 1. Public garage or gasoline filling station
 - 2. Hotel or motel
 - 3. Place of amusement or assembly
 - 4. Printing or publishing establishment
 - 5. Plant for manufacturing of electrical or electronic devices, appliances, apparatus, or supplies
 - 6. Plant for manufacturing of medical, dental, or drafting instruments, optical goods, watches or other precision instruments
 - 7. Plant for manufacturing of advertising displays, awnings or shades, beverages (non-alcoholic), brushes, books, clothing or other textile products, jewelry
 - 8. Storage in bulk of, or warehouse for, lumber and other building supplies, contractors' equipment, food, furniture, hardware, metal, paper, pipe, shop supplies, tobacco, tools, wood, or any products of manufacturing activities authorized or permitted in the district
- (c) Provided the approval of the Zoning Board of Appeals is obtained in the manner set forth in Section 4 and 4A, any other lawful business, service, storage or light manufacturing use which said Board shall specifically find is (a) not dangerous to the vicinity by reason of fire or explosion, or other causes, and (b) not likely to create more noise, vibration, dust, heat, smoke, fumes, odor or glare than the minimum amount normally resulting from any of the uses specifically hereinbefore set forth.
- (d) Such accessory purposes as are customary or usual in connection with any of the foregoing purposes and are incidental thereto.

Section 17-A. Building Coverage and Court Regulations

In the Business B districts, all buildings used for residential purposes shall conform to the coverage and court regulations set forth in Section 16-A for Business A districts.

Section 17-B. Height and Area Regulations

The height and area regulations in the Business B districts are hereby established as set forth in the "Schedule of

Height and Area Regulation" attached hereto. All buildings in the Business B districts used for residential purposes shall conform to the yard regulations set forth in Section 16-B for Business A districts.

Section 17-C. Enclosure of Uses in Certain Locations

In the Business B districts, all uses which are authorized or permissible may be conducted within or without a completely enclosed building, except that permission of the Zoning Board of Appeals shall be required for open uses (whether main or accessory) if located wholly or partially within two hundred (200) feet of the boundary of a residence district subject to the same exceptions as apply to enclosure of uses in the Business A districts.

INDUSTRIAL DISTRICTS

Section 18. Use Regulations

In the Industrial districts, buildings or land may be used and buildings may be altered or erected for any legal use except the following:

- (1) Abattoir and commercial slaughtering
- (2) Manufacture of corrosive, poisonous or malodorous acids and chemicals
- (3) Cement, lime, gypsum and plaster of Paris manufacture
- (4) Fertilizer manufacture. Fat rendering in manufacture of tallow, grease and oils
- (5) Glue, size and gelatin manufacture
- (6) Petroleum and Kerosene refining or distillation and derivation of by-products
- (7) Manufacture of explosives and the stores of explosives in bulk
- (8) Smelting and reduction of copper, tin, zinc and iron ores
- (9) Similar uses which are dangerous by reason of fire or explosion, or injurious, noxious or detrimental to the neighborhood by reason of the emission of dust, odor, fumes, smoke wastes, refuse matter, noise, vibrations or because of any other objectionable feature.
- (10) A residence use for more than one family in a building used for an industrial purpose
- (11) A yard for the storage or sale of used building or junk material

Section 18-A. Building Coverage and Court Regulations

In the Industrial districts, all buildings used for residential purposes shall conform to the building coverage and court regulations set forth in Section 17-A for Business B districts.

Section 18-B. Height and Area Regulations

The height and area regulations in the Industrial districts are hereby established as set forth in the "Schedule of Area Regulations" attached hereto. All buildings in the Industrial districts used for residential purposes shall conform to the height and yard regulations as set forth for Residence B districts.

OFF-STREET LOADING SPACE IN NON-RESIDENTIAL DISTRICTS

Section 18-1. Off-Street Loading Requirements

In the Business A, Business B, and Industrial districts, off-street loading space shall be established and maintained on the same premises with every building constructed, enlarged, or converted to a new use after the date of adoption of this amendment, but only where such construction, enlargement or conversion increases by more than eight thousand (8000) square feet, subsequent to said amendment, the total gross floor area of all buildings on the premises used, in whole or in part, for any of the following purposes:

- (a) Store, salesroom or showroom
- (b) Restaurant, personal or consumer service establishment
- (c) Manufacturing plant, storage building or warehouse
- (d) Any other use which is authorized or may be permitted in any non-residential district but not in any residence district, with the following exceptions:
 - 1. Business or professional office or agency, bank or other financial institution
 - 2. Public or semi-public building
 - 3. Hotel or motel
 - 4. Theater, meeting hall, club house, dancing or music academy
 - 5. Place of amusement or assembly

Where the premises in question is vacant, or otherwise contains no buildings used for a purpose requiring off-street loading, the initial provision of floor area devoted to such purposes shall be deemed to constitute an increase in the floor area so used, and come within the jurisdiction of this Section.

Section 18-2. Size and Number of Berths

The required off-street loading space shall consist of accommodations outside the lines of any street for loading and unloading of trucks and other commercial vehicles, and shall be in the form of one or more berths, located either within a building or in open space on the premises. Each berth shall be not less than twelve (12) feet wide and twenty-five (25) feet long, and shall have a minimum clear height, including access to it, of fourteen (14) feet. The minimum number of berths to be established shall be as follows:

8,000 to 20,000 sq. ft. of gross floor area — 1 berth

Each additional 20,000 sq. ft. or fraction thereof — 1 additional berth.

Section 18-3. Premises Defined

For the purposes of these requirements, the premises shall be deemed to be the lot on which the building in question is located, together with any adjacent lots used by the same commercial enterprise. However, in the case of a single building divided by permanent partitions into a number of different stores, plants, or other compartments for the use of separate commercial enterprises, each such store, plant or compartment and the portion of the lot allocated thereto shall be deemed to constitute a separate premises.

Section 18-4. Exceptions

The Zoning Board of Appeals may permit a special exception to the off-street loading requirements hereof and require only such degree of compliance as it may deem reasonable, in the following particular cases:

- (a) Where a substantial portion of the gross floor area on the premises is devoted to uses which, in the opinion of the Board, do not involve the regular receipt or shipping of goods by truck or other vehicle.

- (b) Where the loading or unloading of trucks or other vehicles standing within an abutting private street or alley, or public way will not, in the opinion of the Board, cause sufficient obstruction to travel as to justify enforcement.
- (c) In a Business A district only, where the premises does not abut a private street or alley, nor more than one public street, and where interruption of its frontage on the main public street by a loading berth and/or by an access driveway thereto would, in the opinion of the Board, be undesirable because of undue pedestrian hazard or unreasonable reduction in the building width available for display (generally, where the width is less than one hundred feet).

EXCEPTIONS

Section 19. Height Exceptions

The height limitations as set forth in the foregoing schedule shall not apply to chimneys, ventilators, skylights, water tanks, bulkheads, penthouses and other accessory additions which are required or are customarily carried above the roofs of buildings, nor to towers, spires, domes, cupolas, and similar additions to buildings if such additions are not used for living purposes.

Section 20. Lot Area and Width Exceptions

Minimum lot area and width requirements in Residence districts as set forth in Sections 13-A and 14-A, shall not apply to lots which prior to the passage of this by-law were shown as separate parcels on subdivisions plans approved by the Board of Survey or on plans or deeds duly recorded with the Registry of Deeds. In the case of such lots, the required side yards need not be more than 7 feet 6 inches or 15 per cent of the lot width, whichever is the greater.

Section 21. Yard Exceptions

1. Projecting eaves, chimneys, bay windows, balconies, open fire escapes and like projections which do not project more than three and one-half feet, and unenclosed steps, unroofed porches and the like, which do not project more than ten feet in the front yard and five feet in the side yard beyond the line of the found-

ation wall, may extend beyond the minimum yard regulations otherwise provided for the district in which the structure is built.

2. In the Residence A and B districts, no building need be set back from the street line more than the average of the set backs of the buildings on the lots adjacent thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet in Residence A district or more than 20 feet in a Residence B district being counted as though occupied by a building set back 25 feet and 20 feet respectively; but in no case shall any part of a building in a Residence A or B district be less than 10 feet from any street line.
3. In the Business districts, a rear yard shall not be required in the case of an interior lot running through a block from street to street when improved by a single principal building.

VALIDITY AND EFFECTIVENESS

Section 22. Validity

The invalidity of any section, paragraph or provision of this by-law, or of any district, or part thereof as shown upon the Zoning Map, or of any boundary line shown upon said map, shall not affect the validity of any other section, paragraph or provisions of this by-law, or of any other district or part thereof as shown upon the Zoning Map, or of any other such boundary line.

Section 23. Existing By-Laws Not Repealed

Nothing contained in this by-law shall be construed as repealing or modifying any existing by-law or regulation of the Town, but shall be in addition thereto, provided that, wherever this by-law imposes greater restrictions upon the construction or use of buildings than other by-laws or provisions of law, such greater restrictions shall prevail.

Section 24. When Effective

This by-law shall take effect upon acceptance by the Town and its approval by the Attorney General and publication according to law.

SEE CHART AT END OF BOOK

it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law as proposed by the Planning Board of the Town.

There being no further business under Article 78, the Moderator declared it disposed of.

Article 79. (Proposed Alteration of Zoning Map — Area on Garden Street.)

John B. Byrne, Jr., Chairman of the Planning Board, reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the Zoning map therein referred to so as to include in the Industrial District the area now included in the Residence B District and bounded and described as follows:

SOUTHWESTERLY by Garden Street, one hundred forty-five and 5/10 (145.5) feet more or less;

NORTHWESTERLY by Lot 19, as shown on a plan entitled "Arlington Gardens, Plan of Lots, Arlington, Mass", dated Dec. 20, 1918. C. H. Gannett, C. E., recorded with Middlesex South District Deeds, Book 5425, page 57, one hundred nine and 6/10 (109.6) feet, more or less; and

SOUTHEASTERLY by land of the Town of Arlington, one hundred seventy-eight and 4/10 (178.4) feet, more or less.

There being no further business under Article 79, the Moderator declared it disposed of.

Article 80. (Proposed Alteration of Zoning Map — Area on Garden Street)

John B. Byrne, Jr. Chairman of the Planning Board, reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Industrial District the area now included in the Residence B District and bounded and described as follows:

NORTHEASTERLY by Garden Street, one hundred seventy-three (173) feet;

NORTHWESTERLY by Lot 35 as shown on a plan entitled "Arlington Gardens, Plan of Lots, Arlington, Mass.", dated Dec. 20, 1918. C. H. Gannett, C. E., recorded with Middlesex South District Deeds, Book 5425, page 57, ninety-nine and 4/10 (99.4) feet more or less;

SOUTHWESTERLY by land of Charles McConnell and Claire McConnell, one hundred ninety-three (193) feet; and

SOUTHEASTERLY by Lot 25, as shown on said plan, ninety-eight and 8/10 (98.8) feet.

There being no further business under Article 80, the Moderator declared it disposed of.

Article 81. (Proposed Alteration of Zoning Map — Area on Pleasant Street.)

Chairman John B. Byrne, Jr. reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That no action be taken under Article 81 of the Warrant.

There being no further business under Article 81, the Moderator declared it disposed of.

Article 82. (Proposed Alteration of Zoning Map — Area on Elmhurst Road.)

Chairman John B. Byrne, Jr. reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: (Unanimously) That no action be taken under Article 82 of the Warrant.

There being no further business under Article 82, the Moderator declared it disposed of.

Article 83. (Proposed Alteration of Zoning Map — Area on Magnolia Street.)

Chairman John B. Byrne, Jr. reported for the Planning Board and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, Mr. Byrne moved, and it was seconded,

"That no action be taken under Article 83 of the Warrant".

John J. Stanton of Precinct 14 (counsel for the petitioner) offered the following substitute motion, which was seconded and declared by the Moderator to have carried on a standing vote, 177 in the affirmative and 77 in the negative:

"That the town will amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Business B District the area now included in the Residence B. District, and bounded and described as follows:

SOUTHEASTERLY: by Magnolia Street, ninety feet;

SOUTHWESTERLY: by land now or formerly of Lewis J. Jacobson, one hundred feet;

NORTHWESTERLY: by land now or formerly of Abbot Allen et al, ninety feet; and

NORTHEASTERLY: by land now or formerly of John Forward, one hundred feet.

Said parcel is shown as lots 41, 42 and 43 on a plan hereinafter mentioned. All of the said boundaries are determined by the Court to be located as shown on a plan, as approved by the Court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 34, Page 149, with Certificate 5095, and shown on a Plan filed in the Land Registration Office March 26, 1912 by one C. B. Humphrey, Surveyor."

However, on the standing vote taken on the motion of the Planning Board as substituted by the motion of Mr. Stanton, 112 having voted in the affirmative and 72 in the negative, less than the required two-thirds vote, it was declared lost by the Moderator.

There being no further business under Article 83, the Moderator declared it disposed of.

Article 84. (Proposed Alteration of Zoning Map — Area on Magnolia Street.)

Chairman John B. Byrne, Jr. reported for the Planning Board and on his motion, duly seconded, it was

VOTED: That the report be received.

Thereupon, on motion duly made and seconded, it was

VOTED: That no action be taken under Article 84 of the Warrant.

There being no further business under Article 84, the Moderator declared it disposed of.

Article 85. (Rescinding of Vote on Land Taking.)

VOTED: (Unanimously) That the Town does hereby rescind the vote taken under Article 83 of the Warrant for the 1955 Annual

Town Meeting, wherein the School Committee was authorized and empowered to purchase or take in fee by eminent domain or otherwise acquire for school purposes certain land within the Town, situated on Tufts Street, and for which an appropriation was made.

There being no further business under Article 85, the Moderator declared it disposed of.

Article 86. (Installation of Roadways at Arlington High School.)

VOTED: (Unanimously) That the sum of twenty four thousand two hundred twenty (24,220) dollars be and hereby is appropriated to install roadways, sidewalks and a parking space in the area at the front of the Arlington High School; said sum to be raised by general tax and expended under the direction of the High School Additions and Reconstruction Committee.

There being no further business under Article 86, the Moderator declared it disposed of.

Article 87. (Appropriation for Maintenance Department Quarters.)

VOTED: (Unanimously) That the sum of seven thousand six hundred sixty eight (7,668) dollars be and hereby is appropriated for the purpose of completing the Maintenance Department quarters in the new addition to the Arlington High School; said sum to be taken from available funds now in the treasury and expended under the direction of the High School Additions and Reconstruction Committee.

There being no further business under Article 87, the Moderator declared it disposed of.

Article 88. (Appointment of Committee — Re School on Pheasant Avenue.)

By consent of the meeting the motion of the Finance Committee was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, which was seconded, it was

VOTED: (Unanimously) That the Moderator be and hereby is authorized and directed to appoint a committee of seven, composed of the Town Manager, one member of the School Committee, two members of the School Survey Committee, and three registered voters of the Town to procure plans and estimates for the construction of an elementary school building on land owned by the Town, located on Pheasant Avenue, said committee to report to the Annual Town Meeting of 1960; and that the sum of fifteen thousand (15,000) dollars be and hereby is appropriated for the use of said committee; said sum to be raised by general tax.

There being no further business under Article 88, the Moderator declared it disposed of.

Article 89. (Land Taking for School Purposes.)

VOTED: (Unanimously) That the School Committee be and hereby is authorized and empowered on behalf of the Town to acquire by purchase, eminent domain, or otherwise for school purposes, all or any portion of the land within the Town (with or without the buildings thereon) hereinafter described, any interests or easements therein, and any rights or easements of way or otherwise as appurtenant thereto, and subject to or with any reservations of any rights, or easements therein; and for this purpose the sum of two thousand one hundred twenty five (2,125) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the School Committee and the Town Manager.

Said land is bounded and described as follows:

Beginning at a point on the northeasterly side line of Pheasant Avenue, at the division line between land of the Town of Arlington and Lot 16, thence N 53° 33' 23" E a distance of 130.61 feet to an angle point, thence S 36° 50' 03" E a distance of 252.39 feet to an angle point, thence S 38° 05' 53" W a distance of 124.81 feet to a point on the northeasterly side line of Pheasant Avenue, at the division line between Lots 12 and 13, thence northwesterly on said northeasterly side line of Pheasant Avenue, a distance of 283.65 feet to the point of beginning and containing approximately 34,715 square feet and being Lots 13, 14, 15 and 16 shown on a plan on file in the Middlesex Registry of Deeds, Cambridge, Massachusetts, being Plan #1709 of 1955 and recorded at the end of Book 8561.

There being no further business under Article 89, the Moderator declared it disposed of.

Article 90. (Advertising Town By-Laws.)

VOTED: (Unanimously) That the sum of eleven hundred eighty five (1,185) dollars be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 90, the Moderator declared it disposed of.

Article 91. (Ornamental Lighting—Christmas Holiday Season.)

VOTED: (Unanimously) That the sum of three thousand (3,000) dollars be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 91, the Moderator declared it disposed of.

Article 92. (Addition to the Stabilization Fund.)

VOTED: (Standing Vote, 168 in the affirmative and 1 in the negative) That the sum of one hundred thousand (100,000) dollars be and hereby is appropriated to be added to the Stabilization Fund established by vote of the Town Meeting under Article 73 of the Warrant for the Annual Town Meeting of 1958; said sum to be taken from available funds now in the treasury.

There being no further business under Article 92, the Moderator declared it disposed of.

Article 93. (Headquarters for Lt. Stanley G. Benner Detachment — Marine Corps League of Arlington.)

VOTED: That in accordance with Chapter 40 Section 9 under the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of nine hundred (900) dollars be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington", and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 93, the Moderator declared it disposed of.

Article 94. (Appropriation of Available Funds.)

VOTED: That the sum of four hundred thousand (400,000) dollars voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1959 tax rate.

There being no further business under Article 94, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table. (Reports of Town Boards, Finance and other Committees.)

There being no further business under Article 3, the Moderator declared it disposed of.

On motion of Arthur D. Saul, Jr. Chairman of the Board of Selectmen, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:40 P.M., Monday, March 23, 1959.

A true record.

ATTEST:

Ann Mahon

Town Clerk

Report of the Town Clerk's Department

To the Citizens of Arlington:

The following annual report of the Town Clerk's Department for the year ending December 31, 1959, is submitted herewith in accordance with Section 3 of Article 3 of the Town's By-Laws.

The total of fees collected by the department during the year and deposited with the Town Treasurer was \$15,640.30. Of this amount \$4,442.25 was for conservation licenses and \$4,553.35 was for dog licenses.

The report of fees collected is as follows:

Marriage Intentions		\$ 932.28
Filing Fees (Financing Statements, etc.)		3,006.20
Miscellaneous Certificates		2,208.42

Your attention is directed to the reports appearing on the pages that follow upon the vital statistics of the Town which are recorded at this writing. It should be noted, however, that the summary of statistics relating, in particular, to births and deaths is incomplete, inasmuch as records thereof pertaining to Arlington residents are still being received by our office.

Respectfully submitted,

ANN MAHON
Town Clerk

Report of the Registrars of Voters

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit their annual report for the year ending December 31, 1959, in accordance with Section 3 of Article 3 of the By-Laws.

Temporary Assistant Registrars designated by our Board made a complete canvass of the Town for the purpose of taking the annual listing of persons twenty years of age and older residing in the Town of Arlington on January 1, 1959, and in conjunction therewith a listing of owners or keepers of dogs, both as required under the law.

Our Board certified the signatures of 7,928 voters appearing in nomination papers filed by or in behalf of candidates seeking municipal offices and in petitions filed with your Board for articles to be inserted in the Warrant for the Annual Town Meeting.

Nine evening sessions for the registration of voters were held at various public buildings throughout the town, prior to the final date for registration for the Annual Town Election. At these sessions, 234 persons were qualified to vote in elections. Throughout the year, daily sessions for the registration of voters were held during regular business hours in the office of the Town Clerk, at which an additional 392 persons were so qualified. A total of 626 names were, therefore, added to the voting list during the year.

For the Town Election held March 2, 1959, the Registrars were in session throughout the entire period during which the polls were open — 7:00 A.M. to 8:00 P.M. — after which they assisted in the tabulation of the returns of ballots cast until the results were announced at 12:30 A.M. on March 3. Mr. Daniel A. Purcell and Miss Ann Mahon were appointed by your Board to serve as Temporary Registrars of Voters to fill existing vacancies for that day.

Miss Ann Mahon became a member and Clerk of our Board this year by virtue of her election as Town Clerk, and Mr. Joseph H. Cormier was re-appointed as a Registrar of Voters by your Board for a term of three years. —

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented, a total of 2,522 notices — 72 less than in the preceding year — were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list for the reason that they had not been reported as residing in Arlington on January 1, 1959. Of this number, 1,195 proved residence and were reinstated.

As a result of the notices mailed, the names of 1,327 voters were removed from the list for varying reasons including removal from the Town, changes of name by marriage or court decree, and/or failure to comply with the notice. An additional 284 names of voters were dropped from the voting list because of death or other changes in voting status brought to the attention of our Board.

The total number of registered voters in each precinct, together with the number of enrolled Democrats and Republicans, upon completion of the revision of the voting list on July 1, 1959, was as follows:

Precinct	Total Voters	Total Democrats	Total Republicans.
1	1378	538	275
2	1907	753	380
3	1129	458	304
4	1801	595	413
5	2083	949	244
6	1410	333	578
7	1391	629	239
8	1646	365	724
9	2047	541	584
10A	769	197	235
10B	944	221	347
11	2373	738	521
12A	1340	359	415
12B	653	144	225
13	1834	575	482
14A	1166	391	324
14B	1499	388	382
	<hr/> 25370	<hr/> 8174	<hr/> 6672

During the year the information contained in the approximately 34,000 true listing slips, covering on residents of the Town on January 1, 1959, was transferred to their individual master cards which provide for a complete official record of residence for all persons twenty years of age or older from the time they first become residents of the Town of Arlington.

Respectfully submitted,

Timothy J. Buckley, Chairman

Joseph H. Cormier

Ann Mahon, Clerk

Majority of Registrars of Voters

Report of the Sealer of Weights and Measures

January 14, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I respectfully submit the Annual Report of the Sealer of Weights and Measures for the year ending December 31, 1959.

SCALES	Adjusted	Sealed	Condemned
Over 10,000 lbs.	0	2	0
100to 5,000 lbs.	8	47	2
Under 100 lbs.	4	192	8

WEIGHTS			
Avoirdupois	0	85	0
Apothecary	0	206	0
Capacity Measures	0	16	0

AUTOMATIC MEASURING DEVICE			
Vehicle Tanks	0	26	0
Taxi Meters	0	23	2
Yard Sticks	0	8	0
Bulk Storage	0	3	0
Gasoline Meters	14	125	2
Oil Meters	0	26	0
TOTAL	26	759	14

TRIAL WEIGHINGS AND INSPECTIONS

	Number Tested	Correct	Under	Over
Meats & Provisions	1,355	1,339	16	0
Fruits & Vegetables	978	925	53	0
Confectionery	188	188	0	0
Flour	52	52	0	0
Coffee	18	18	0	0
Butter & Cheese	205	205	0	0
Bread	86	86	0	0
Oil Jars	25	25	0	0
TOTAL	2,907	2,838	69	0

This Department has turned into the Town Treasurer the sum of Four Hundred Ten Dollars and Ninety Cents (410.90) which was collected as sealing fees.

Respectfully submitted,

JAMES J. DOLAN
Sealer of Weights and Measures

ANNUAL REPORT of the BOARD OF ASSESSORS for 1959

During the year, the Board of Assessors met every Monday evening, plus Special Meetings called by the Chairman, especially during July and August, when intermittent sessions were held.

Hearings were held with residents of the Town, on the subject of property valuations, personal and Motor excise taxes, relief to the aged, infirm or poor; veterans' exemptions and the like.

During the year members of the Board attended all conferences conducted by the State Department of Corporations and Taxation.

Members of the Board made weekly trips, "into the field", during the year to assess new property constructed within the Town, as well as alterations to existing property.

During the month of January, members of the Board made individual inspections throughout the Town and assessed personal property in the amount of \$4,847,950.

At the organizational meeting on the Monday following the Annual Town Election, the members, including Walter S. Cooledge Jr., Leonard D. Wood and William O. Hauser, met and elected unanimously Mr. Wood as Chairman, and Mr. Cooledge as Clerk for one year.

The number of bills processed by the office was over forty-five thousand (45,000) this year.

During the year, over 3,900 statutory applications for abatement and exemption, consisting of Motor Excise, Poll, Personal Property and Real Estate were processed by the Board, the greatest percentage of which were on the transfer of ownership of motor vehicles.

The following permits were received from the Building Department during the year:

New buildings	244	New garages	12
Add. & Alter	116	Signs	32
Re-roofs	21	Misc.	12
Demolish bldgs.	16		

Following is a comparison of exemptions granted on Real Estate as required by Law:

	1959	1958
Veterans (disability, etc.)	\$118,479.45	\$113,757.62
Widows	21,088.22	17,623.65
Inability to pay	2,029.10	2,484.66
Minors	296.00	284.80
Old Age	4,534.35	4,609.30
Blind	2,286.60	1,092.92
	<u>\$148,713.72</u>	<u>\$139,852.95</u>

The total amount of statutory exemptions granted in 1959 represents approximately \$1.78 on the Tax Rate.

New property was found and total valuation increased as follows:

January 1, 1955	\$2,103,350
January 1, 1956	1,612,850
January 1, 1957	1,400,000
January 1, 1958	1,553,500
January 1, 1959	1,347,500
January 1, 1960	1,750,000 (Est.)

The actual total increase in Real Estate value in 1959 over 1958 was \$1,347,500.

In conclusion, the Board of Assessors would like to stress again, that whereas the estimated total valuation for 1960 shows a slight increase, the over-all picture since 1955 has been and will be a steady decline in the amount of undeveloped land and areas in the Town and that, in the next years, the tax revenue from newly developed property will not offset the approximate \$3.00 increase in governmental costs and services which has taken place annually over the recent years.

After devoting 32 years of service to the Assessors Department our able and efficient Executive Secretary, Arthur F. Wells, retired from his position on the last day of the year.

During his long and faithful career in assisting the Board and in administering his varied and exacting departmental duties, he had gained an enviable reputation which commanded the highest respect from his associates and colleagues throughout the Commonwealth.

We shall miss his invaluable aid and advice and extend our best wishes for health, happiness and prosperity to him in his well earned retirement.

The Tax Rate figures, statistics and percentage of appropriations by Departments follows:

LEONARD D. WOOD, Chairman

WILLIAM O. HAUSER

WALTER S. COOLEDGE, Clerk

LEONARD D. WOOD	}	Board of Assessors
WILLIAM O. HAUSER		
WALTER S. COOLEDGE JR.		

Compiled by A. F. Wells, Exec. Secty., Board of Assessors, Oct. 2, 1959.

Report of the Finance Committee

There were two resignations during this year;

	Resigned	was appointed
Precinct 9.	John L. Murphy	John R. Carter
Precinct 12.	Russell T. Eckel	Charles W. Blackmon

Organization elections were held and officers elected as follows;

Kermit C. Streng, Chairman
 T. Richard Guinan, Vice Chairman
 Percival E. Richardson, Secretary
 William H. Farrow, Executive Secretary
 All by Unanimous vote.

The committee is as follows:

Precinct

1.	Edwin A. Barnard	61	Cleveland St.
2.	William H. Dunn	10	Varnum St.
3.	Daniel M. Hooley	268	Broadway
4.	Frederick S. Holway	17	Cheswick Rd.
5.	Philip D. Ahern	17	Beacon St.
6.	George K. Rugg	16	Spring St.
7.	Joseph A. Keefe	6	Mystic Lake Dr.
8.	T. Richard Guinan	15	Wildwood Ave.
9.	John R. Cotter	65	Columbia Rd.
10.	Robert G. Sisson	39	Highland Ave.
11.	Donald O. Johnston	8	Candia St.
12.	Charles W. Blackmon	15	Linden St.
13.	Percival E. Richardson	137	Newland Rd.
14.	Kermit C. Streng	67	Claremont Ave.
	Member at Large		
	J. Howard Hayes	115	Claremont Ave.

Chairman Streng appointed the following sub-Committees.

Sub Committee A. Budgets 1, 2, 3, 4, 7, 10, 11, 14, 18, 19, 20,
 21, 22, 23, 25, 30, 35, 42, 43, 44, 45,
 46, and 47.

Percival E. Richardson Chairman.
 Robert G. Sisson
 Charles W. Blackmon

Sub Committee B. Budgets 6, 8, 9, 13, 15, 16, 24, 26, 27, 28, 29,
 34, 39, 40, 41, 50, and 51.

Frederick S. Holway, Chairman.
 Daniel M. Hooley
 T. Richard Guinan

Sub Committee C. Budgets 12, 31, 32, 33, 33A, 49,
 Extension Water Mains
 Extension Sewer Mains
 Extension Storm Drains.

Sub Committee D. Budgets 5, 17, 36, 37, 38, and 48.

George K. Rugg, Chairman
 Edwin A. Barnard
 J. Howard Hayes
 Donald O. Johnston

Policy Committee.

T. Richard Guinan, Chairman
 Percival E. Richardson
 Frederick S. Holway
 Philip D. Ahern
 George K. Rugg

Personnel Committee

T. Richard Guinan, Chairman
 Donald O. Johnston
 Frederick S. Holway

The chairman of the Finance Committee is a member (ex-officio) of all sub committees.

The Finance Committee held 21 meetings of full committee.

The sub committees held 53 meetings.

Average attendance of full Finance Committee meetings was 13.

Status of Budget 47. Reserve fund is as follows.

Date	Transfers	Amount
6/15	To Budget 40	
	Parks & Playgrounds	\$3,282.00
6/15	To Article 74	
	Reservoir Beach	1,300.00

Secretary

Report of the Tree Warden Superintendent of the Moth and Town House Grounds Departments

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1959.

TREE DEPARTMENT

In the Spring of the year 325 trees were planted on new streets constructed by the Public Works Department and private contractors, also in various sections of the Town when requested by private individuals.

Public hearings were held for the removal of Town trees at #211 Park Avenue, #141 Hillside Avenue and #48 Lombard Terrace. As there were no objections the trees were removed at the expense of the petitioners.

The Boston Edison Company and New England Telephone and Telegraph Company contracted with the Eastern Tree Company to clear their utility wires of all tree branches. This work has been completed.

Trees were planted at the Parmenter, Hardy and Locke Schools in commemoration of Arbor Day.

Removed fifteen trees from Russell Common due to the construction of a new parking area.

Trees were pruned and removed by this Department for the Park, Cemetery, School and Public Works Departments at the request of the respective department heads. Twenty four tree stumps were removed from Mount Pleasant Cemetery.

Fourteen trees were removed from the banks of the Reservoir for the benefit of flood control.

Seven trees were removed from the banks of Mill Brook off Park Avenue at the request of the Public Works Department so heavy equipment could get in to clear the brook of debris.

We still receive many requests at the office during the year for trimming trees that are growing close to houses and overhanging roofs. A continuation of our program of raising up and trimming of trees to alleviate obstruction from high delivery trucks and buses traveling along our highways was continued.

Two Norway Maple trees and thirteen Spirea bushes were planted on the boundary line of Town property and that of Saint Agnes Church to replace trees taken down for construction of parking meters.

Many trees were removed at the request of the Public Works Department at the Town Yard which interfered with the erection of a Chain Link Fence.

Trees were trimmed and removed at the Reservoir and Summer Street dumps to make room for dumping.

Roots of trees were trimmed or removed at the request of the Public Works Department for sidewalk construction.

Forty nine large trees were taken down on Pleasant Street this year due to the widening of the street. Fifty 2" - 2½" Norway Maple trees were planted for replacements in the Fall of the year.

Christmas trees in all sections of the town were disposed of this year by Brush Chippers, thereby saving a considerable amount of money in extra truck hire.

The personnel of the Department assisted the Park Department clearing skating areas when requested and also assisted the Public Works Department plowing streets and snow removal.

MOTH DEPARTMENT

The regular spraying schedule of this Department was carried on as usual, including a dormant spray given to the Elm trees to combat the Scolytus Beetle which is the carrier of the Dutch Elm Disease. During the year Dutch Elm Disease samples were taken from nine trees on private property and when the laboratory tests were made known, the property owners were notified. Fifty one diseased trees on Public Ways and other Town properties were removed. There is no known cure for this disease outside of removing the trees and burning them up or burying them.

There was a very heavy infestation of Tent Caterpillars in the Morningside section, the Reservoir, Thorndike Street and Summer Street.

We had a few calls on Japanese Beetles this year but nothing compared to previous years. If the trend keeps up we might have seen the worst of this infestation. As this Beetle originates in the turf, I would advise all property owners to treat their lawns with either D.D.T. or Chlordane.

The infestation of European Earwigs was about the same as in previous years, except in East Arlington where there was a slight increase.

All of the trees on our main streets and many side streets had to be sprayed in the early morning hours due to heavy traffic conditions during the middle of the day.

There were 896 private estates sprayed at the request of property owners, who in turn made a remittance to the Town for the cost of the work. Both Housing projects were sprayed for Japanese Beetles.

Menotomy Rocks Park was sprayed by Helicopter this year and very favorable results obtained from it.

There were nine complaints received at the office in regards to Poison Ivy. All locations were treated to the satisfaction of the complainants.

Numerous calls were also received regarding Bees' Nests and Hornets' Nests. If it was at all possible they were taken care of. Many calls were received about squirrels jumping from trees on to houses. In all cases the branches of the trees were cut back to alleviate the condition.

The sand at Reservoir Beach was sprayed on two different occasions for the control of Ants.

TOWN HOUSE GROUNDS DEPARTMENT

As has been the custom in past years, the personnel of the Tree and Moth Departments maintain the grounds bordering the Town Hall and Robbins House. These men also take care of the lawn and hedges at the Police Station and the grass areas adjoining the parking lot on Mystic Street.

The pool located on the Town House Grounds was given two coats of waterproof Turquoise Blue Silasheene Paint during the summer.

The Chain Link Fence in the rear of the Town Hall was painted with aluminum paint this year, also the fence between the Robbins House and the Telephone Building on Maple Street.

The Flagpole on the Town House Grounds was given two coats of paint and a new Halyard rope was installed.

The Patriot's Day celebration this year was cancelled due to inclement weather and all festivities were held inside the Town Hall.

A watchman was employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays. He also checked the Robbins Library doors and windows on weekends.

The regular maintenance of the grounds was attended to as usual. The lawns were all top dressed, seeded and fertilized.

Due to the severe winter of 1958-1959 many plants were winter killed and will have to be replaced.

Snow removal from the front platform of the Town Hall, the walks through the grounds, also the parking area in the rear of the building and at the rear of the Robbins House was taken care of as usual.

In conclusion, I wish to gratefully acknowledge the co-operation given me by you and your staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

GEORGE M. DOLAN

Tree Warden and Superintendent
of Moth and Town House Grounds
Departments

Annual Report of the Park Commission

January 11, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Board of Park Commissioners herewith submits its Annual Report for the year ending December 31, 1959.

MAINTENANCE

Warren A. Peirce Field:

300 lineal feet of electrical conduit was installed to supply electricity for lights and public address system at football games and other public functions.

Resurfaced and reseeded gridiron.

A flash storm causing Mill Brook to overflow raised havoc with the cinder track two days before the 1959 Graduation Day Exercises were to be held. Track and baseball field were resurfaced with loam and cinders at a cost of \$1,500.

Painted 42,000 sq. ft. of chain link fence.

Regraded Little League and softball diamonds.

Spy Pond Field:

Repaired and painted grandstand.

Painted interior of boys' locker room.

Replaced broken drinking fountains.

Florence Avenue:

Installed new slide.

Painted 1,500 sq. ft. of chain link fence.

Robbins Farm:

Erected 450 feet of chain link fence on easterly side of playground.

Replaced broken 12 ft. slide with a new 10 ft. high and 16 ft. long slide.

Menotomy Rocks Park:

Replaced old water line and two drinking fountains. Water line has been extended to picnic area where a drinking fountain was badly needed.

Over two hundred permits were issued to families and organization groups for use of picnic grounds

Bishop School:

470 feet of 3 ft. chain link fence erected.

Ethel Wellington:

Repaired jungle gym.

Reservoir Field:

Replaced sixteen floodlights for the second year which were damaged by vandals, Cost \$503.00.

Installed 300 feet of chain link fence along railroad tracks.

Installed 30' x 18' chain link backstop for Little League baseball.

Replaced old cement lined water line with new copper tubing.

Meadow Brook Park:

Extended roadway 200 feet along the brook with surplus fill. This retaining wall is used to safeguard young children from falling into brook and to prevent hockey pucks from entering open water during skating season.

100 lbs of C.M.U. chemical was again sprayed on the weeds so that this area could be used for ice skating. Use of this chemical saves many hours of labor.

Thorndike Street:

One 30' x 18' chain link backstop was installed for Little League and softball.

Reservoir Beach:

Fill from old Russell School was used to extend the beach another 200 feet; area of beach was practically doubled.

Attendance at beach doubled with an average attendance of 600 per day. Approximately 2,000 used the beach for several days with a record crowd of 2,200 on the warmest day of the year.

Installed asphalt ramps to entrance of parking lot and beach area.

1,500 tons of sand was dumped on to beach area.

89 drums of H.T.H. was added to purify water for swimming.

North Union:

Repaired roof drain.

Replaced brick wall at entrance to building which had been destroyed by vandals.

General Maintenance:

Our men made up 12 picnic tables, 20 Nok Hockey games, 4 stands for archery targets and 4 ticket lanes, in addition to their regular maintenance work such as preparing and marking baseball softball and football fields, removing snow and flooding skating areas, and maintaining the many beautiful flower plots throughout the town on Medford Street, Chestnut Street, Warren Street, Thomas J. Robinson Rock, Jason Street, Menotomy Rocks Park, Ridge Street, Forest Street and the Standpipe. 7,500 tulip bulbs are planted annually in these beds.

RECREATION

Sixty-three days of skating was enjoyed at Hills Pond and Meadow Brook Park, natural areas; as well as on flooded areas at Ethel Wellington tennis courts, North Union Street wading pool, and basketball courts at Waldo Road, Parallel Street and Robbins Farm. This was an exceptional year for skating as ten days has been the average for many years.

The tenth annual golf clinic starting January 4, 1959 was held at Jr. High East with John Thoren, golf professional at Myopia Country Club, instructing. This six weeks course was held on Tuesday and Wednesday evenings with three one hour lessons on each night. 140 registered for the course.

The Town Bowling League opened its eleventh year at the Arlington Recreation Alleys with sixteen teams again competing for the Town Championship. Eight teams bowled on Tuesday evening and eight teams on Thursday evening for 22 weeks. The annual banquet was held at Legion Hall with 150 in attendance. Town officials presented awards to team and individual winners; over \$850 in prizes were awarded through funds contributed by contestants.

Six teams competed in the Adult Basketball League. This league was composed of young men out of high school and college.

Eight teams registered for the High School Basketball League. This league was for boys of high school age that did not play on a high school varsity team. Trophies were awarded the winning team at the end of the season.

One of our most popular programs had a successful season with twenty-two teams competing in two softball leagues; ten teams were in Class A and twelve teams in Class B. Five games were played every evening Monday through Thursday at North Union Street, Thorndike, Florence Avenue, Robbins Farm and Reservoir Field. All games played at Reservoir Field were under lights. The Jokers, winner of Class A, defeated the Chinese Bandits, champions of Class B, for the Town Championship. A banquet was held at Legion Hall late in October with 146 attending and suitable awards were presented the winners of each league.

Archery for junior high school boys and girls was held at Spy Pond Field on Wednesday and Friday afternoons. Some twenty-four youngsters enjoyed this sport which is gaining in popularity each year.

Ballroom dancing lessons were held at Junior High East for 55 boys and girls. This ten weeks course was held in the school gymnasium on Tuesday afternoons. On the final day each student was allowed to invite a friend, the hall was set up in cafe style, and dancing and refreshments enjoyed.

Arts and Crafts classes for 5th and 6th grade girls were held on Saturday mornings at the Dallin, Peirce, Bishop, Thompson and Hardy School playrooms, and at the girls' gymnasium in the high school. Youngsters participated in games, dancing, roller skating and ice skating parties. Making figures for nativity scenes was a very popular craft.

The Little League program was coordinated by this department and assistance given the league in promoting its annual tournament for this district. There are three leagues plus a minor league which was organized this year with the understanding that boys in this league will be promoted the following year. We supplied equipment for this league and gave assistance when needed.

This department also assisted the Cub Scouts in its baseball program by making out schedules and assigning fields to the twelve teams participating. Games were played on Tuesday and Thursday evenings during the month of May at Robbins, Brackett, Cemetery Street and Bishop School.

Permits for fields were issued for daily play to eighty organized baseball and softball teams during the spring and summer months.

Tennis instruction for junior high school girls was given on Tuesday and Thursday afternoons at Spy Pond, Ethel Wellington and Crosby School courts during the spring, summer and fall.

Due to inclement weather, Reservoir Beach did not open until June 19, 1959. Because of the daily application of H.T.H. formula swimming conditions were excellent, and we had an average daily attendance of 600 with crowds of 1,500 to 2,000 on hot days. Eight lifeguards supervised the beach and gave swimming lessons daily at 11:00 A.M. and 2:00 P.M. Beach closed on September 5, 1959.

Our annual summer playground program opened on June 24 with a two days training institute for recreation leaders at the high school. The Community Recreation Association of Boston conducted these sessions on playground discipline, arts and crafts, and active and quiet games. Inexperienced leaders received valuable information and were equipped to work with the children during the summer months. This year a supervisor of archery and softball for girls was engaged because of interest in these sports. Boys in the Midgets, Juniors and Senior leagues played many exciting games of baseball.

Highlights of the season: 500 boys and girls attended the Red Sox vs White Sox baseball game as guests of the Boston Red Sox; 225 boys and girls attended the Red Sox vs Detroit Tigers game as the guests of the Workingmen's Cooperative Bank of Boston and Curt Gowdy, announcer of all local Red Sox games; 220 youngsters, under eight years of age, attended the Tufts University Magic Theater to see the stage play "Wizard of Oz" played by children of their own age.

The Annual Weenie Roast was held at Menotomy Rocks Park. Over 1,500 children were present with hundreds of parents witnessing the affair. 1,800 bottles of Coca Cola, hot dogs and ice cream bars, were distributed to the children through the courtesy of the Arlington Boys' Club Associates. In conjunction with this affair, an amateur show of 16 acts was held with playground children furnishing the talent.

The Annual Field Day on August 19 witnessed by some 5,000 persons brought to a close the summer playground season. These activities were jointly sponsored by the Arlington Lodge of Elks, American Legion, Post No. 39, and the Boys' Club Associates. A parade led by St. Agnes Junior C.Y.O. Band started at Robbins Mem-

orial Library, marched up Massachusetts Avenue to Mill Street and then to Warren A. Peirce Field. Children in colorful costumes paraded, others helped draw their playground floats, while others marched by with their decorated doll carriages and bicycles, to the music of the Holy Trinity Band of Boston. Sixteen playgrounds were represented. Appropriate awards were presented by Town Manager Edward C. Monahan, Daniel J. Buckley, member of the Board of Selectmen, and J. Fred McGann, Chairman of the Board of Park Commissioners for winning floats, crazy hats, doll carriages, bicycles, ping pong, baseball, tennis, archery, track and field events, and winners in the watermelon contest. This was the first year we presented a talent program before the presentation of awards.

A program which continues to be very popular is the dance for junior high school boys and girls held every Friday evening at the Town Hall. Approximately 325 attend these weekly dances.

The Pee Wee Hockey program was held on Saturday mornings, 7:00 to 9:00 A.M. at the M.D.C. Rink on Route 2, with 125 boys participating. An eight team league was formed. After several weeks of practice, a schedule of games was played with each team playing a round robin series and the team winning the most games declared the champion.

The Golden Age Club meets semi-monthly at Robbins Junior Library with an average attendance of 110. Any person 65 years of age or over is eligible and there are no dues. Members of the club attended five baseball games as guests of the Boston Red Sox; "Porgy and Bess" and a cinerama at Boston theaters; and approximately eighty were luncheon guests of the Danvers Golden Age Club and visited historical places in the town.

The Golden Age Sewing Group, under the chairmanship of Mrs. Flora J. MacKenzie, met every Thursday morning at the Old Town Hall. This year they completed 150 articles of children's clothing which were distributed to the Fernald School, Home of Little Wanderers, and to Arlington children.

The Board wishes to express its sincere appreciation to the Town Manager, to department heads and officials, and to its loyal employees, for their assistance and co-operation.

Very truly yours,

J. FRED MCGANN, Chairman
FRANK J. HUGHES
EDWARD D. BUCKLEY

Report of the Supervisor of Maintenance

January 14, 1960

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1959.

Specifications for various types of repairs, alterations, and replacements to various Town Owned Buildings for contract work, including fuel, etc., were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department during the past year:

SENIOR HIGH SCHOOL

Repaired leaks in roof areas over rooms #18 and #81.

In the "A" section of the building alterations were made to the large heating fan #1 in the stack room. The controls for this fan were also overhauled and replacements made where needed.

Converted Room #75 into two classrooms, now known as Rooms #88 and #89. The work included adding additional Fluorescent Light Fixtures, the installation of a partition and painting the entire areas; also, the resurfacing of the maple floors in both rooms. Converted the previous Guidance Office into a classroom. The work included the removing of a partition, installation of additional light fixtures, chalk and bulletin boards, repairing of the floor and painting the entire area. Part of this work was done by the Building Maintenance Department.

Reconditioned the entire Room #29. Work included the installation of slate chalk boards, the reconstruction of a large platform, repairing the tile floor and painting the entire area. This work was done by the Building Maintenance Department.

Remodeled Chemistry Laboratory Room #33. The work included new plumbing, new electrical work, painting the entire area, repairing the asphalt tile flooring, new slate chalk boards and the installation of new modern Laboratory table units. Part of this work was done by the Building Maintenance Department.

Converted the basement room in the "A" section of the building previously used as a Machine Shop into a Gym Locker Room for Girls. The work included rewiring, repairing of the floor and painting the entire area; repaired and installed lockers in the same area. Painting, etc. done by the Building Maintenance Department.

Installed Formica tops on (17) tables for the Home Economics Rooms.

Converted office area Room #54, used by the Home Economics Supervisor, into a classroom. Work included the removing of a partition, installation of additional lighting and painting the areas.

Replaced cracked and loose asphalt floor tile in various sections of the "A" building.

Converted the former Radio Shop into a General Work Shop. Work included rewiring the area for equipment, installing additional lighting, installation of controls on the heating system, installation of a vent fan, repairing the tile floor where equipment was removed and painting the entire area. Painting, etc. was done by the Building Maintenance Department.

Removed and replaced loose plaster in various sections of the "A" Building.

Replaced convector unit in unit heater in Room #57.

Overhauled and made replacements to the large sump pump in the Auto Shop.

Replaced (24) window shades throughout the building.

Repainted Room #58 and resurfaced maple floor in this room.

Installed 25 Lin. ft. of slate chalk board in Room #68.

JUNIOR HIGH EAST

Located and repaired leaks in the roof area over the Auditorium and Gymnasium. Repointed and waterproofed sections of the masonry at the front entrance to the Auditorium.

Reconditioned large vent fan motor for the Boys' Sanitariums.

Replaced (2) awnings on windows of the Office area.

JUNIOR HIGH WEST SCHOOL

Removed and replaced approximately 490 sq. ft. of ceramic tile wall area that became loose and dangerous in the Boys' Locker Room.

Installed Fluorescent Light Fixtures in Rooms #22-23-25-28 and 30.

Installed acoustical tile ceilings in Rooms #30-31-22-23-29 and repainted the rooms.

Made repairs to the chain link fence surrounding the playground and painted the entire fence.

Installed new potato-peeling machine in the kitchen of the Cafeteria.

Installed a new electric range in the cooking room.

Repointed and waterproofed sections of the exterior walls.

JUNIOR HIGH INDUSTRIAL ARTS SCHOOL

Made repairs to the exterior wood trim and painted the entire exterior of the building.

Wired and installed a new kiln in Room #11.

Installed weather stripping on windows in second floor office and Room #6.

Installed a large metal sign with the School name over the front entrance door.

Made repairs and replacements to wood-trim finish and windows and painted the entire exterior of the building.

CUTTER SCHOOL

Remodeled basement room B-17 to be used for kindergarten classes. The work included rewiring and the installation of Fluorescent Light Fixtures, new chalk and bulletin boards, construction of cabinets, new asphalt tile flooring over underlayment, installation of a unit heater, and painting the entire area. A great amount of this work was done by the Building Maintenance Department.

Made general repairs and replacements to the Intercome System.

Installed an acoustical ceiling in Room B-18.

LOCKE SCHOOL

Made general repairs to both steam boilers and replaced 3½" relief valve on Boiler #1. Made repairs and replacements to vent fan for sanitariums.

Repaired leaks in the roof area over the Office and installed a new section of a copper valley.

HARDY SCHOOL

Replaced bearings in oil burner on Boiler #1 and control panel on Boiler #2.

Converted basement room into a classroom. Work included wiring and installation of Fluorescent Light Fixtures, installation of unit heater and vent fan unit, installation of pneumatic controls for heat and vent units, new chalk and bulletin boards, and painting the entire area. Part of this work was done by the Building Maintenance Department.

Installed wire grilles on two windows in Room B-1.

Repointed and waterproofed sections of the exterior masonry on the building.

THOMPSON SCHOOL

Removed and reset loose brickwork at the corners of the building and repaired leaks in the roof area of the connecting unit.

Replaced filters in all unit heaters throughout the building.

Repaired leaks in (37) lock nut nipples on drums on the Steam Boilers #1 and #2.

Covered the (2) Steam Boilers and breeching with 8-oz. canvas and painted the same after installation of the canvas.

BISHOP SCHOOL

Repaired leaks in the gutters on the Crosby Street side of the building.

Made repairs and replacements to the Intercome System Console.

Replaced filters on all Unit Heaters.

PEIRCE SCHOOL

Installed a complete Centralized Sound System throughout the entire building.

BRACKETT SCHOOL

Painted the entire interior of the Auditorium, Rooms #25, #26, Boys' and Girls' Sanitariums, Office and toilet room and the 2nd floor corridor. Work done by the Building Maintenance Department.

Installed additional Emergency Lighting for the Auditorium Exits.

Replaced (4) large window shades in the Auditorium and repaired (10) others in same area.

PARMENTER SCHOOL

Converted Multipurpose Room into two classrooms. Work included alterations to the heating system, installation of additional Fluorescent Lighting, construction of a new partition, installation of additional chalk and bulletin boards and shelving, and painting the entire area.

Cleaned and repaired gutters, replaced missing slate and repaired gravel roof deck.

Rebuilt vent fan motor for sanitariums.

23 MAPLE STREET

The Building Maintenance Department prepared the exterior of the building for painting. The work included a new rear porch floor, repaired the front porch floor, replaced clapboards in various sections of the building, replaced conductor pipes and removed a section of the brick chimney. The entire exterior of the building was painted by contract after the above work was completed.

Reconditioned the Superintendent of Schools Office. Work included the installation of an acoustical tile ceiling, wiring and installing new Fluorescent Light Fixtures, cutting new entrance door through closet and other related work, and repainted the entire room. Painting and carpenter work was done by the Building Maintenance Department.

Reconditioned Clerks' Office on the first floor. Work included rewiring and installing new Fluorescent Light Fixtures, installation of an acoustical ceiling and repainting the entire area. Painting of this area and the Assistant Superintendent of Schools Office was done by the Building Maintenance Department.

ROBBINS TOWN HALL

During the year made various types of repairs to the roof areas such as replacing cracked slate, installation of new copper crickets, repairing skylights and clearing stoppages in conductors.

Relocated partition in Public Works Office to provide more space for Clerks' work area.

Installed (2) new Steam Boilers in the Boiler Room and did other related work to the heating system.

Replaced worn hot water tank with tankless hot water heaters on both Boilers.

Replaced an 18' section of the boiler flue stack which was badly corroded.

Repaired and recaned 132 Auditorium chair seats and backs. The removing and replacing of the seats and backs was done by the Building Maintenance Department.

The previous Sealer of Weights Office was renovated by the Public Works Department employees. The work included carpenter work and the painting of the entire area, including the stairway entrance to the room.

Installed new angle iron supports on steam return trench covers in the Boiler Room.

Installed new galvanized sink and a 30" x 17" vent duct in the Boiler Room.

Replaced leaking radiator in the front lobby.

Installed additional lighting and recepticals in the Boiler Room.

ROBBINS COTTAGE, GARAGE & HOUSE

Made general repairs and replacements to the exterior of the cottage and garage and painted the entire areas. The Building Maintenance Department did all carpenter work and the painting was done by contract.

Replaced the indirect hot water heater on the Steam Boiler.

Replaced (17) window shades and several screens throughout the cottage.

Replaced worn bulkhead at the rear of the Robbins House. Work done by the Building Maintenance Department.

MENOTOMY HALL

Made repairs and replacements to the Steam Boiler.

D.A.V. HEADQUARTERS

Made repairs to the parapet wall and repointed and waterproofed the masonry where necessary.

ROBBINS LIBRARY

Rewired and installed new Fluorescent Light Fixtures in the Children's Library area.

Installed new circuit blocks on main control panel for Children's Library lighting circuits.

Corrected a Termite condition that developed in the basement area of the Library addition. This work required the replacement of several sections of the wood finish which was done by the Building Maintenance Department.

ARLINGTON POLICE STATION

Installed new tile flooring in various areas on the first floor.

VARIOUS SCHOOLS, ETC.

Repaired and painted (13) exterior flag poles.

Converted the existing manual interior fire alarm systems to an automatic call system in various schools not previously connected with the Fire Department in order to provide immediate contact with the Fire Department when an inside fire alarm station is activated.

During the year, 959 lights of glass were replaced by the Building Maintenance Department in the windows of the various schools and three other Town Owned Buildings at a cost of \$3,359.51.

All heating boilers, hot water tanks and air compressors in Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

In addition to the above work several hundred work and repair orders were issued to the Building Maintenance Department workers and contractors for various types of work such as, plumbing, heating, painting, electrical work, roof work, boiler repairs, carpenter work, furniture repairs, window shades and venetian blind repairs and replacements, glass replacement, etc. The cost of these jobs varied from \$3.00 and \$180.00 each.

I wish to express my appreciation to you and to the officials and employees of this Department and all other Town Departments and Town Officials for their cooperation during the past year.

Respectfully submitted,

GEORGE H. GREIM
Supervisor of Custodians
& Maintenance

Annual Report of Inspector of Animals

January 4, 1960

Subject: Annual Report of Inspector of Animals

To: Town Manager

1. A total of 181 animals in Arlington were examined and quarantined for biting persons during the past year.
2. There were no cases of rabies in Arlington in 1959.
3. The heads of two cats were sent to the Wasserman Laboratory to be examined for rabies.
4. The Inspector of Animals wishes to express his appreciation to the Police Department and the Board of Health for their cooperation.

Respectfully submitted,

JOHN J. MURPHY, JR., D.V.M.

Report of the Arlington Development Commission

January 15, 1960

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

During the first three months of 1959, the Development Commission was busy working on proposed plans for the redevelopment of Arlington Center. The Commission worked with the consulting engineers in developing plans and cost estimates which were presented to and approved by the 1959 Annual Town Meeting.

During the month preceding the Town Meeting, the Development Commission conducted a series of briefing sessions for Town Meeting Members so that they would have an opportunity to become acquainted with the details of the project in small and informal groups and have a chance to ask questions of Town officials and the engineering consultants.

Since March we have maintained our interest in the Center project which, of course, is the primary responsibility of the Board of Selectmen. We have met with certain of the property owners and with representatives of the Chamber of Commerce in the hope that business activity in the Center would be stimulated at the earliest possible time. Because of the disruption in traffic which results when a street is relocated, property owners and prospective tenants are apparently reluctant to commit themselves to substantial investments until the work is actually underway and a completion date is known. Since you have informed us that it is your estimate that the relocation of Mystic Street will be accomplished in the late summer or fall of 1960, we do not feel that it is realistic to expect any substantial changes in the business district until that time.

We wish to officially point out to you two developments which we consider extremely promising. The opening of Mason's Department Store in August 1959 was a welcome addition to the business center and should serve to encourage other new investment in the area. The Chamber of Commerce has taken definite steps to provide leadership for the business interests in the Town. They have had the services of a professional consultant in developing a new program which has already more than doubled their membership and has increased their budget many, many times what it has been in the past. At the present time they are seeking an Executive Secretary.

Since the formation of the Development Commission in 1957 we have from time to time been in contact with the Star Market Company with regard to their property on Route 2. Until about a year ago the Company has maintained that it could not proceed with its shopping center until the exact location of a widened Route 2 was known. In February of 1959 we were informed that they planned to

proceed with the shopping center without waiting for a decision on Route 2. However, there was no activity on the development of the area until the last few weeks. There appear to be many problems involved, including a possible M.T.A. extension into the general area where the Star Market property is located, a possible widening of Route 2 and the construction of access roads to it. The company has also informed us that a drainage problem has to be solved before the area can be used at its maximum potential.

Engineering plans and cost estimates for the Center project were prepared by Bruce Campbell & Associates for an agreed fee of \$5,000 of which \$2,000 was paid in 1958 and the balance of \$3,000 in 1959. These funds were appropriated by the Special Town Meeting in November of 1957 to be expended under the direction of the Development Commission and the Town Manager.

Disbursements for operating expenses of the Development Commission during 1959 amounted to \$168.29, leaving an unexpended balance of \$371.90 from the original appropriation of \$1,000 which was voted by the 1957 Annual Town Meeting at the time the Commission was created. The 1959 expenditures are as follows:

Stenographic work and postage	\$48.75
Reports to Town Meeting Members	55.78
Traffic count in Arlington Center	47.76
Post Office Box Rental	12.00
Janitor Service	4.00
	<hr/>
	\$168.29

The Development Commission will continue its interest in Arlington Center and the Star Market property as well as other areas where we can be of assistance in promoting and stimulating business development and improvement in the Town.

Respectfully submitted,

Arlington Development Commission

Annual Report of the Department of Civil Defense

January 12, 1960

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Mr. Monahan:

In accordance with the By-Laws of the Town, I submit herewith the tenth annual report of the Department of Civil Defense.

The Office of Civil Defense was moved from the Old Town Hall and the Police Station to the basement of the Robbins Memorial Town Hall in order to have a more efficient working unit in a time of emergency. The majority of departments have their offices in the Town Hall so it seems that this is the logical place for a Control Center. This will eliminate duplication of manpower in case of an emergency.

AUXILIARY FIRE DEPT.

Arlington Auxiliary Firefighters were on duty during some part of the day, on 312 days, for a total of some 3300 man hours. Men on regular duty nights or other assignments have responded to alarms with the members of the regular department on 48 occasions. On at least 50 other occasions Auxiliary have responded voluntarily to alarms. A drill school conducted from April 21st through June 23rd on Tuesday nights trained 8 men for the department. This course was taught by Deputy Proctor, the Fire Coordinator. At the present time there are 41 active and 13 inactive Auxiliary Firefighters.

AUXILIARY POLICE DEPT.

The Auxiliary Police spent 2609 man hours on duty. They were as follows:

School Guard Duty	528 hours
Friday Night Dance Duty	325 hours
Friday Night Traffic Duty	212 hours
Sunday Traffic Duty	1200 hours
Duty at A.Y.A. Baseball Games	75 hours
Patriots Day Duty	45 hours
Memorial Day Street Duty	45 hours
March of Dimes Duty	40 hours
Jimmy Fund Campaign Duty	27 hours
Police Duty during Regular	
Police Banquet	12 hours
Halloween Duty	100 hours
TOTAL	2609 hours

This does not include time spent attending meetings, time spent on paper work or supervision.

RADIOLOGICAL

A ten weeks course of three hours a week was offered by the Massachusetts Civil Defense Agency. This course was held at Newton Civil Defense Headquarters. Six Arlington science teachers completed the course and received their certificates as qualified radiological instructors. As a result Arlington is fortunate to have six qualified men to form a radiological team to monitor any type of radiation.

COMMUNICATIONS

Radio civil defense volunteers who are amateur operators with mobile radio transmitters and receivers in their automobiles have responded to every request of the Civil Defense Director. Monthly Sector meetings are held and on Halloween operators were on duty throughout the evening.

SURPLUS PROPERTY

During the year the following amount of surplus property was purchased.

Our Cost	Government Cost
\$660.81	\$15,568.25

MATCHING FUNDS

Two Gonset Communicators, combined transmitters and receivers, were purchased under the matching funds program.

Total Cost	Government Payed	Cost to Town
\$659.00	\$329.50	\$329.50

To all volunteers in Civil Defense without whose assistance the job would be impossible, please except my sincere thanks. To the Town Manager and all Departments of the Town for their cooperation throughout the year I am deeply grateful.

Respectfully submitted,

JOHN P. DEMPSEY

Director of Civil Defense

Report of the Inspector of Buildings

January 7, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit Annual Report of the Inspection of Building, Plumbing and Gas for the year ending December 31, 1959.

* On Order

I wish to express my thanks to you and the various departments of the Town for the cooperation and courtesy extended to me during the year.

Respectfully submitted,

R. L. REID

Inspector of Wires

Annual Report of the Department of Veterans' Services

The Honorable Town Manager
Robbins Town Hall
Arlington, Mass.

Dear Sir:—

Submitted herewith is the fifteenth annual report of the Department of Veterans' Services covering the calendar year 1959. Massachusetts laws make it mandatory that financial aid be furnished to needy veterans and their dependents in a special way apart from other public aid programs and that there be made available to all veterans and their kin such advice, information and assistance as may be necessary to enable them to procure the benefits to which they may be entitled relative to employment, vocational or other opportunities, hospitalization, medical care, pensions, compensation, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of this report deals with the services provided and the second section with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photocopies made	2723
Documents notarized	94
Discharges recorded in the Town archives	5
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their dependents and survivors and processing applications for all types of benefits	1562
Visits to hospitals, homes and other places	671
Letters, history entries and records	1492
Veterans Administration forms completed	447
Veterans administration claims handled	112
Total for year 1959	7106
Total of cash benefits accruing to Arlington claimants from the Veterans Administration through the efforts of this department	\$21,531.64
Estimated total of money saved the Town by reason of successful prosecution at the Veterans Administration of claims of persons who had applied for financial aid	8,341.70

VETERANS' BENEFITS AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:—

Contacts (Visits, interviews, etc.)	1820
Applications, history entries, records and letters	2046
Cases on rolls	
(a) Settled in Arlington	91
(b) Settled in another town	1
(c) State settled	0
Applications and re-applications received	182
Applications and re-applications accepted	45
Applications and re-applications rejected	17
Applications referred to other communities	10
Applications pending	2
Refund cases	6

A tabulation of actual disbursements made to needy applicants for aid during the year 1959 follows:—

VETERANS' BENEFITS

State participation 50% of all authorized payments	\$46,270.73
--	-------------

BURIAL AID

Chapter 115, General Laws of Mass. (Needy cases) State participation 50% in all Arlington settled cases and 100% in all other cases	213.00
Chapter 573, Acts of 1946, as amended. (Reimbursement of Legion, V.F.W., etc., for expenses incurred in providing military honors at burial of repatriated war dead)	0.00
Total Disbursements	\$46,483.73

REIMBURSEMENTS AND REFUNDS

Reimbursement by the State is now thirteen months in arrears. The Town Collector and Treasurer received from the State Treasurer in 1959 the amounts due for the months February through November, 1958, as follows:
\$19,709.90

Refunds from beneficiaries and returned checks	568.22
Total	\$20,278.12
Net Town expenditure for aid to needy veterans & dependents	\$26,205.61
	=====

In 1959 there was a drop in the number of applications for aid and in the amount expended for aid. No adequate explanation for the drop in the number of applications for aid has been produced but it is fair to assume that the smaller expenditure for aid results from increases in the amounts of weekly benefits being paid to persons receiving Workmens Compensation and Unemployment Compensation, increased Social Security benefits and the more liberal sick and hospital benefits now being paid. The impact of the so-called "Fringe Benefits" now being enjoyed by wage earners is commencing to be felt. As in past years, applicants for aid are required to apply for any and all benefits to which they may be entitled from government agencies, union locals and private charitable organizations. As this department receives no direct Federal aid, any benefits received by persons on the aid rolls lessens the burden on the Town.

In conclusion we wish to gratefully acknowledge the help and cooperation provided by the Town Manager, the Board of Selectmen and the Personnel Board and their staffs and to express our appreciation of the fine work of the department employees.

Respectfully submitted,

CHARLES R. ARMOUR, Director

Report of the Board of Appeals

January 15, 1960

To the Honorable
Board of Selectmen
Town of Arlington, Mass.

Gentlemen:

Submitted herewith is the Annual Report of the Board of Appeals for the calendar year ending December 31, 1959.

The Zoning Board of Appeals heard a total of forty-two cases during the year, the disposition of which was as follows:

Variances granted	33
Variances granted with restrictions	3
Variances denied or dismissed	4
Appeals withdrawn	1
Cases under advisement	1
Total	<u>42</u>

The Building Board of Appeals heard a total of eight appeals, of which five were granted and three denied.

In December, Mr. Robert W. Blaisdell, who has served on both Boards for the past thirteen years, submitted his resignation which was to be effective January 2, 1960. His valued experience and counsel will be sorely missed. His contribution to the welfare of the Town by his service has indeed been a great one.

Respectfully submitted,

DANIEL A. HEALY, JR.
Chairman Building Board of Appeals

PHILIBERT L. PELLEGRINI
Chairman Zoning Board of Appeals

Report of the Dog Officer

January 8, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1959 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me are as follows:

Dogs impounded	358
Unlicensed dogs impounded and delivered to owners	61
Licensed dogs returned via telephone	234
Licensed dogs returned by car	61
Unlicensed dogs impounded and turned over to the Animal Rescue League when owner could not be located	248
Dogs destroyed at pound	12
Dog owners contacted on Warrant	1250
Dogs caused to be licensed	1140
Dogs licensed	2091
Complaints received at my office and investigated	45

Complaints registered with me to remove dead or mutilated animals from the highways are as follows:

Dogs	69	Pigeons	20
Cats	182	Raccoon	1
Skunks	23	Rats	14
Squirrels	69	Rabbits	8

At this time I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of the many controversies arising between the dog owners and complainants.

I would also like to take this opportunity to thank Police Chief Ryan, his department and the office of the Town Clerk for the splendid co-operation given me through the past year.

In conclusion, I gratefully acknowledge the prompt attention given by the dog owners of Arlington to the licensing of their dogs this year.

Respectfully submitted,

SAMUEL F. FEMIA
Dog Officer, Town of Arlington

Annual Report of the Arlington Housing Authority

Submitted herewith is the Annual Report of the Arlington Housing Authority for the year ending December 31, 1959.

At the Annual Town election in March, Mr. James A. Coffey was reelected to the Authority for a term of five years. The Authority organized for the year at its Annual Meeting held on March 10, 1959, at which time Mr. Joseph S. Vahey was elected Chairman; Mr. John P. Kedian, Vice-Chairman; Mr. Myron D. Chace, Treasurer; Mr. Edward J. Doherty, Assistant Treasurer.

Throughout the year the Housing Authority met regularly on Monday evenings and also at many Special Meetings, called at various times. These meetings were concerned with the management of the presently existing Veterans' Project, as well as the preparation for and the actual start of construction on a Housing Project for Elderly Persons.

Bids for this Housing Project for Elderly Persons were opened in July and the General Contract was awarded to the Roberto Construction Company of Wakefield, the low bidder. Work commenced in September and has progressed very satisfactorily. It is anticipated that the actual occupancy of this Project will be accomplished early in 1960.

The Arlington Housing Authority will request permission of the Town at the Annual Town Meeting of 1960 to proceed with the planning and development of additional units to house Elderly Persons.

A voluntary payment of \$6336 was made in 1959 to the Town, by the Housing Authority, this being the largest amount permitted by law for such a payment.

The Authority wishes to express its appreciation to all Officials, Boards, and Town departments for their cooperation throughout the year.

Respectfully submitted,

Arlington Housing Authority

JOSEPH S. VAHEY, Chairman
JOHN P. KEDIAN, Vice chairman
MYRON D. CHACE, Treas.
EDWARD J. DOHERTY, Asst. Treas.
JAMES A. COFFEY

Report of the Cemetery Department

January 14, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Cemetery Commissioners herewith submit their report for the year ending December 31, 1959.

In January 1959, Mr. T. Gordon Smith was appointed Cemetery Commissioner for a three year term to fill the vacancy created by the expiration of the term of Mr. John R. Keefe.

The Board organized with Mr. John H. Callahan as chairman for another year.

Work is being continued on the westerly side of Mill Brook. One hundred thirty-one graves in Plot DD, the new two grave Monument-Flat Marker Plot, are now ready for sale.

There were 401 interments in Mt. Pleasant Cemetery in 1959, the largest number in the history of the cemetery.

Repairs were started on the Chapel building. The office and waiting room were painted, roof, gutters and leadins to the dry wells were repaired. Major outside repairs will be done when weather permits.

The Board wishes to express its gratitude to Mr. Edward C. Preston, Superintendent, for his help and cooperation.

The following are the receipts of the Cemetery Department for the year 1959:

Sale of Lots and Graves	\$14,315.00
Annual Care	2,092.10
Foundations	2,389.40
Opening Graves	12,320.00
Miscellaneous	3,464.00
Perpetual Care	16,018.00
Income from Funds	13,448.57

Respectfully submitted,

Board of Cemetery Commissioners

JOHN H. CALLAHAN, Chairman
ARTHUR L. McAVOY
T. GORDON SMITH

Report of Engineering Department

January 11, 1960

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:

In addition to the usual work of this Department of design, layout, inspection and supervision of construction projects which constitutes the major portion of the work, several major projects were undertaken such as the design and layout of the Reservoir Beach alterations, the layout and supervision of the construction of the Russell Parking Area, the survey of and the setting of permanent markers in the Great Meadows, design and layout of the Drake Road Bridge, surveys and plans of the Town Yard and Gas Company buildings and yards and several drainage surveys and studies.

Studies, estimates, recommendations and other assistance have been given to many of the Boards, Commissions and Departments of the Town.

Annexed to this report is a list of public and private streets and other statistics as of January 1, 1960.

My sincere thanks are extended to the employees of this Department and to all Town officials for their cooperation and assistance.

Respectfully submitted,

W. H. ROBY
Town Engineer

TRAFFIC SIGNAL DEPARTMENT 1959

The Traffic Signal Department is responsible for the proper installation and maintenance of all aids to the regulation and control of automobile traffic on the public ways throughout the Town for the safety of the general public, such as the planning, erection and maintenance of all traffic signs of every description and the painting of all traffic lanes, curb markings, etc.

Measures adopted for the further convenience and safety of the public during 1959 were as follows:

Pleasant Street was widened between Massachusetts Avenue and Peabody Road.

Isolated Stop signs were installed at the intersection of Florence Avenue and Rhinecliff Street. Also, at the intersection of Overlook Road and Washington Street.

An off-street metered parking area was constructed on the Russell Common. Another off-street parking area was installed on school property in front of the Senior High School.

Heavy trucking was prohibited on Park Avenue Extension, Newland Road and Sunset Road, between Summer Street and Forest Street.

Modern street lighting was installed on Massachusetts Avenue from Franklin Street to the Cambridge line.

PARKING METERS

There are at the present time 429 Parking Meters in operation throughout the Town. Mechanical failures and other causes necessitated certain repairs to the parking meters as follows:

Meters repaired because of jamming	903
New parts used	428
New timers	53
Glass replaced	39
Parking meters installed	169
Parking meters in operation	429

AUXILIARY POLICE

The activities of this outstanding group of citizens will be found in the report of the Director of Civil Defense. However, on behalf of all of our citizens and the regular police department, I wish to take this opportunity to express our sincere appreciation for a job well done.

CONCLUSION

My sincere appreciation is extended to our Honorable Board of Selectmen, esteemed Town Manager, members of the Police Department, Auxiliary Police, Federal, State, Town agencies, and to all of the citizens of Arlington for their continued cooperation and assistance.

Respectfully submitted

ALBERT E. RYAN
Chief of Police

ANNUAL REPORT OF THE PUBLIC SCHOOLS

REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1959

To the Citizens of Arlington:

This year was marked by major changes in the personnel of the School Committee and School Administration.

M. Norcross Stratton, after thirty-three years of devoted service, retired from the Committee. The citizens of Arlington have been most fortunate to have had the benefit of his wisdom, counsel and knowledge over these years. It must be most gratifying to him to realize the lasting impact he has made on public education, not only in Arlington, but in the Commonwealth of Massachusetts. Mr. Stratton has our heartfelt wishes for a long and well-deserved retirement.

Mrs. Mary K. Boyd also retired from the Committee and is now located in California. She was a most faithful member and served the schools well for nine years.

Mrs. Velma Brown and Dr. James Daily were elected to the Committee to fill these vacancies.

Mr. Clifford R. Hall, our Superintendent for seventeen years, retired September 1. The contributions which he made in the development of the elementary, secondary and adult education programs will be of lasting value. He was responsible largely, along with Mr. Stratton, for the creation of the Vocational High School in Arlington. During his administration he was instrumental in the planning and completion of the Bishop, Dallin and Thompson Schools as well as additions to the Bishop, Crosby, Hardy, Parmenter, Junior High West and Senior High Schools. It was with regret that we accepted his resignation and our best wishes go to him for a long, happy future.

The paramount duty of a School Committee is the selection of a competent Superintendent. This Committee spent many hours reviewing the qualifications of innumerable applicants. Representatives from local universities were called in for advice and counsel. After this most thorough investigation, the Committee reached a unanimous decision that our Assistant Superintendent seemed better qualified than any of the candidates to fulfill our requirements and Dr. Roens was requested to accept this position.

Extensive investigation also was conducted to find a successor for the position of Assistant Superintendent. Dr. Lawrence H. Anderson, who was elected to this position, received his doctorate degree at Harvard and was associated with the Newton Public Schools and with the teacher training program at Michigan State University.

This Committee is justly proud of the total school program and feels that this is due largely to the fact that the Committee has functioned as purely a policy-making body. In addition, the Committee has spent a great deal of time this year discussing and examining the problems existing in the major subject areas which might require policy changes. The Committee also initiated a new procedure for annual evaluation of all school personnel.

It was with regret that Mr. Harry J. Patterson, Director of the Vocational School, retired after nine years of service. Mr. Edmund J. Lewis, of the Vocational School staff, was appointed as new Director on October 20.

Mr. Walter J. Sullivan, Principal of the Junior High School East, retired after thirty-eight years of faithful service. Mr. Otis R. Jason, former junior high school principal in Norwalk, Connecticut, was appointed to succeed Mr. Sullivan on June 18.

Upon their retirement this year the Committee extended deep appreciation to Miss Mary A. Chater, Mrs. Francese S. Curtis and William T. "Doc" McCarty, all of whom served faithfully thirty-eight years or more and whose instruction and influence benefited thousands of Arlington school children through the years.

It is with a great deal of sadness that we mention here the passing of Miss May E. Campbell last summer. Miss Campbell, Supervisor of Home Economics and Cafeterias, served the Arlington schools since 1924.

Miss Florence E. Forsyth, member of the Home Economics staff, was appointed as successor to Miss Campbell.

The Committee appreciates the cooperation and assistance given by the entire staff of the Arlington Public Schools who so conscientiously help to carry out our responsibilities to the children in our schools.

We thank the Town Manager and other Town Officials for their active cooperation in all school matters in which they were involved.

Respectfully submitted,

Carl F. Allen, Chairman
Mary E. Porteus, Vice Chairman
Richard W. Baker

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS
FOR THE YEAR 1959

To the School Committee of Arlington

Ladies and Gentlemen:

It is my privilege to submit for your consideration the following report of the schools for the calendar year 1959. Limitations of space make it impossible to include a report on every phase of our school operation; therefore I am taking the liberty of presenting those aspects of our program which are new or in which there is a good deal of public interest.

FEDERAL FUNDS AND THE NATIONAL DEFENSE
EDUCATION ACT

Since 1958 the School Committee has received a total of \$82,741.31 under Public Law 874. As described in the previous annual report, \$24,540.08 was expended for such items as an eleventh grade humanities course, natural science instruction for all fifth grades conducted by the Audubon Society, experimental creative writing programs, instructional apparatus for the Vocational School, science equipment for elementary schools and certain equipment for the new addition to the High School which had been omitted from the original list submitted to the High School Building Committee.

For the school year 1959-1960 a total of \$35,150. was committed for instructional materials for academically talented pupils, for continuation of the natural science, creative writing, developmental reading and group therapy programs; for language laboratory equipment in the High School and for publication of a "History of Arlington" to be used in all fourth grades. In addition, \$20,000 will be returned to the Town to be expended for adjustments in teachers' salaries for 1960-1961. The balance of uncommitted Federal Funds is now \$3,051.23.

Under the National Defense Education Act the School Committee applied for and received \$8,102.95 for the remodeling of the chemistry laboratory in the High School and \$3,528. for setting up a comprehensive guidance program in our junior high schools as well as a guidance library in the High School.

As has been stated from time to time, these Federal Funds serve to reduce the total amount of the School Budget because the programs undertaken with this money are very necessary if our public schools are going to progress with the times.

OUR ELEMENTARY SCHOOLS

The most serious problem which will be facing us shortly is the housing of elementary school pupils in several critical areas of the Town. The proposed Pheasant Avenue School, if voted at the next Town Meeting, will alleviate the pressure on the Bishop, Dallin, Peirce and Cutter Schools. The building activity in the Dallin area has progressed so rapidly that there are as of December 31, 1959, 413 pupils in a school built for 360 pupils. In the Bishop School the assembly hall and clinic rooms once again are being used as classroom areas. At the Cutter School, basement rooms are being remodeled for kindergarten and library rooms. This now creates another problem because two precincts use these rooms for voting purposes. The academic program in the Peirce School involving visual aids, testing and group projects has been curtailed because of lack of space.

Another area of considerable concern is the Parmenter district where pupil population is increasing beyond all expectation. The playroom was converted into two primary classrooms with the result that the physical education program had to be discontinued because of lack of space. The auditorium on the top floor which is used for French classes, instrumental programs, visual aids, etc. is most unsatisfactory because of location, lighting, acoustics and lack of blackboard space. With the change of boundary lines which the Pheasant Avenue School could effect, it is believed that enough of the pressure could be removed from the Parmenter School so that a normal program could operate there once again.

Reading, the first of the traditional three R's, still continues to be the first concern of our elementary schools in establishing a firm educational program.

However, reading in school now cuts across all subject matter and is no longer an isolated school subject. Content subjects involve many new mental concepts to be gathered from the text each day. Our classroom teachers are constantly alert to see that children are learning to read with meaning. With the rapid changes in our current life, and as understanding and interpretation become increasingly important, schools must train children to become critical readers.

Reading research is constantly endeavoring to discover better ways of teaching reading and our school system is always interested in trying new techniques that will aid in our developmental program. In connection with this policy of keeping abreast with new ideas, we are carrying on two experiments in the reading field.

The first is in grade one. Learning to read is the major task which confronts the first grade child. The more that we can learn about the early processes of reading, the better start we can give the child. Recent research at Boston University has shown that a knowledge of the names of letters and sounds provides the greatest assurance of learning to read. Results indicated that knowledge of letter sounds does not necessarily assure high reading achievement, but lack of knowledge is usually associated with low reading

achievement. Experiments showed that early instruction in letter names and sounds produces a higher June reading achievement than does this type of instruction given incidentally throughout the year. We are conducting this experiment in six of our first grade classes and we will be most interested to see if our other first grades can show the same improvement in their June achievement.

The second experiment being conducted is in connection with independent applied word analysis. This is being tried in one third grade class and three fourth grade classes. Phonics is one of the important phases of our reading program but phonics is never an end in itself. It is only a means to future interpretive reading. Irregularities in English phonetics make an inductive approach (learning through application of phonics) more effective than a "rules and exceptions" method. The experiment consists in the use of 30 word classification cards with pupil pairs, thus increasing accuracy of word perception and analysis in reading and spelling. Each card lists three categories, since this trains the child to use context clues in recognizing a word from phonetic analysis. Every word is analyzed, pronounced, classified by meaning, written, read and spelled. Meaning is restored after analysis. This is assured by the task of writing the word under the proper classification. By the use of the applied word analysis cards it is hoped that improvement in reading and spelling will be noticed. Preliminary reading tests have been administered to all classes using the cards and at the end of the experiment a second test will be administered in order to determine whether any noticeable gain has been made.

A testing program is another phase of our elementary reading program. It is through the use of tests that we are able to evaluate our reading program and to gain an overall picture of the community. However, the main emphasis on the teacher's part is placed upon the capabilities of each child's own unique characteristics. It is when these unique characteristics are seriously retarded that individual diagnostic testing is provided by the reading consultant for the classroom teacher. The results are analyzed and used as an aid in setting up a corrective program for such children.

The evaluation testing this year was administered in all second and third grades. Standardized reading tests were used in order to compare Arlington with other communities. Following are the results of these tests:

Grade II

1. Word Recognition Test

National Median 2.8

Arlington Median 3.95

This median placed us 1.1 (one year and one month) above the national median. This result indicated the strong phonetic background that has been developed in our system.

2. Paragraph Meaning Test

National Median 2.8

Arlington Median 3.6

This median placed us .8 (eight months) above the National median. This result was encouraging indeed as reading without comprehension is not reading but simply "word-calling."

Grade III

1. Survey Test

This test included three parts; speed, vocabulary, comprehension.

National Median 3.8

Arlington Median 4.45

This median placed us .6 (six months) above the national median.

2. Reading to Understand Precise Directions

National Median 3.8

Arlington Median 4.1

This median placed us only .3 (three months) above the national median. The test was an entirely new type of test for the children but results not as high as we might wish. However, it pointed out to us a technique that we needed to develop further as following directions is most certainly a very important and necessary skill to be developed.

Another step in strengthening our reading program, which stresses prevention of reading failures, is the existence of our summer reading classes for elementary pupils. Pupils attend on a voluntary basis after they have been recommended by their classroom teachers as satisfactory candidates for an additional six weeks of concentrated effort on the basic reading skills. The program aims at developing in each child independence in reading, not only in school but as a leisure time activity.

The further extension this year of the school library program within the elementary schools is greatly appreciated by the classroom teachers, since it serves as an excellent supplement to the classroom instruction. It also provides additional teaching by trained librarians in the proper use of library facilities so that children become capable of doing independent research in connection with the various content subjects.

After one year of exploratory study by a committee of our own school staff, French has been introduced as an integral part of the elementary school program. There is now a special teacher for selected pupils in grades five and six and TV instruction for all fourth grade pupils. The selection of pupils in grades five and six was made largely on the basis of their reading ability and their instruction in French for the most part is given in a separate room

during the time the remainder of their class is being given reading instruction. Until some adjustments are made in time allotment of subjects for grades five and six, it did not seem advisable to make French available to all pupils in those grades. French for all fourth grade pupils is being tried as an experiment this year to determine whether their achievement warrants continuing with such a TV program.

A joint experimental project with Boston University in the French instruction is being conducted in some of our fourth grade classes where all pupils are exposed to French through TV.

On the whole, our participation in the TV program, "The 21 inch Classroom" operated through Channel 2, seems to be effective as we continue to subject the program to critical analysis. Following is a list of the grades and subjects being viewed this year:

Grade 2 Music

Grade 3 Literature

Grade 4 French

Grade 5 Exploring Nature

Grade 6 Science

This year in conjunction with the revised report card, teachers in grades one through six have been giving a written report of the pupil's progress at the time of the scheduled individual parent-teacher conference. Parents seem to feel that this additional written report makes the conference much more meaningful.

JUNIOR HIGH SCHOOLS

Several new programs have been instituted in the Junior High East. For the purpose of affecting greater cooperation and understanding between the home and the school, a P.T.A. has been organized. An active student council is now in operation to provide opportunities among the pupils for the development of leadership, initiative and responsibility. In order to stimulate independent study and research, especially by the more able pupils, a library orientation program is in the process of being organized by the English teachers and the Town librarians. This will become much more effective when the junior high schools will have their own libraries. A new innovation has been the establishment by using the "wave system" during the lunch period. Formerly some pupils at the end of the line were forced to wait for the major part of the lunch period before being served. There also was the problem of a place for the pupils to leave their textbooks because they had to juggle the tray of food and books at the same time. This problem plagued the Junior High East for some time. Under the "wave system" two classes move to the cafeteria every five minutes which insures short lines and no waiting. In addition, since all pupils return to the same classroom which they left for the lunch period, the book problem is solved.

The Junior High School West has done some notable work in the development of educational assembly programs involving a good deal of pupil participation and pupil interest. The extraordinary production of the operetta "Oklahoma" was the highlight of the year. It was presented by two separate casts with about 300 pupils participating. "The West" according to the copyright owners of Oklahoma has been the only junior high school ever to have undertaken the production of this difficult operetta.

Although the program of ability grouping by subjects in the junior high schools still has many wrinkles to be ironed out, the evaluation studies at the Junior High School West are most conclusive as to its positive value.

Ability grouping by subjects at the Junior High Industrial Arts School is receiving more attention than ever before. The improvement in reading, arithmetic and art is most significant. The inauguration of field trips this year included the Boston Arts Festival, the State House and the Museum of Science and has helped to widen the educational horizons of these pupils.

Now that we have full time counselors in the junior high schools, every pupil receives individual counseling. These interviews cover adjustment from elementary to secondary school and assist the student in making decisions about his school life.

SENIOR HIGH SCHOOL

The High School emerged into a new era in September with the change from a three year to a four year curriculum, replacing the 6-3-3 system that had been in operation for over 40 years. This has been made possible by the completion of the addition to the high school building. The entire plant is very adequate for the approximately 2,000 pupils for which it is designed.

The modernizing with Federal Funds of the chemistry laboratory, the increase of classrooms; the expansion of the homemaking facilities and mechanical drawing rooms; the division of the old music room into a classroom and typing room; the two new music rooms; the pleasant and inspiring new art rooms; a guidance suite with separate interview rooms, and an efficient administration area; an excellent health unit; a new gymnasium and auditorium; all contribute to a well-balanced, four year high school program.

As reported last year, the barriers were removed between the college, business and general curricula. The opportunity for counselors to place students in areas where the students can reach their desired goals is showing satisfactory results. The flexibility afforded for programming and ability grouping by subjects seems to be effective in making pupils work up to their ability and to stimulate wholesome competition within their academic group. It is too early to measure the results, but it is felt that the next two years could give conclusive evidence.

After a two year search for a competent Russian teacher we were able finally to obtain one late this summer. A Russian course now is being offered after school to pupils who have demonstrated language competence. Next September it will be offered as a part of the foreign language curriculum within the regular school day.

With Federal Funds it is expected that a foreign language laboratory will be in operation next September for the purpose of facilitating the oral-aural aspects of the teaching of these subjects.

Some parents are concerned with the question "Can my son or daughter be admitted to an Ivy League college from Arlington High School?" They may be interested to know that in last year's graduating class two boys applied to Dartmouth and two were admitted; four applied to Harvard and three were admitted. The boy not admitted to Harvard was admitted to one of the other local colleges. Two girls were admitted to Vassar; one to Middlebury; one to Mt. Holyoke and one to Smith. The answer to the above question is obvious from these statistics.

The sixteenth annual survey of the Guidance Department shows that 57.4% of last year's graduating class at Arlington High School have gone on for further education. This total is the highest we have had since the tabulations began in 1944. In addition to those taking full time work in education, 13.6% are studying part-time although gainfully employed. Twenty-nine percent of the class are in four year degree-granting institutions with the rest in junior colleges, nursing schools, business schools, technical institutes, etc. Nearly 35% of the class is employed; 4.2% in the Armed Forces and 3% are ill, married or at home.

The largest proportion of these pupils are attending college in the Greater Boston area with 22 at Boston University; 16 at Tufts; 11 at Boston College; 11 at Northeastern; 5 at Cardinal Cushing College; 4 at Simmons; 3 at Emmanuel; 2 at Harvard and 2 at M.I.T. Other well-known colleges which have enrolled members of the 1959 class are Antioch, Bates, Brandeis, Connecticut College, Dartmouth, Norwich, Maine, Regis, University of Wyoming, etc.

Forty-two graduates are in business schools with Burdett (14), Bentley (8) and Katherine Gibbs (7). Nineteen graduates are in junior colleges with 4 at Fisher and 3 at Colby Junior College. Eight are in nursing schools and 12 are in technical schools with Wentworth leading with 10.

Arlington is doing its part to provide future teachers, for 8 members of this graduating class are attending teachers colleges and 28 more attending schools of education in other institutions.

Scholarships to the amount of \$44,200, exclusive of those granted by our own Thompson Fund, Arlington P.T.A. and the Arlington Woman's Club, were awarded by the colleges to members of the June graduating class. Scholarships were received from many of our leading colleges—Harvard, Tufts, Boston College, Emmanuel, Massachusetts Institute of Technology, University of

Connecticut, Simmons, Northeastern and others. This year we were able to obtain from the Massachusetts Vocational Rehabilitation \$5100 to aid members with physical disabilities to obtain a college education. The Arlington Woman's Club, the Arlington P.T.A. Council and the Arlington High School Girls' Club made available \$1300 in scholarship awards. Their interest and endeavors in this respect are most appreciated.

One of the rewarding educational experiences of this fall was the success of four boys in qualifying for the National Merit Scholarship Fund. In addition to the success of these boys, five were given a special merit award. These academic honors are not only a reward for good work upon the part of the students but also a tribute to the diligence and effective teaching of our entire staff throughout the system.

VOCATIONAL HIGH SCHOOL

Many changes were made at the Vocational High School during the past year. Director Harry J. Patterson retired after 9 years of service and was replaced by Edmund J. Lewis, a member of the original faculty.

The entire school, with the exception of the automobile shop, moved into attractive new quarters on the lower floor of the High School addition which was made available for the opening of the fall term. Careful planning resulted in a compact arrangement of shops, classrooms and other necessary facilities, making possible an improvement in supervision and overall efficiency.

In contrast to previous years, the machine shop is now sufficient in size to accommodate the various types of equipment in a manner more conducive to good instruction and pupil safety. As part of its modernization program a new vertical milling machine, a radial drill, engine lathe and turret lathe were obtained from war surplus. A machine-related classroom, conveniently located adjacent to the shop, has been furnished with drafting tables, providing improved facilities for this phase of the training.

More room for the electronics shop has alleviated an overcrowded condition and provided additional space for new equipment and storage of material. The U-shaped layout of the work area has proven more suitable for efficient instruction and observation. New antennae were installed on the roof and sufficient equipment and supplies were obtained to keep pace with the rapid changes in the electronics field. A similar layout in the electronics-related classroom has permitted a practical means for conducting experiments and its convenient location, adjacent to the shop, has simplified the exchange of equipment for instructional purposes.

PUPIL PERSONNEL SERVICES

The Rockefeller Report, "The Pursuit of Excellence," on problems of American education, states in the following words one of the fundamental responsibilities of American education: "Any educational system is, among other things, a great sorting out process. One of its most important goals is to identify and guide able students and to challenge each student to develop his capacities to the utmost." The recognition and appraisal of talent and the encouragement of individuals to plan in such a way as to develop and utilize their talents fully requires an extensive and continuing accumulation of longitudinal data on each student and comprehensive and repeated testing to provide objective evidence of aptitudes and abilities. Identification of talented students is the responsibility of all teachers, counselors and administrators in the school system. The recognition and appraisal of talent in the Arlington schools is a continuing process from the first grade through the twelfth grade.

The purpose of our program is to develop procedures which will identify, guide and motivate a maximum number of superior and talented students in all areas of school achievement to desire, plan for and acquire a college education.

In grades one through five, the selection procedure consists of teacher appraisals and achievement testing. Such tests not only indicate accomplishment to date but frequently identify areas where enrichment would seem appropriate or where remedial efforts would be advisable. There has been established for several years a class for the academically talented in grade six. In grades seven and eight the classes are ability grouped by subjects. In the ninth grade the program is broadened so that the students showing promise in subject areas are placed in classes where they may follow an enriched course of study. These classes continue through grade twelve. A group showing promise in the field of science begins in grade ten a program of one and one-half years of chemistry, followed by one and one-half years of physics. These pupils will be encouraged to take the College Board Advanced Placement Program in science and may be admitted to a collegiate science program on an advanced standing basis.

Because we are constantly receiving inquiries about our techniques and procedures in the selection of academically talented students, we shall attempt to describe them briefly.

Standardized group tests for mental ability are used at all levels. The test yields a multiple score, verbal aptitude and math aptitude. The multiple score helps the school to understand better the nature of each child's learning ability. Score interpretations are used in determining the relative academic success the student is likely to achieve in his next step on the educational ladder.

In many cases, an individual intelligence test is used as a means of double checking those who are recommended by teachers, but who have not been substantiated by group tests of mental ability.

Achievement tests which measure critical skills and application of learning in the major field of academic work are also used to locate talented students. These tests in many subject areas, both standardized and locally constructed, are used in elementary grades. The eighth grade battery, on which the test profile is based, contains achievement tests and there is also such a testing program at the high school level. The results of the reading tests are a very important factor in the selection of students for this program. An academically talented student is likely to be characterized by wide range interests which typically motivate him to engage in extensive reading, commonly at a more mature level than his classmates. Conversely, deficiencies in reading ability constitute a severe handicap in his educational development.

School grades are an important indicator of success in an academically talented group. If a student has previously performed above the average of other students, it is safe to assume that a student has the necessary ability and incentive to be included in the superior and talented group. College admission officers place great emphasis on the rank in class of an applicant.

An accumulative record folder is maintained on each student. The folder contains the school grades and a detailed description of the student written by each elementary and junior high school teacher and personality reports by each high school teacher. All correspondence with parents, interviews with counsellors and special reports by teachers also are contained in this folder.

The teacher recommendations are very important and helpful factors in the program. Teacher nominations are used both to select intellectually superior and to select students who are superior or talented in an area other than intellectual ability. A few identification hints are:

1. Unusual curiosity — asks many questions
2. Reasons things out, thinks clearly, recognizes relationships and comprehends meanings
3. Completes work quickly and seeks other activities
4. Reads widely
5. Shows unusual social ability and leadership organization
6. Is usually talented in music, art, creative work, knowledge and performance in science.

The final selection of students for the academically talented group is made after a study of all factors for each student: mental ability scores, achievement test scores, past performance, grades and teacher recommendations.

As a matter of interest we are submitting the unedited impressions of an academically talented sophomore who has been in the program for two years.

"During the past year and the first few months of the 1959 school season, A.T.* has been in existence. In this time we have experimented with a new kind of education, whose objective is to cover more material in fuller detail, therefore, preparing us better for our future in college and beyond. It is too general to say that we are moving faster than other classes. In each class the advancement can mean something different

"In English the difference is more in the presentation of material rather than speed. Much of the material covered is the same as other sophomore classes, only in more detail. We are 'on our own' generally speaking. Instead of writing out questions and answers to everything, sometimes we are expected to know the material, only, and spend the extra time in discussion. Often these discussions become involved and lengthy, yet very interesting. Loquacity is very contagious in A.T.

"Mental homework seems easier than written lessons; and yet, this is not always so. It takes less physical exhaustion, but is thought provoking and requires greater concentration. Certainly, there is no slipping up on an assignment of this kind. Lessons often lead to the next, and all the pieces must be fitted together for complete understanding.

"Although we do much mental homework in respect to literature, we also stress writing. Expression of ideas, vocabulary and grammar are very important in our education. We are all keeping journals to improve our writing, and make us more aware of our environment.

"Mathematics and Latin are very similar. We are advanced by being pushed faster in the same material which other classes cover; yet, the creativeness is always present. In Latin we are translating Caesar. The other Latin II classes are on the 'Argonauts' which we translated last year.

"The chemistry course is the most advanced, I feel. We are the only sophomores taking it this year. Next year, we will continue chemistry for the first half-year and then begin physics for the remaining half of our junior year and complete it the senior year.

"One of the nicest realizations of the A.T. is the fact that the eyes of our teachers and guidance counselors are upon us. They are constantly trying to push us faster yet are equally concerned with our capabilities to keep up with them. We feel assured that if we need advice or help of any kind within reason, they are always ready to do their utmost. From our point of view, one of the most important factors concerning A.T. is our acceptance with other students. Last year this was of extreme importance; yet, this year it is a thing of the past. Arlington High School's activities are well represented by A.T., and one of us is a member of the Student Council. Although, for the most part, we have more homework, and more is expected of us, we are acquiring an invaluable education. We are already beginning to feel the effect of the library course

*academically talented

which we had last year. Our experience in research, note-taking, etc., has already helped us considerably in almost all our subjects. There is no doubt how greatly our course will help us in college and our life's career. Certainly, this reward is great enough to make all our work worthwhile."

The results of the program to date seem to indicate that the selection procedure is sound. The percentage of drop-outs or poor adjustment cases has been very low. Each year's experience will add further information as to the weighing of the various factors in arriving at a composite selection score for pupils who are to be included in the A.T. group.

The number of referrals of disturbed and maladjusted pupils in the elementary grades is constantly increasing in proportion to the pupil population. As one means of meeting the growing demands on our school adjustment counselor's time, we have established two therapy groups, one for boys and one for girls after school under the direction of members of our staff. We feel it may be possible in some cases to provide helpful therapeutic activity for from four to six pupils at the same time. If this is so it would provide an economy of time where our usual procedure has been to work with pupils individually.

Our speech therapist is just about completing a survey of the speech problems of all of our elementary school pupils. His purpose is to determine which pupils need how much help in oral communication. By the end of the year 1959 results will be tabulated, serious cases separated from mild and schedules devised by the two therapists for conducting sessions and speech correction for the seriously handicapped. In addition there will be classes to help pupils in speech improvement whose patterns of articulation errors indicate that weekly classes, grouped according to specific speech sounds, will promote normal speech in the shortest space of time.

CONCLUSION

It is most gratifying for me to be able to work with a School Committee dedicated to the single purpose of making our schools "Better." The Committee has concerned itself only with policy decisions and allowed the Superintendent, without interference, to administer the school program within their rules and regulations. Nevertheless, the Committee has maintained a sensitivity, if not close observation, of every aspect of the school program. This is as it should be, but because so few communities operate in such favorable climate, special mention is made of it here.

The cooperation between the School Department and the numerous Town Departments, by making available one another's facilities when needed, has effected considerable savings to the taxpayer.

I speak for the entire school staff when I say that we are most appreciative of the gracious assistance afforded us whenever we have called upon the Town Manager, the Superintendent of Public Works, the Fire Chief and the Chief of Police.

The Supervisor of Maintenance and the Supervisor of Custodians are ready always to extend themselves to the limit to assist us in providing adequate facilities for our educational program. Without their untiring efforts the High School addition never would have been ready to open on schedule in September.

In this connection I want to express our gratitude to the High School Building Committee and its Chairman for the enormous and time-consuming task in bringing to successful fruition the addition and reconstruction of the high school plant.

Finally, and in the last analysis, whatever success our educational program attains is the direct result of the faithful dedication of our teachers, principals, supervisors, directors and other staff members directly associated with our pupils in school. To them I extend my deep appreciation and everlasting gratitude.

Respectfully submitted,

(Signed) Bert A. Roens
Superintendent of Schools

Report of The Planning Board

January 14, 1960

Mr. Edward C. Monahan, Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 of the General Laws, the Planning Board submits its report for the year ending December 31, 1959.

The membership of the Board remains the same as reported last year. Mr. Milton H. Anderson and Mr. Fozi M. Cahaly were reappointed to August 17, 1962.

During the past year, the Board held seventeen meetings and participated in eight joint meetings with the Board of Selectmen, Development Commission, Zoning Board of Appeals, and civic groups, and also in numerous conferences with town officials. The Board was represented at the April orientation meeting of the Massachusetts Federation of Planning Boards held in Worcester and at the Annual Fall Conference of the Federation in Boston.

Miss Murdena Campbell was appointed by the Town Manager as delegate to the Metropolitan Planning Conference and Mr. Fozi M. Cahaly as alternate.

Eight public hearings were conducted for revisions in the Zoning By-Law and changes in the Zoning Map.

Due to the concerted efforts of town officials and civic groups, substantial progress was made at the 1959 Town Meeting in carrying out the recommendations of the Joint Planning Committee's Report of 1956-57 for changes in land use and street systems to expand business and commerce in Arlington, while preserving the residential character of the community. Three articles relating to this plan were inserted by the Planning Board in the 1959 Warrant and were approved by unanimous vote of the Town Meeting.

Article 27. An article to include the Russell Common in the Business A district to permit offstreet parking. (Legal proceedings to clarify the status of the Russell Common were instituted by the Planning Board in 1956.)

Article 77. To encourage the building of apartment houses along Massachusetts Avenue, thereby strengthening the tax base, the Planning Board recommended that a strip of land approximately 175 feet deep back of the Business A district of 125 feet be rezoned to Residence C. Since dwellings are permitted in the business

areas, the combined depth of 300 feet permits the construction of apartment houses and provides the required parking space for tenants.

Article 78. After a careful review of the Joint Planning Committee's proposals for amendments to modernize the Zoning By-Law, the Planning Board recommended that the town strike out its present by-law and adopt a by-law proposed by the Planning Board which contained all the proposals of the Committee with the exception of those proposed for the Residence D district.

Other recommendations of the Joint Planning Committee adopted by the 1959 Town Meeting were as follows: Appropriations were voted for the relocation of Mystic Street, the removal of the Old Town Hall, and the conversion of the Russell Common to a parking area. The Selectmen were authorized to purchase or take by eminent domain for improved street systems and parking the property offered by the Boston and Maine Railroad on Railroad Avenue and on Lake Street.

The following requests for zoning revisions were presented to the Planning Board:

Article 79, 80. Articles to change the zoning of two small pieces of land in the vicinity of Garden Street from Residence B to Industrial, thereby eliminating two small pockets of residential zoning within an industrial district. Believing that the industrial classification is in accordance with the present and future land use needs of the area, the Planning Board recommended favorable action and this was approved by the Town Meeting.

Article 83, 84. Articles to rezone land on Magnolia Street occupied by non-conforming business from Residence B to Business B. This land is surrounded on three sides by residential property and on the south side by a railroad track forming a natural barrier to protect this residential district. The Planning Board recommended that no action be taken for the following reasons: It is not in accordance with sound principles of zoning to reclassify property on the ground that it is a non-conforming use; the rezoning of such a small tract of land from residence to business cannot be justified; it would have a deteriorating effect on the adjacent residential property and would not be in the best interests of the town as a whole; the owner of non-conforming property may seek relief from the Board of Appeals. The Town Meeting upheld the recommendation of the Planning Board.

Believing that planning in Arlington has reached the point where an overall survey of the needs and resources of the Town is required, together with a reappraisal of existing studies now being used, the Planning Board voted in April to investigate the cost of preparing a comprehensive plan which would provide a basic framework for Arlington's future growth and development and would lead to orderly rather than uncontrolled growth. The Planning Board believes that Arlington presents an entirely different picture than communities with much vacant land. The proposed plan would in-

clude a study of what Arlington has, the potentials for the future, the possibilities of deterioration and changes in land use because of forces within and without the community, and the steps which should be taken to preserve and protect values in both residential and business areas.

Mr. Allen Benjamin, consultant to the Board for some years, was unable to undertake this work and his resignation was accepted with much regret. Economic Development Associates, as represented by Charles E. Downe, was selected as the consultant best fitted to prepare a comprehensive plan, and in addition, to provide professional assistance to the Planning Board, town officials and town boards since the work of this Board has increased to such an extent that it is now impossible for the members to handle it satisfactorily without a part-time staff.

Under the Housing Bill passed in the fall of 1959, Arlington became eligible for the first time for a planning grant and an application was filed by the Board in December. Filing in 1959 enabled Arlington to use the population figures of the 1950 census and to qualify as a community under 50,000. The matching funds required for this federal assistance will be sought at the 1960 Town Meeting.

The Board believes it is vital that the professional assistance mentioned above be provided to carry on a sound planning program. It also believes that in view of the pressing problems facing the town, it is essential that a comprehensive plan be prepared at the earliest possible date which will be long range but flexible to permit revisions to meet changing conditions. The analysis of this detailed inventory of the assets and future needs of the town can then be applied to planning problems and will serve as a guide to town officials who will have to make the decisions regarding them. The Board believes such a plan will be a contribution in making Arlington an increasingly better community.

The Board wishes to express its sincere appreciation to the Town Manager, Mr. Monahan, for his encouragement and support, and to all boards and department members for their cooperation and assistance during the year.

Respectfully submitted,

JOHN B. BYRNE JR., Chairman
MILTON H. ANDERSON
FOZI M. CAHALY
THOMAS D. KENNA JR.
MURDENA CAMPBELL

Report of the Public Welfare Department

January 11, 1960

Edward C. Monahan, Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

I have the honor to submit the report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1959.

	House Calls	Clinic Calls	Total
Old Age Assistance	321	174	495
Aid to Dependant Children	15	79	94
Disability Assistance	42	52	94
General Relief	36	115	151
Veterans Services	2	48	50

The total number of visits made to the Clinic for dental care 132.

Respectfully submitted

EDWARD W. FEELEY, M.D.

Medical Inspector
Department of Public Welfare

Annual Report of the Personnel Board

January 15, 1960

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1959.

The membership of the Board changed with the appointment of F. Lawrence Doherty to succeed William J. Fallon whose term expired after a contribution of three years of valued service to the Town. William J. Frost was reappointed for a term of three years. John J. Kelliher's term as an employee representative will expire on April 13, 1960. Paul E. Widder and Warren E. O'Leary, an employee representative, were appointed to March 12, 1961. William J. Frost was re-elected Chairman for the coming year.

A representative of the Board attended the third annual conference of the Massachusetts Municipal Personnel Boards Association at the University of Massachusetts in Amherst. Lee Morris was Moderator of a work shop on salary and wage increases at the Association's conference in Framingham on October 31 and was elected to the Board of Directors at the Annual Meeting. The advisability of financially assisting employees taking evening courses in subjects related to their work was presented to the conference by William J. Frost.

The Board has held thirteen meetings during the year and has considered thirty-three requests of individuals, committees, boards and appointing authorities. A request from the various employee organizations for a \$312.00 increase for all employees is included in the considerations. The cost of living continues to rise and the salary rates in comparable communities have increased. The Board is again considering a recommendation of another general increase in order to maintain a median comparison and a fair standard of living for the employees of the Town. In addition to meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure and the operation of the Classification and Pay Plan. The following are some of the routine personnel procedures handled by the department this year:

Emergency appointments	48
Appointments—temporary, provisional, renewals	209
Permanent appointments	43
Promotions—permanent and temporary	30
Termination of temporary employment	156
Termination of permanent employment	25
Permanent and temporary transfers	8
Loyalty Oaths	77
Group insurance	36

In order that employees or appointing authorities shall have reasonable opportunity to be heard, as required by Article 7C of the By-Laws, we urge that all requests be brought to the Board before November 1 of each year. It is impossible to give proper consideration to the last minute requests received just prior to the closing of the Warrant.

There are at present 553 permanent full-time, 24 permanent part-time, 10 temporary full-time, 32 temporary part-time, and 43 seasonal part-time classified employees in the service of the Town. The peak employment period is during the summer months with a total of 718. These figures do not include the personnel under the School Committee.

The Board appreciates the cooperation and assistance given by the Town Manager, Finance Committee, officials, boards, Town Counsel and employees in our effort to administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

F. LAWRENCE DOHERTY
WARREN E. O'LEARY
PAUL E. WIDDER
JOHN J. KELLIHER
WILLIAM J. FROST, Chairman

Report of the Purchasing Department

January 19, 1960

Mr. Edward C. Monahan

Town Manager

Town Hall

Arlington 74, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the Year ending December 31, 1959.

The following statistics are presented to show pertinent information concerning the amount of service rendered by the Purchasing Office to all town departments during the past year:

Purchase Requisitions received	6510
Purchase Orders processed	6619
Total dollar value of all purchases	\$993,132.53
Formal yearly contracts for materials for continuing purchase and use	35
Formal sealed written bids for materials or services	106

Under the provisions of Article 7A of the By-Laws of the Town, purchases of \$400.00 or more for materials, supplies, equipment or services must be set up for public bidding through newspaper advertising or circular letter with bids being formally opened and read at a specified place, hour, and date. Not only is the letter of the law observed, but the spirit of the law is strictly enforced so that wherever possible, purchases are combined so that formal bids are requested from prospective bidders.

Particular attention is given to the careful and detailed preparation of the specifications for formal bids so that all prospective bidders have available all information necessary to prepare an intelligent bid. This has provided a basis for better competition among vendors who can prepare their proposals without the necessity of providing a contingency factor for any possible omission in information required by them.

Although the year 1959 saw a continued rise in the inflationary spiral with the subsequent increase in costs of materials, supplies, equipment and services, in many instances, the Town was able to obtain better prices than had been obtained in the previous year. This was due to the increased competition for our requirements, by the expansion of our lists of prospective suppliers, the completeness of the specifications made available, and the constant search for new or better methods of obtaining goods, materials, equipment, or services at the lowest possible cost to the Town.

Examples of instances of these savings in our long term contracts are as follows:

GASOLINE — The gasoline price discount was increased from \$.0436 to \$.0456 per gallon on the 1959 contract. By insisting that the gasoline supplier provide the Town with a further discount in the event of a voluntary allowance to local gasoline distributors, we for a large part of the year 1959 paid a price of \$.0824 a gallon for gasoline, exclusive of the State Tax of \$.055. Our annual consumption of gasoline for all Town departments approximates 160,000 gallons so that the resultant savings to the Town were substantial.

FUEL OIL — Our contracts for #2 and #5 Fuel Oil for 1959 shows a reduction in cost over the previous contracts for 1958. These contracts are based upon the Tank Wagon price in effect at the time of delivery which is standard in the trade plus or minus the premium or discount charged or allowed. In 1959 for #5 Fuel Oil the Town paid the Tank Wagon price less \$.169 per barrel. In 1958 for the same fuel oil the Town paid the Tank Wagon price plus \$.029 per barrel. Thus 1959 shows a net savings of \$.198 per barrel. Our use of #5 Fuel Oil approximates 11,800 barrels and thus the resultant savings over the previous years contract amounted to approximately \$2,336.00. On #2 Fuel Oil the premium was reduced from \$.0041 to \$.0021 in 1959 thus additional savings were made on this item.

SAND — GRAVEL — FILL — STONE — Our contracts for the above items for 1959 show a reduction in costs to the Town over the 1958 contracts. Below are listed the comparative contract prices for each item for each year:

Year	Coarse Sand	Fine Sand	Bank Gravel	Clean Fill	Stone
1958	1.18 ton	1.30 ton	1.10 cu. yd.	.75 cu. yd.	1.80 ton
1959	1.18 ton	1.18 ton	1.05 cu. yd.	.70 cu. yd.	1.80 ton

ROCK SALT — In 1958 the contract for Rock Salt called for a price of \$14.35 per ton of bulk salt delivered. In 1959 the contract price for bulk Rock Salt is \$11.80 per ton a savings of \$2.55 per ton. Although the use of Rock Salt varies with the severity of the winter, during the year 1959 the Town used approximately 1,065 tons of Rock Salt.

TERM CONTRACTS — Major items continuing use throughout the year are placed on bid, and the contracts are awarded to the lowest responsible bidder in every instance. In the great majority of cases, the contract prices for 1959 were lower than for the year 1958, this despite rising costs in the general economic structure.

An examination of the formal sealed bids and long term contracts awarded by the Town is an impressive way to demonstrate the substantial savings resulting from Centralized Purchasing. However, the true value of Centralized Purchasing is not alone indicated by the prices obtained on large bulk bids, but is also shown in the day to day purchasing of Departmental requirements. The spirit of competitive purchasing is carried over into our day to day operations

and telephone quotations are received from at least three vendors wherever possible and practical. This results in the Town being able to buy the products needed at substantial savings, as the vendors are in competition and know that the awards are made to the lowest bidder, price, delivery, etc. factors being reasonably comparable.

The past year has been a busy one, and I would like to express my sincere appreciation to the Town Manager, Board of Selectmen, various Boards, Commissions, Trustees, Town Officials, Committees, Department Heads and my staff for the fine spirit of cooperation received throughout the year.

Respectfully submitted,

JAMES L. SULLIVAN

Assistant Purchasing Agent

Report of the Fire Department

January 1, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I submit my Fifth Annual Report as Chief of the Arlington Fire Department for the year ending December 31, 1959.

PERSONNEL

The uniformed force consists of 99 men: the Chief of Department, 5 Deputy Chiefs, 7 Captains, 19 Lieutenants and 67 Fire Fighters. The Department has a Master Mechanic, Doward L. Barter, a physician, Dr. Edward W. Feeley, and a Clerk, Anna B. Hurley.

JOHN E. BARRY

On April 7, 1959, Fire Fighter John E. Barry, aide to Chief of Department, died suddenly at home. He was appointed to the Department in 1923 and through the years his devotion to the Fire Service was outstanding. He was a faithful and loyal Fireman.

APPOINTMENT

May 3, Gerald F. Kinary, 17 Osborne Road, appointed permanent Fire Fighter; replacement for John E. Barry.

PROMOTIONS

Advanced to the rank of Lieutenant, were the following Fire Fighters:

November 15, Charles F. Mahoney
November 16, William A. Mills
November 17, Warren R. French, Jr.
November 18, Edward J. Reardon
November 19, Bartholomew Colby

ASSIGNMENTS

Deputy Chief Irving L. Proctor was detailed to the Water Survey Project, August 30 to November 29, 1959. With Foreman William McGurl of the Public Works Department a survey was conducted to determine the increase of volumes and pressures in Water System as the result of cleaning water mains during the past four years since the first survey was made in 1954 by Fire Chief Thomas H. Egan and Francis O'Hara, Superintendent of Public Works Department.

DEPARTMENT CHAPLAINS

Reverend Father Charles A. McCarthy, Curate at St. James Church; and Reverend William W. Lewis of the First Unitarian Church serve as Department Chaplains. Reverend Lewis was appointed May 7, 1959.

APPARATUS AT HEADQUARTERS

- Engine 1 (1954-Mack), 1000-gallon pumping unit
- Engine 4 (1954-Mack), 1000-gallon pumping unit
- Ladder 1 (1937-Seagrave), Tractor-drawn 85-foot aerial ladder truck. Requesting replacement of tractor section for 1960.
- Rescue 1 (1958-Mack), is equipped for emergency calls and flood-lighting operations.
- Life Boat, 14-foot metal boat with outboard motor and life-saving equipment, purchased in 1952.
- Chief's Car (1957-Pontiac)
- Deputy's Car (1959-Ford)
- Fire Prevention Car (1956-Ford)
- Utility Pick-up Truck (1952-Chevrolet), 1½-ton capacity
- Heavy-duty Maintenance Truck (Rebuilt from 1945 Mack Chassis)

APPARATUS AT HIGHLAND STATION

- Engine 2 (1952-Seagrave), 1000-gallon pumping unit
- Ladder 2 (1952-Seagrave), Non-tractor-drawn 65-foot aerial ladder truck
- Two 500-gallon Auxiliary Fire Pumps (1941-Buffalo), numbered Engine 15 and Engine 16.

APPARATUS AT PARK CIRCLE STATION

- Aerial Ladder 3 (1949-Seagrave), a Quintuplet Unit comprising 750-gallon centrifugal pumper, non-tractor drawn 65-foot aerial ladder, booster pump with attachment, carrier for 1000 feet of 2½-inch hose and 500 feet of 1½-inch hose, and a complement of ground ladders.

IN ACTIVE RESERVE

Engine 5 (1929-Seagrave), a 750-gallon pumper, is ready to aid disabled pumping units for a limited time only due to its age.

RESPONSE

The Department responded to 988 calls of which 322 were Box Alarms, 591 Still Alarms and 75 Mutual aid (Out-of-Town) calls; of the 669 telephone calls received, 121 were Box Alarms and 548 were Still Alarms.

In 1958 there was a total of 844 calls.

A summary of alarms revealed that the greatest number of such calls occurred in the month of April; that more occurred on Friday than any other day of the week, and also that of these calls the largest number were between the hours of 10 A.M. and 11 A.M. and between 4 P.M. and 5 P.M.

One hundred and twelve false alarms were sounded as compared with 54 in 1958.

The Rescue Unit responded to 72 First Aid emergency calls where the Resuscitator and Inhalator were requested for administration of oxygen. The rescue equipment on this Unit was used on several occasions to release persons trapped when involved in automobile accidents; also on many calls to homes when accidents occurred through misuse and faulty operation of home appliances.

Received 5 calls for use of Department Life Boat.

CAUSES OF ALARMS IN 1959

Accidents	16	Malicious Mischief	1
Automobiles	72	Miscellaneous	20
Blow Torch	1	Needless	26
Careless Smoking	33	Oil Burners	39
Children and Matches	16	Oil Tank Leaks	15
Chimneys	4	Out-of-Town	75
False Alarms	112	Refrigerator Leaks	12
First Aid	72	Rubbish	26
Gas Leaks	7	Spontaneous Ignition	6
Gasoline	7	Sprinkler Systems	9
Grass	221	Tar Kettle	1
Grease	14	Televisions	7
Heaters	8	Unknown	2
Incinerators	4	Water Department Details	9
Investigating	7	Water Leaks	18
Lightning	4	Wiring	33
Locked Out	75		

GENERAL SUMMARY OF EQUIPMENT USED AT FIRES

3500 feet of ladders raised
 43000 feet of hose used
 28000 gallons of water from booster tanks
 325 pumping operations for 90 hours
 4300 miles travelled
 2600 hours of service time

MULTIPLE ALARMS

April 7, second alarm sounded, Box 82, at 2:55 A.M. fire in Hardware Store, 1331 Massachusetts Avenue, causing loss of \$27,381.

October 21, second alarm sounded, Box 262, at 4:02 P.M. fire in dwelling, 47 Massachusetts Avenue, causing loss of \$7,840.

FIRE LOSSES

Seventy-nine losses occurred, 15 of which accounted for \$74,231 of the entire loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and the amount of insurance paid are as follows:

	Assessed Value	Insurance	Damage and Insurance Paid
Buildings	\$1,421,500	\$2,284,046	\$55,166
Contents	275,943	275,943	38,420
Total	\$1,697,443	\$2,559,939	\$93,586

FIRES WHICH CAUSED LOSS OF MORE THAN \$1000

February 1	Gerald Tobin, 58 Fisher Road	\$ 1600
February 8	Harry Hull, 75 Summer Street	1500
March 14	John Mirak, 440 Massachusetts Avenue	1500
March 15	Frank Aveni, 174 Broadway	6443
March 26	Herbert Kletjian, 26 Kensington Park	1459
April 7	Alfonso Ruggiero, 1331 Massachusetts Avenue .	27381
April 16	Gerald Arsenaull, 116 Franklin Street	2426
May 19	Grace Shea, 33 Appleton Street	1646
May 21	Anna Zarella, 189 Sylvia Street	2606
July 19	Domenic Apprille, 70 Decatur Street	1100
August 14	Nazareth Gechijian, 434 Massachusetts Avenue .	2472
August 29	Gerald Lewis, 12 Woodland Street	2998
October 6	Freda McElroy, 389 Massachusetts Avenue	5935
October 21	Mt. Auburn Realty, 47 Massachusetts Avenue ..	7840
December 30	Raymond Farr, Jr., 24 Cleveland Street	7325

APPROPRIATION

1959 Appropriation	\$564,581
Expended	558,731
Balance	\$ 5,850

CREDITS

Fees for 36 permits to blast	\$18.00
Fees for 10 permits for flammable fluids	5.00
Fees for 12 permits for use of tar kettle	6.00
Sale of junk	6.00
	<u>\$35.00</u>

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, Department Physician, rendered the following services in 1959: Office calls 50, house calls 10, station calls 3, physical examination 1, and 2 hospital calls.

In addition, Dr. Feeley responded to many emergency calls and Box Alarms. Several Conferences were held with the Chief of Department on medical matters pertaining to members of the Department.

FIRE PREVENTION

Places of business, public buildings, schools, hospitals, convalescent homes, and places of public assembly were inspected periodically by fire fighters. A record was made of existing conditions with date when corrections were made.

Recharged 63 fire extinguishers in these buildings.

For the fourth year, in October, at the request of Catholic Cardinal of Boston, the Fire Department inspected all Catholic churches, convents, schools, and other church property in Arlington and noted conditions found. These reports with recommendations were forwarded to the Chancellery. All Catholic churches in Arlington now are equipped with automatic fire detecting warning signal systems.

During 1959, Lieutenant Daniel J. Mahoney, Inspector of oil burning installations and flammables, inspected a total of 690 oil burners and other flammable installations and storage equipment. Four hundred and thirty-one permits were issued for approved installations after inspection. It was necessary to reinspect 259 installations because of faulty equipment and the failure of installers to meet all rules and regulations pertaining to oil burners and the storage of flammables.

DWELLING INSPECTIONS

For the third year, conducted "In-Service Inspection" of Dwellings whereby approximately 10,000 homes were inspected by Fire Fighters with apparatus. Steady contact with Fire Department Headquarters was maintained through two-way radio. Many weeks were required for the inspection of Dwellings—a most vital phase of fire prevention for reduction of hazards in the home.

In conjunction with Dwelling Inspections, the "Clean-up, Fix-up, Paint-up" Program for 1959 began on April 13th and continued through May 29th. Our home inspection campaign makes fire prevention very real to householders. It provides means whereby Fire Fighters point out to occupants the existing fire hazards and ways to eliminate them. It also affords an opportunity to emphasize the importance of fire safety in the home and the need for constant vigilance. Without question, Dwelling Inspection is responsible for the saving of many lives beside reducing the number of home fires.

The Public Works Department fully cooperated during the "Clean-up" Program in the removal of accumulated debris and rub-

bish. Many requests were received to have rubbish carted away. Lieutenant Harold C. O'Leary directed this project.

FIRE DRILLS IN SCHOOLS

The Annual Fire Drill for the evacuation of children from school buildings under the supervision of the officers of the Fire Department was conducted in public, parochial and private schools.

A record was made of the number of classrooms, pupils, exits used and the time required to vacate each building, a copy of which was sent to the School Department.

For the fifth year, Fire Fighters with apparatus went to the schools for holding of fire drills and at the same time through the medium of two-way radio remained in service for fire duty in the event of alarm of fire.

FIRE DRILLS IN NURSING HOMES

In accordance with provisions of Chapter 333, Massachusetts General Laws, Deputy Fire Chiefs made periodic inspections of Symmes Hospital and the Nursing Homes throughout the Town, and conducted the required fire drill. Reports were forwarded to Massachusetts Department of Public Health.

HYDRANT INSPECTIONS

For the fifth year, the Arlington Fire Department assisted the Public Works Department with cleaning of water mains under the Volumes and Pressures Program, and Fire Fighters continued the "In-service Inspection" of approximately 1246 hydrants in the Town.

In January 1959, 145 hydrants were discovered to be frozen. These were immediately thawed and drained by the Fire Department whereupon the Water Department was notified.

During summer months, Water Flow Tests of each hydrant were conducted daily after 10 P.M. Records were kept of static and residual pressures. Faulty and defective hydrants were reported to the Water Department for immediate repairs.

The winter inspection of hydrants was held in November rather than in January thus correcting any defective hydrants before the freezing weather to insure continuous service during winter months.

TRAINING OF FIRE FIGHTERS

Although our training Program is limited due to lack of proper facilities, Fire Fighters participated in frequent drills in quarters and were instructed in proper methods and use of Fire Department equipment. Routine drills were held in pumping, drafting and life boat practice at Spy Pond and the Heights Reservoir.

A treatise was issued to each member of the Department regarding "Radiation Hazards in Fire Fighting" prepared by Deputy Chief Albert G. Lennon after he completed such a course conducted at Hanscom Air Base, U.S.A.F.

In January, Deputy Chief Bartholomew J. McGreevy and Lieutenant Daniel J. Mahoney attended Oil Burner School sponsored by Oil Institute.

AUXILIARY FIRE FIGHTERS

Instructions in evolutions of Fire-Fighting were given to members of the Auxiliary Fire Department by Deputy Chief Irving L. Proctor, Fire Department Coordinator with Civil Defense. Auxiliary Fire Fighters worked in the stations daily from 7 P.M. to 10 P.M. rendering stand-by assistance beside receiving Fire Fighting training. They responded and assisted the regular Department at multiple alarm fires on April 7 and October 21.

April 17, 1959, Air Raid Alert sounded at 11:30 A.M.

DETAILS

Fire Fighters at Park Circle Station since 1949 have been assigned during school hours for traffic duty in that section to protect school children.

During welding operations or when blow torches were used for repairs in school or public buildings, a Fire Fighter was detailed to stand-by duty as precautionary measure to guard against fire.

In winter months, the Fire Department assisted the Park Department with flooding of playgrounds for skating rinks.

Rescue Unit No. 1 participated in parade, April 19 and May 30.

Engine 1 detailed to Lexington parade, April 19.

Engine 1 took part in Belmont centennial parade, June 17.

Engine 4 and Deputy's Car assigned to Boston Fire Prevention parade, October 4.

Captain John E. Canniff was detailed to Hanscom Air Base to inaugurate inspection schedule for dwellings at request of fire chief at the base, September 28.

BUILDING MAINTENANCE

At Headquarters, two hose racks for storage of 2½-inch and 1½-inch fire hose were constructed by department personnel.

At Highland Station, installed chain link fence to keep children from running in front of apparatus leaving station to respond to alarms. Began the project of renewing pipes throughout the building, and Fire Fighters refinished walls with ceramic tile at a considerable saving to the Town.

At Park Circle Station, installed a 10-KW gasoline-driven generator to supply auxiliary power in the event electric (Edison) current failed since that station is designated as radio communications center for Civil Defense.

Fire Fighters at the three fire stations merit praise for their work and efforts in maintaining so well the Fire Department buildings, a task resulting in great financial saving to the Town.

RECOMMENDATIONS

For the year 1960 recommend that \$577,466 be appropriated to include the replacement of tractor-section of Aerial Ladder No. 1.

CONCLUSION

I thank Town Manager, Edward C. Monahan, and all branches of our Town Government for sincere cooperation given the Fire Department during 1959.

To the members of the Fire Department my gratitude for notable performance of duty so often attested to by many letters of commendation and appreciation received from citizens for exceptional services rendered by the Arlington Fire Department.

Respectfully submitted,

THOMAS H. EGAN

Chief of Fire Department

Report of the Fire and Police Signal System

January 1, 1960

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit my Fifth Annual Report for the year ending December 31, 1959.

The System is maintained by Assistant Superintendent Lester W. Cameron blowing together with Signal Maintainers Nicholas J. Bucciero and Frederick J. Manning.

FIRE ALARM AND POLICE SIGNALS

Many difficulties were experienced as the result of temporary breakdown in aerial and underground lines. Storms, winds, rain, snow and lightning inflicted severe damage and circuits were grounded. Trees blowing against lines caused interruption of service. When found out of order, circuits were restored to immediate service.

Routine repairs were made. Wound and tested fire alarm boxes, police signal boxes, police signal desk and signal registers; also checked air whistle and master clock. Painted all signal boxes throughout the town, and on fire alarm boxes, placed decal "Fire".

The following signal boxes were damaged when struck by automobiles:

Police Box 213	Mystic Street - Winchester Line
Police Box 433	Summer Street - Franklin Avenue
Police Box 461	Wachusett Avenue - Florence Avenue
Fire Box 156	Massachusetts Avenue - Teel Street
Fire Box 359	Mystic Street - Winchester Line
Fire Box 77	Lowell Street - Park Avenue

NEW POLICE SIGNAL BOXES

Installing:

Box 341 Hemlock Street - Dickson Avenue

Installed:

Box 443 Hobbs Court

NEW FIRE ALARM BOXES

Box 4651 Jason Street - Spring Street

Box 5513 Brattle Terrace

Box 737 Clyde Terrace

Box 3251 Park Circle Fire Station

Box 8634 Browning Road

The following fire alarm boxes were changed from outmoded Gardner type to Peerless Succession Signal Box:

Box 289 Colonial Drive - Cheswick Road

Box 372 Summer Street - Mill Street

Box 465 Jason Street - Opposite No. 179 (Relocated from No. 193 Jason Street)

Fire Box 642, Gray Street - Oakland Avenue, raised nine inches on pole because of street construction.

Fire Box 8651, Concord Turnpike - St. Camillus Church, removed from ground pedestal and installed on telephone pole.

Fire Box 8454, State Department of Public Works Building, Appleton Street, connected to Sprinkler System.

Fire Box 7121, Symmes Hospital, inside Auxiliary Box 42 installed and connected to dry Sprinkler System.

SCHOOL FIRE ALARM BOXES

In accordance with provisions of Article 69 of the Annual Town Meeting of 1959, the following school interior Fire-Alarm Systems were connected by Master Boxes to the Municipal Fire Alarm System providing immediate signalling with the Fire Department:

Box 1333 Junior High School East
 1391 Crosby School
 2631 Hardy School
 4412 Junior High Industrial Arts
 4421 Parmenter School
 6412 Cutter School
 6431 Junior High School West
 7521 Peirce School
 8212 Locke School
 865 Brackett School

It was necessary to install in the office of the principals, supervisory and key shunt panels to permit the sounding of practice drills by authorized school department personnel. Installation of excess water pump on present sprinkler system was made at the Industrial Arts and Cutter Schools.

July 15, Master Box 5313 was installed in the new building of the Senior High School. All Auxiliary boxes in the building are connected into this Master Box.

CABLE CONSTRUCTION

Because of reconstruction of Pleasant Street it was necessary to reset pedestal 421, Lombard Road, and pedestal 422, Addison Street, twelve feet to new curb line. Transferred and installed 6-conductor underground cable to new underground poles on Swan Street and Addison Street.

On Jason Street because of construction work by the Edison Company, it was necessary to rebuild fire and police signal lines. Aerial lines were replaced by 6-conductor cable on Jason Street, Brantwood Road, Spring Street and Bellevue Road.

Pulled in 6-conductor underground cable from Box 552, Massachusetts Avenue-Hobbs Court to underground pole on Hobbs Court. Pulled out old underground cable on Mystic Street-Summer Street to Victoria Road; on Massachusetts Avenue, Walnut Street to Park Avenue, and on Park Avenue-Massachusetts Avenue to Prospect Avenue.

Ran in 2-conductor aerial cable on:

Dickson Avenue-Washington Street
Clyde Terrace-Lawrence Lane
Browning Road-Wright Street
Revere Street-Albermarle Street
Mt. Vernon Street-Moulton Road

Replaced 6-conductor aerial lines on:

Wachusett Avenue-Park Avenue
Hillside Avenue-Walnut Street
Gray Street-Pine Ridge Road
Cypress Road-Spring Avenue
Winchester Road-Hobbs Court
Crosby Street-Yerxa Road

Made 55 transfers of lines to new poles, rebuilt lines, pulled up slack on aerial lines.

Throughout the Fire and Police Signal System, removed and trimmed trees and branches from aerial lines and installed wood mold where wires came in contact with trees.

AIR RAID SIGNALS

Tested sirens on the first and third Friday of each month.

April 17, 1959, Air Raid Alert sounded at 11:30 A.M.

Routine inspection was made of the following Air Raid sirens throughout the Town:

Massachusetts Avenue-Teel Street
Massachusetts Avenue-Winter Street
Massachusetts Avenue-Tufts Street
Massachusetts Avenue-Mill Street
Massachusetts Avenue-Brattle Street
Massachusetts Avenue-Forest Street
Massachusetts Avenue-Park Avenue
Florence Avenue-George Street
Summer Street-Mill Street
Summer Street-Park Avenue Extension
Broadway-Everett Street
Lake Street-Margaret Street
Highland Avenue-Ottawa Road
Mystic Street-College Avenue
Medford Street-Sherborn Street
Pleasant Street-Gould Road
Lowell Street-Park Avenue Extension
Trowbridge Street-Waldo Road

DETAILS

At Park Circle Station set up and installed auxiliary power generator to provide current in the event of electric (Edison) failure.

Installed floodlights in yard at Highland Fire Station needed for the safety of voters using that Station at time of elections.

Set up public address system on many occasions for various departments.

Rendered assistance to other departments when they requested use of winch and derrick on fire alarm truck.

The Town Clock in Church Steeple, Massachusetts Avenue-Pleasant Street, wound weekly on Fridays.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on tree and crib at Monument Park, at Fire Department Headquarters and at the Highland Fire Station.

APPROPRIATION

1959 Appropriation	\$22,039
Expended	21,744
	<hr/>
Balance	\$ 295

RECOMMENDATIONS

For the year 1960 recommend that \$22,317 be appropriated.

CONCLUSION

I thank Town Manager, Edward C. Monahan and all Departments for their fine cooperation given during 1959.

I am grateful to the Signal Men for their devotion to this important branch of public service who in storms and on many occasions when failures occurred in the Signal System, worked day and night to perform dangerous duties of climbing poles to remove or sever high tension electric wires thus making every effort to efficiently maintain the Signal System of both the Fire and the Police Departments.

Respectfully submitted,

THOMAS H. EGAN

Superintendent,

Fire and Police Signal System

Report of the Board of Selectmen

Your Board of Selectmen herewith presents its Annual Report to the Town for the current year.

Since the redevelopment of Arlington Center has been and is at the moment of paramount importance, the early part of the year was principally devoted to the discussion of various proposals in connection with this project. Conferences were held with the Planning Board, the Arlington Development Commission, the Chamber of Commerce, the Finance Committee and property owners, which resulted in the preparation of various articles in the Warrant for the Annual Town Meeting which would provide the appropriations and the authorization necessary to permit this project to be brought to its proper completion. The relocation of Mystic Street, however, was principally hampered because the Legislature had decreased the appropriations which are normally allotted to Cities and Towns under the Chapter 90 program and, as a result, additional funds required for this work were not obtained until the latter part of July. Delays were also experienced as a result of approvals which must be received from the County Commissioners and the Department of Public Utilities for the establishment of such a roadway at grade with the Railroad tracks.

At the Annual Town Election in March, Mr. John O. Parker was elected to office for a three year term. On the first Monday thereafter the Board organized by unanimously electing Mr. Arthur D. Saul, Jr., as Chairman and Mr. Thomas R. Rawson as Vice-Chairman.

With the completion of six years under the Town Manager form of government the Board reappointed Mr. Edward C. Monahan as Town Manager, for a successive three year term, beginning May 1, 1959, as one of its first official acts after organizing.

Upon the conclusion of the Town Meeting, we resumed our deliberations on the Arlington Center program and immediately instituted action for various takings which were required before actual construction could begin. Despite legal technicalities which prevented the construction of an entrance from Medford Street, work was begun to convert Russell Common to a metered off-street parking area with the use of Public Works personnel. This was completed the latter part of August to accommodate 170 vehicles and was formally dedicated on September 18, 1959. Negotiations have been in progress with owners of property which was authorized to be taken for use in the relocation of Mystic Street. Our efforts have been successful in purchasing the residential properties at a reasonable price. This eliminates any chance of litigation with its attendant possibility of the award of excessive amounts in the form of monetary damages. At this writing all details pertaining to the reconstruction of Mystic Street have either been resolved or are in the process of being approved and we anticipate no problems to prevent the reconstruction of this traffic artery during the coming year.

Regular weekly meetings have been held throughout the year with special meetings being called when such procedure was

advisable. During the summer months, however, we followed the existing custom of holding bi-weekly meetings and discontinued all hearings.

Traffic regulation continues to be one of our major problems. Our citizens find it difficult to accept the fact that we are no longer a small suburban community, but have reached the urban stage and must necessarily accept the responsibilities which accompany densely populated areas. In this respect the number of motor vehicles which are garaged in the Town, coupled with transient pleasure and commercial vehicles which traverse our highways, present problems which cannot be eliminated but only regulated within certain limits. Speed and hazardous driving can, however, be controlled and in this respect a police detail has been assigned to patrol various areas daily throughout the past year and has administered varied action, from warnings to prosecutions, to violators who have been apprehended. We hope that by continuing this program we will establish the reputation that nothing short of safe and sane driving within the Town limits will be tolerated and, in this manner, give the citizens the maximum protection that can be obtained in this day and age when steadily increasing speed seems to be our ultimate goal.

Routine matters that cannot be legally delegated consume a great deal of our time which could easily be devoted to more important affairs. In this connection we grant all types of licenses, appoint jurors, election officers and other Board members and employees under our control, handle innumerable complaints and perform countless other details of the office. We are ever watchful of State legislation by scanning various bills which may affect the Town's welfare, and attend hearings relative to such legislation when such action is indicated. In any event, we make our wishes known in this respect and solicit the aid of our Representatives and Senator in the General Court to support our stand.

Although very little vacant land is left for development, applications are still being processed for small and a few sizable housing developments by us as a Board of Survey. These are approved in accordance with stringent regulations which require the developer to assume the entire cost of installing all underground facilities, as well as a suitable roadway, all in accordance with Town specifications. In this manner we can continue a program which was adopted last year to accept such developer built streets as public ways and thus, in a measure, reduce the ultimate cost of our street construction program. Our regular street program, for which betterments are assessed, was continued and a total of twenty-two streets were recommended for acceptance at a total estimated cost of \$291,938.00. Despite the magnitude of this appropriation, which has averaged this amount for the past ten years, we can foresee no relief in this respect for a great many years. At present we have some thirty-six miles of private ways in the Town and, with a fraction of a mile being constructed each year, it can readily be seen that this program will continue for decades.

Under the Chapter 90 program, where the State contributes one-half the cost and the County and the Town match funds for the other half, we completed the widening of Pleasant Street, from Massachusetts Avenue to Peabody Road. This will tie in with Mystic Street, as

relocated, to eliminate the rotary traffic through Medford Street and Chestnut Street, and will channel this traffic directly across Massachusetts Avenue. It is believed that this will provide a great deal of relief from the congestion that is now experienced in Arlington Center. Request has also been made under this program for the widening of Massachusetts Avenue on the northerly side, from Mill Street to Schouler Court, the reconstruction of River Street for its entire length and for a portion of Park Avenue, between Wachusett Avenue and Cedar Avenue, which, if approved, will be incorporated in the 1960 program. The sidewalk and edgestone program is being continued in accordance with annual custom. The backlog of applications under this program have now been processed and the appropriation for this type of work was, therefore, reduced from \$25,000.00 to \$20,000.00, which proved to be ample to take care of current requests for such installations.

Although the relocation of Route 3 has remained dormant for several years, its imminence was brought sharply to the forefront during the last days of the year. On December 29, 1959, the firm of Hayden, Harding and Buchanan, Inc., Consultants for the State Department of Public Works, conducted a hearing on its proposal for the location of the Inner Beltway and the radial routes which would be necessary for its connection with Route 128. Four alternate routes were shown for the relocation of Route 3, all of which had been under consideration at some time or other, since the original proposal for such an extension was made by the State. The consultants requested municipalities affected by such routes to submit their choice of location after which the consultants would, in turn, submit their recommendation to the State Department. At this writing the Board, with the unanimous consent of the Planning Board and the Development Commission, has recommended that this route be extended from Route 128 in such a manner as to be located primarily through virgin territory and, ultimately, by passing through the Great Meadows, is terminated at Route 2 in the vicinity of the Lexington Town line.

Several years ago our water system was found to be woefully inadequate in certain portions of the Town and through long range planning the volumes and pressures of the entire system have been subjected to corrective measures designed to modernize this public facility. This program is now reaching its conclusion and we, in our capacity as a Board of Public Works, are currently faced with the creation of a similar program to improve and modernize the drainage system. For some time now there has been an increased demand from citizens in various sections of the Town for drainage facilities, particularly in low areas on private property. These conditions are difficult to resolve because of legal restrictions yet some relief must be provided, especially where damage occurs periodically from heavy rains or melting snow. In many of these cases we recommend that the persons affected seek an appropriation from the Town Meeting to alleviate their difficulties by drainage installations authorized in this manner. Other cases which confront us seem to defy an adequate solution. It is, therefore, anticipated that this type of program will be instituted within the next year or two and will ultimately be completed as a modern and efficient means of disposal for storm waters. In our routine assignments on Public Works matters we adopt orders of taking for underground structures, levy

assessments for sewer and water installations and grant abatements when such procedure is justified. From time to time various problems arise which demand the amendment of or a change in policy but these matters are taken in stride and a solution is adopted which, in our estimation, serves the best interests of the Town.

In conclusion we would like to extend our appreciation to all Town Officials, Boards and Commissions, as well as private organizations, who have cooperated with us throughout the year. We should also like to commend our Executive Secretary and our Office Staff for the proficient and exemplary manner in which they have performed their exacting duties in administering the Board's affairs.

ARTHUR D. SAUL, JR.

Investigations

During the year investigations were made in rodent control; individual sewage disposal systems, and smoke abatements. Comprehensive reports on these investigations were submitted to the Board of Health.

SERVICES RENDERED BY THE PUBLIC HEALTH NURSE

Periodic visits were made to the homes of those who were reported cases of communicable disease which required routine follow-up. Assisted those concerned to meet the necessary requirements as recommended for their particular case. Under supervision, she administered antibiotics to patients, discharged from the sanatorium, yet requiring medication.

Assisted the physician in the physical examination of Parochial school children. Gave the Massachusetts Vision Test, as required, to the children of those schools, and in addition performed the Pure Tone Hearing Tests on those children who were designated as needing the test. Referral recommendations as a result of the tests were sent to the parents of those children who did not pass the tests. Took the measurements and weights of all pupils in the Parochial schools who qualified for those details. Rendered emergency and first-aid treatment on cases requiring attention.

Regular visits were made to the Private and Nursery Schools operated in the Town.

Attended courses in Public Health Administration and Day Center Agencies which were sponsored by the State Department of Public Health.

Detailed and Statistical reports of the activities of the Public Health Nurse are filed as records of the Health Department.

REPORT OF SLAUGHTERING INSPECTOR

No inspections were made in the Town of Arlington during the year ending December 31, 1959.

Report of the Town Counsel

December 31, 1959

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Sir:

I herewith submit my report for the year 1959 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been twenty-eight accident claims against the Town this year. Six have been settled as authorized by the Town Manager and the Board of Selectmen. Eight have brought suit and fourteen are in abeyance. Of the previous year's claims and suits, ten were abandoned without suit, two were abandoned at the time they were reached for trial, five were settled as authorized by the Town Manager and the Board of Selectmen, and there were verdicts for the Town in two cases. There were no verdicts against the Town.

A number of land damage claims arising from street widenings and storm drain installations were compromised also as authorized by the Town Manager and the Board of Selectmen.

Under Article 27 of the Warrant for the 1957 Annual Town Meeting, the Town meeting members voted 106 in the affirmative and 91 in the negative on a motion to amend the Classification Plan—Schedule A and the Pay Plan—Schedule B by increasing the figures contained therein with respect to Grades PF-2 through PF-6 which relate to and include all the ranks of the uniformed personnel of the Police and Fire Departments. The motion was declared lost as lacking a majority of the entire Town Meeting membership ruled necessary to amend a Town By-Law under Robert's Rules of Order.

Nine members of the uniformed personnel of the Police and Fire Departments, acting in their individual capacities, brought a petition for a Declaratory Judgment or Decree in the Middlesex Superior Court as a test case to determine whether the aforesaid vote was legally effective to amend the Classification and Pay Plans and to determine whether they were legally entitled to be compensated at the rates which they contended were increased by the aforesaid vote. A Final Decree in favor of the Town stating that the aforesaid vote was not a valid vote to change the Classification and Pay Plans was handed down by the Justice of the Superior Court.

The petitioners appealed from this decree and the Supreme Judicial Court has reversed the findings of the Superior Court and held that the vote in question was a valid vote to effectively amend the Classification and Pay Plans with respect to the grades in question.

A petition filed by a property owner in the Superior Court claiming to be aggrieved by a decision of the Board of Selectmen concerning a question of apportionment of betterment assessments relating to land of the petitioner resulted in a verdict in favor of the Town upholding action of the Selectmen.

A Bill in Equity appealing from a decision of the Zoning Board of Appeals resulted in a Final Decree in the Superior Court in favor of the Town and upholding the decision of the Board of Appeals.

Substantial amounts of money for aid rendered by the Board of Health and the Symmes Arlington Hospital have been collected and turned over to the Town Collector.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector also.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close co-operation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Boards and Commissions and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and co-operation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciation.

Very truly yours,

JOSEPH A. PURCELL

Town Counsel

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To: Town Manager Edward C. Monahan

Dear Mr. Monahan:

We submit herewith the report of the Trustees of the Robbins Library for 1959:

1959 was a year of frustrations for the Trustees of the Robbins Library.

At the 1959 town meeting, \$10,000. was voted toward the installation of an elevator at the Library. An additional \$10,000. was made available by the Trustees from the Nathan Pratt Fund for the same purpose. Since this is a highly specialized type of construction it was necessary to hire an architect and Mr. Harry Korslund was contacted. He found that the \$20,000. was ample for the elevator but that other work should be done in the gallery before it could be used. To abide by the safety laws a fire escape would need to be erected as well as a glass fire wall at the head of the main staircase. Since there are no windows in the gallery, ventilation plus additional heat would be required. In addition there would be the work immediately concerned with the elevator—the hoistway work plus the erection of a new hatchway. In short, an additional \$16,000. is needed before the gallery can be made ready for occupancy.

Since \$2,300. was available for lighting, the Trustees decided to proceed with the lighting for the gallery. However, when the work went out on bid it was found that an additional \$1,200. would be needed for that phase of the construction.

The heating of the main library has always been a problem. Certain areas are too warm and others too cold. No matter what has been tried to remedy the condition, a solution has not been found. Alfred Y. Christie, Consulting Engineer, made a careful study of the situation and his recommendations were costly and could not be considered at this time.

In the fall of the year bids went out for the pointing of the main building. There was such a great discrepancy in the bids that the Trustees were advised to wait until the spring before drawing up new specifications and putting the work out on bid again.

With the recommendations of the survey regarding personnel in mind, the Trustees interviewed all the professional staff and some of the non-professional staff. Following the suggestions of the survey, the Trustees approached the Personnel Board to ascertain if a reclassification of the salary schedule for the professional staff could be instituted. The only accomplishment from the above meeting was a separate listing in the Town Classification and Pay Plan for the library staff. There was no increase in salaries.

The brighter side of the personnel picture reveals that by November 1, 1959, the library had almost a complete staff, following many resignations and replacements during the year. Miss Lila Foss has taken on the duties of Assistant Librarian and Supervisor of Adult Activities. This position has been vacant since Miss Sampson's

resignation in September 1958. Mrs. Penelope Maglaque is the new Music Librarian—she is the fourth in 1959. Mrs. Woo has been replaced by Miss Mary Burgarella in the Catalogue Department, and Mrs. Edith Sanborn was appointed to the position of Young People's Librarian.

Four new schools with two new librarians have been added to the School Library Program. In addition to the Thompson and Dallin Schools, the Hardy, Crosby, Bishop, and Locke Schools are being serviced. The teachers and principals have been enthusiastic about the program. The children are reading more, are familiar with library techniques, and are beginning to know where to look for information for their school studies as well as for their own interests.

Early in the year, the Boston Public Library entered a bill into the Legislature which would tax all communities in the Metropolitan Transit District Area for the use of the Boston Public Library. The Town Manager, the State Senators and Representatives were alerted and took action. At the hearing Arlington was represented and was among the objecting towns that were instrumental in defeating the bill.

A Nash Rambler for library use has been purchased and is being used constantly for the many travelling duties and activities of the library.

At present more stacks are needed, larger reading area is a necessity and greater work space is essential. It is hoped that greater progress will be made in 1960 toward the realization of part of the survey.

Respectfully submitted,

MRS. ALFRED YOOD, Chairman
Board of Library Trustees

Report of the Librarian for the Year 1959

In many areas, it is difficult to evaluate satisfactorily the results of a year's work. In the library field it is particularly difficult. Much of the work cannot be measured. Books, for instance, in themselves are important, but most significant is the use made of them in a particular community within a given period. Statistics tell part of the story, but only a part, for no record can be kept of the large number of people who enter the library for one reason or another to read and consult its books independently, asking no help of the staff. Statistics, however, can give a clue to the amount of library service rendered by revealing the number of books borrowed for home reading and study within the period of a year.

GROWTH — CIRCULATION

Surveying the circulation figures over the past ten years, one fact becomes clear. The people of Arlington are making increased and better use of their library. In 1950, a total of 262,357 volumes were circulated. During the past year, this figure increased to 412,919. Percentagewise, a gain of almost sixty percent has taken place in this ten year period. Stated a bit more dramatically, using the standard library gauge which averages twenty books to each three foot book shelf, the books, circulated in 1959, standing side by side, would stretch out for a distance of eleven and one half miles.

But the above figures do not reflect the only gains made. There seems to be a very genuine interest in the community in music. The use made of the Music and Art Department bears out this fact and demonstrates the wisdom which prompted its establishment in 1951. During the past twelve months, 16,026 albums were borrowed by the library public, students and adults, for enjoyment and serious study.

In 1955, again in response to popular demand, informational service regarding films was initiated, and by joining the Film Cooperative of the Audio Visual Division of the Massachusetts Department of Education and the Canadian Travel Film Library, a limited supply of films have been made available for club and group programs. 294 films were provided during 1959.

More use has also been made of the picture collection during recent years. Business men, teachers, art students, club committees who need some particular illustration or picture not to be found in books are finding this collection a valuable means of supply. 1883 items were borrowed during the past year. This figure is more than double that of ten years ago.

In brief, the circulation of all materials, books, phonorecords, films, and pictures, totaled 431,118 items. This does not include the circulation of the elementary school libraries.

GROWTH — REFERENCE SERVICE

One of the most difficult areas of library work to appraise is that of reference service. An effort is usually made to record the number of questions asked each day of the Reader's Advisers and

Reference Librarians. But mere numbers do not tell the story. One question can be answered in a relatively brief period, another takes long research. For example, a simple request for the name of the Publisher of a now nonexistent magazine which can be answered in a few moments is followed by a request for material on some such subject as one of the following: Definition of an Educated Man—Contributions of the American Negro to the Culture of America—Material on the ten most important men of the twentieth century—Flower symbolism in Catholic Literature—American foreign policy during the past two centuries—Material on the gullibility of the American public.

The Reference Librarian accordingly is the middle man between the reader and the information sought. And it is often difficult to pinpoint the borrowers' needs, for many users neither know exactly what they want nor what to ask for when they enter a library. A request for a world atlas is boiled down to a desire to find the distance between Boston and Worcester, and a request for a book on American literature, a list of the writings of Nathaniel Hawthorne.

In 1959, the Reference and Readers' Advisers answered 18,495 questions. This is in contrast to the figures for 1952, apparently the first year such records were kept. 7889 questions were recorded that year. These figures indicate a percentage increase in reference service of 134 percent. This demand for informational services has been prompted by a number of factors. The steadily rising educational level of the general public leads to new demands for service. An ever increasing interest in scientific and technical subjects is reflected in the request for materials and information along such lines. Growing recognition of the need of cooperation between schools and libraries has stimulated increased demands on public libraries by the schools.

GROWTH—BOOK COLLECTION

A net gain of 5,365 volumes during the year brought the total bookstock to 127,271. To be effective, the library's available book collection must always be good enough to meet the needs of those for whom it is provided. The community is made up of individuals with varying requirements arising from their work, their social and cultural activities and interests and suited to their abilities and experience. In order to supply this variety of demand, the book stock must be kept up to date to take care of the changing needs of the borrowers and to make accessible new information about things new and old. But, libraries should do more than meet existing needs. Within limits, they should emphasize the wealth and variety of the world of books, and should encourage people to use them. This cannot be done if the book stock is either inadequate or limited in scope.

The problem of book selection is a basic one for librarians. Out of the thousands of titles published each year the librarian must select those which seem to be of greatest value, most likely to have greatest demand, and be most useful in the overall picture, always taking into consideration the funds provided by the community for this purpose.

GROWTH—SCHOOL LIBRARIES

The school library may be considered a twentieth century development. During the early part of the century, the school program did not include a wide use of books or a broad reading program. Consequently a library was not considered necessary to the school. Today, however, with improved teaching methods, and accelerated and special programs, it is considered not only desirable, but necessary to have a central library within the school in charge of a trained librarian to serve as a reference center for teachers and students and a source for books for home reading. In 1957, Arlington recognized this need and began a long range program to establish libraries in all elementary schools. At the present moment six such libraries are functioning with trained personnel. During the year in addition to the use made of these libraries within the school buildings, a total of 32,464 volumes were borrowed for home reading, 7,377 more than were used by the children during the previous year.

One gratifying result of the school library plan in Arlington has been its participation in the Traveling Elementary School Library Science Program for 1959-60. Initiated by the National Science Foundation, an agency of the Executive Branch of the United States Government, it has for its purpose "to stimulate an interest in reading science and mathematics books, to broaden the science background of students, and to assist those who develop an aptitude for science and mathematics with their choice of careers". The Traveling Science Library consisting of 160 books, is being loaned to 800 elementary schools which have a central library in the school building in charge of a trained librarian. Arlington was awarded six of the 800 libraries available to the entire country, one for each school library. Needless to say, the books are being put to good use.

A BRIEF OVERVIEW

YOUNG PEOPLE'S DEPARTMENT: The Young People's Department, with its books, periodicals and pamphlets especially chosen for this age group has had extensive use during the year. Helping high school students select books and find material for school assignments, giving instruction in the use of the library and books, guiding the R-V-T Club (a group of high school students who meet at the library twice a month), working with the schools, preparing bibliographies for the schools upon request—these and other related duties have kept the Young People's Librarian fully occupied.

JUNIOR LIBRARY: According to the Supervisor of Children's Library activities, 1959 was a year filled with many projects and activities planned to interest children in books and reading. Particular mention perhaps should be made of the Essay Contest sponsored during National Library Week in April. Planned for grades four, five, and six of the schools which have libraries, the contest had many participants. The boys and girls who submitted the best papers were recognized with book awards.

In June, to stimulate summer reading, book lists were prepared for the fourth, fifth, and sixth grade children by the Junior Library Staff. These lists were mimeographed by the School Department and distributed to all boys and girls in these three grades before the

close of school in June. An amazing number of children used these suggestions for their reading guide during the summer months.

Following a custom of many years, a Summer Reading Club was organized and carried on from the close of school in June until Labor Day. 815 children participated, 319 at the Main Library, 268 at Dallin, and 228 at East Branch.

On Saturday morning three types of programs have been provided for the children during the winter months. 90 story hours, film showings and recorded concerts of special programs were presented at the Main Library and the two branches. 3467 boys and girls attended these sessions.

BRANCHES: The upward trend in library activity which took place at the Dallin Branch during the war years has continued through 1959 to make this past year the most outstanding in the history of the Branch. The total circulation of 61,698 volumes represents an 82 percent gain during the past ten years. The East Branch also has had the busiest year on record with a circulation count of 86,107, a gain of more than one-hundred percent over the 1950 figure of 39,755.

OTHER: Seldom is much thought given to the work carried on behind the scenes of the library. With staff shortages and an increased work load due to booming circulation, it has frequently been difficult to maintain the necessary flow of work. To mention a few of these "behind the scene" duties, the staff has written and mailed 18,935 overdue notices, processed 5,389 reserves, and catalogued 8,834 books.

The library has been the recipient of many gifts during the year. Books, magazines and flowers have been presented by both individuals and groups. Numerous exhibits of interest for display purposes have been loaned by public spirited citizens.

LIBRARY HALLS: During the year 331 community groups met in the Junior Library Hall and the auditorium at Dallin Branch was used for 50 meetings.

PERSONNEL: The sudden death in December of John Loftus, one of the Custodians, was a shock to the entire staff. During the six years he was employed at the Robbins Library, Mr. Loftus was always a conscientious, willing, and cooperative worker.

GROWTH — FUTURE

In her yearly report for 1950, the Librarian wrote "The problem of overcrowding by people and books is a real one In this, my last report to the Trustees of the Robbins Library, I wish to express the wish that all of the forward looking plans that have been talked about may materialize in the future, that some may be realized soon, namely, more shelving for the present book collection" Ten years ago this was urgent. Today it is a necessity. Book space for additional growth is nonexistent. Reader space is at a minimum. Staff

work space is lacking. The Robbins Library has grown; no longer can it be designated a small library as it was ten years ago. It has graduated; today it is a medium sized library in a large town. As such, it needs to be given the space in which to cope with ever increasing demands made upon it by the citizens of the community.

The Librarian herewith thanks:

The Board of Library Trustees for the unusual quality of its support and help during the past year and for its tireless effort to give the people of Arlington the best possible library service.

The Staff and Custodians for their interest and loyalty in serving the public.

The Town Manager for his appreciation of and concern for library problems.

The many library friends for their continued support.

Respectfully submitted,

JUDITH E. STROMDAHL

Librarian

Annual Report of the Department of Public Works

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1959.

Under the provisions of Chapter 718 of the Acts of 1956 a portion of Jason Street from Massachusetts Avenue southerly was reconstructed.

The Sidewalk and Edgestone program for 1959 was once again completed within the year.

During 1959 the Department constructed Saratoga Road, George Street and University Road. Homer Road, Browning Road, Washington Street, Aerial Street, Carl Road, Epping Street, Crawford Street, Dorothy Road and Marrigan Street were constructed by private contract.

Under Article 61 of the 1959 Warrant whereby certain streets constructed by developers in accordance with specifications as set forth by the Town Engineer were accepted, we completed this construction as follows: Heath Road—sidewalks; Wollaston Avenue—installation of catch basins.

The construction of Drake Road under Article 61 also involved the construction of a reinforced concrete and steel overpass which is still under construction. Bids were originally sought to have this work performed by private contract. Inasmuch as Bids were far beyond the amount of money available, plans were revised and now this Department has undertaken the actual construction. Completion of project should be early in 1960.

Public sidewalks of concrete or bituminous concrete construction which had become hazardous or worn out were replaced under our program of maintaining permanent and public sidewalks. This program is a much needed one and should be continued until all public sidewalks are in a safe condition.

The Department constructed the new roadways including new sidewalks and curbstones in front of the Senior High School. We installed a new Parking Area at this same location, all of which was completed prior to the opening of the School year on September 10, 1959.

We also constructed the new Parking Area at Russell Common which is now complete other than the roadway entrance from Medford Street. Present balance is ample and should legal clearance be given, this project should be entirely complete early in 1960.

I feel at this point that it should be mentioned that our Department of Public Works not only fully maintains all functions of Public Works but also performs all types of new construction far beyond the normal scope of Public Works departments in surrounding Towns and Cities. We are almost completely mechanized and

as such have progressed much more rapidly than our neighboring communities. This has only become possible through the astute business sense and complete co-operation of the Town Manager, Board of Selectmen and the Finance Committee.

Storm Drain main extensions with strategically located catch basins were installed in Chestnut Street, Homer Road, Kipling Road, Lowell Street, Newman Way, Prescott Street, Winslow Street, Russell Terrace, Ridge Street, Spring Street and Wright Street. We have kept our catch basins free of material and debris by our practice of periodically cleaning these catch basins by equipment specifically designed for this purpose.

Public roads and sidewalks were maintained and 34,644 linear feet of public roadways received a seal-coat treatment. I strongly advocate the continuance of this program on as extensive a basis as possible.

Our roadways were constantly cleaned by means of our power sweepers which are on the road constantly from April through December. These machines handle not only the normal dirt accumulation but also the leaves from our many trees.

Regular maintenance was performed on our entire Water System. The Sewerage System was cleaned and flushed in that section from Pleasant Street to approximately Oakland Avenue, southside of Massachusetts Avenue and also those sections of the Town which have to be cleaned annually. Here again modernized equipment has allowed us to do the job more efficiently. Under Maintenance of the Sewerage System we also provide for service to those property owners whose particular sewer connections become clogged. I feel that this service is definitely one that is greatly appreciated by all who have occasion to call upon us.

Water Mains, Sewer Mains and Storm Drain Mains, including all appurtenances were installed in various locations throughout the Town. Private developers also installed many Sewer, Water and Storm Drain mains in which case we provide all inspection.

Rubbish was collected from all dwellings and most places of business throughout the Town. The volume has increased which is understandable due to the new construction of homes, apartments and industry. In late 1959 we completed our Sanitary Fill program at area adjacent to Concord Turnpike at Dow Avenue. We then moved to a new area which is located off of Summer Street, east of Reed Street. It was necessary to prepare roadways into this area and I feel that it is reasonable to expect that this Land Reclamation Project will provide the Town with an area for many years to come. Two new 18-yard Gar Wood Packer Bodies were purchased during the year and installed on two 1952 Mack Chassis which have aided greatly in a more efficient operation.

Under Article 34 of the Warrant, "Improvement of Volume and Pressure-Water System" we have continued to improve our entire Water System. We cleaned 8,015 feet of Water Mains, installed a larger water main on Linden Street; Massachusetts Avenue at Heights business area; installed main from Churchill Avenue through Menotomy Rocks Park to Jason Street and eliminated a dead end on Prospect Avenue at Hillside Avenue.

WATER MAINS CLEANED — 1959

Foster Street, 6" main from Mass. Avenue to Broadway	1,090 ft.
Mass. Avenue, 12" main from Mill St. to Medford St.	1,975 ft.
Hillside Avenue, from Prospect Ave. to Wollaston Ave.	2,745 ft.
Claremont Avenue, from Oakland Ave. to Wollaston Ave.	2,205 ft.

NEW GATES

Massachusetts Avenue at Milton Street; Massachusetts Avenue at Melrose Street; Massachusetts Avenue at Egerton Road; Overlook Road at Washington Street.

GATES REPLACED

Egerton Road at Massachusetts Avenue; Melrose Street at Herbert Road; Overlook Road at Washington Street.

During the Winter Season of 1959 we continued our thorough program of keeping all streets plowed and adequately salted and sanded. Constant effort is being expended to make this operation a thorough one and yet keep the costs within reason.

Skating areas were prepared and maintained throughout the season. It is quite clear from expressions of those interested that these areas are greatly appreciated.

We also performed many services for other departments:
School Department —

Constructed wall and playground area, Junior High West.

Refinished desks, chairs, tables, etc.

Board of Selectmen —

Delivered and maintained voting equipment in all Precincts through the Town.

Committee on Swimming Conditions—Arlington Heights Reservoir—

The Department of Public Works constructed a new swimming beach. Much of the fill necessary for this construction was from the Construction of Parking Area at Russell Common.

We maintained and serviced thirty-one (31) additional town-owned vehicles for other Departments. This with our own vehicles involves approximately 135 cars, trucks and mobile equipment which are maintained by our Garage Automotive Repair Division. All departments were allowed to draw upon our stock which is purchased in bulk lots.

The following are the net expenditures made by the Department of Public Works:

General Administration	\$ 88,713.97

ARLINGTON WATER WORKS
Arlington, Middlesex County, Massachusetts

Population by census of 1955, 47,148.

Date of construction low service, 1872; high service, 1894.

By whom owned, Town of Arlington.

Source of Supply — Metropolitan Water System.

Consumption

1. Estimated total population at date, 50,000.
2. Estimated population on lines of pipes, 50,000.
3. Estimated population supplied, 50,000.
4. Total consumption for the year, 1,739,371,000.
5. Percentage of consumption metered, 100%.
6. Average daily consumption 4,765,400.
7. Gallons per day per capita, 96.

Distribution

(including auxiliary supply from old Reservoir)

Mains

Twelve thousand, three hundred twenty nine (12,329) feet of new water mains were laid during the year and two hundred and seventy four (274) feet of mains were re-laid during the year and connected with the Metropolitan System. Details of regular water main construction will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 12,329.
4. Number of feet renewed during year, 274.
5. Discontinued during year, 274.
6. Total now in use, 120.31 miles.
7. Cost of repairs per mile, \$171.69.
8. Length of pipe less than 4 inches in diameter, 0.
9. Number of hydrants added during year, 23.
10. Number of hydrants now in use, 1,286.
11. Number of stop gates added during year, 81.
12. Number of stop gates now in use, 3,023.
13. Average pressure on mains at center of Town, 110 high system, 80 low system.

Services

Two hundred and fifty six new services have been added during the year and five abandoned. There are for all purposes, 4268 on the low, 7327 on the high and 5 on the old Reservoir system. On the Metropolitan water supply there are eighty-seven services for municipal purposes, 42 sprinkler services, and 50 for sewer flushing purposes included in the above. On January 1, 1959, two hundred and twenty-six services were temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron and lead, 3 inch to 6 inch, cast iron.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 256.
4. Number of services abandoned during year, 5.
5. Number of services, now in use, 11,600.
6. Percentage of services, metered, 100%.

Meters

Two hundred and fifty-six (256) meters were set during 1959 on services installed in 1958-1959. The total number of meters in use January 1, 1960, 11,600.

I would like to publicly thank all Departments in the Town whose splendid co-operation with us makes it possible to perform our varied projects speedily and economically.

To the men in the Labor Division and to the Administrative Office my sincere thanks for their excellent co-operation.

I wish to express my sincere appreciation to the Town Manager, the Board of Selectmen, the various Boards, Trustees, Commissioners, Department Heads and to my Staff for their co-operation throughout the year.

Respectfully submitted,

FRANCIS N. O'HARA

Superintendent of Public Works

Report of the Public Welfare Department

January 25, 1960

Honorable Edward C. Monahan

Town Manager

Town Hall

Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit my report for the Public Welfare Department for the year ending December 31, 1959.

CASE LOAD PER MONTH

	Welfare Aid	Old Age Assistance	Aid to Dependent Children	Disability Assistance
January	44	484	27	51
February	45	485	26	49
March	44	481	26	48
April	39	476	26	49
May	39	473	26	47
June	39	471	25	47
July	41	475	21	46
August	42	475	20	45
September	41	471	22	44
October	37	476	23	43
November	37	474	24	42
December	36	470	26	42

MEDICAL AND DENTAL CLINIC

420 visits were made to our Medical Clinic by recipients who had established their eligibility to receive assistance under one of the four categories listed below:

Summary

Welfare	115
Old Age Assistance	174
Aid to Dependent Children	79
Disability Assistance	52
	<hr/>
	420

132 visits were made to the Clinic for Dental Care.

WELFARE AID

Total Expenditures		\$28,186.49*
Less Reimbursements		
State	\$ 6,259.71	
Cities and Towns	13,941.25	
Individuals and Estates	0.00	20,200.96
	<hr/>	
Net Expenditures		\$ 7,985.53

*\$4,771.75 — Paid to other Cities and Towns.

*\$1,912.96 — Paid to Institutions.

WELFARE AID was granted to 69 cases including 119 persons.

Settlement Status—Welfare Aid.

AID TO DEPENDENT CHILDREN

Total Expenditures		\$46,823.27
Less Reimbursements and Grants		
Federal Grants	\$18,913.50	
State	16,815.24*	
Individuals	0.00	35,728.74
Net Expenditures		\$11,094.53

* \$4,611.16 due from State.

34 Families were aided under this category of relief including 90 persons, 77 children under 16 years of age and 12 children between 16 and 18 years of age and attending school.

DISABILITY ASSISTANCE

Total Expenditures		\$56,898.39
Less Reimbursements and Grants		
Federal Grants	\$22,041.00*	
State	20,039.07	
Individuals and Estates	1,818.20	43,898.27
Net Expenditures		\$13,000.12

* \$1,917.50 Federal Grants allocated but not received until 1960.

Disability Assistance was granted to 58 persons.

An analysis of gross and net expenditures for 1959 in comparison with 1958 reveals the following results.

The 1959 gross for the four categories of aid amounted to \$707,423 (cents omitted) as against \$717,254 in 1958. This was a decrease of \$9,831 or approximately .0137. The 1959 net was \$95,503. as against \$96,725 in 1958 a decrease of \$1,222 or approximately .013. These percentage changes were unusually small but they pointed in the right direction.

Factors contributing to decreased expenditures, both gross and net were due to declining case loads and a boost in Social Security payments to recipients of Disability Assistance and Old Age Assistance. These increased benefits, effective in January, 1959 amounted to about 7%. We are much disturbed however by rising costs of Medical Care which in Arlington is currently running at approximately 46% of all payments to Old Age Assistance recipients.

As usual we face increased hospital costs beginning January 1, 1960. The larger teaching hospitals have been granted an increase from \$28.32 to \$30.79 per diem whereas Symmes Hospital will go from \$22.65 to \$24.63 per diem. Lemuel Shattuck, Pondville and Westfield have jumped from \$7.50 per diem to \$15.00 per diem, 100% up.

The Board of Public Welfare meets monthly with the Director and the Two Social Work Supervisors in the Robbins House. Assistance grants in all categories are examined and approved, adjusted or denied. The Director (new name for Agent) presents the monthly agenda to the Board and acts as its Secretary. Supervision of Administration continues to be exercised by the State Department of Public Welfare. The State conducts audits at regular intervals as does the Federal Government.

In place of two meetings per month the Board has been operating two sessions on the same date. It convenes at 4:30 P.M. for cases only. When that is completed the Board remains with the Director to review Administration matters. The Board examines Expenditures Control, Reimbursements. Space requirements, Billings to Other Cities and Towns, Liens and Recoveries, Salaries and Personnel Practices.

The Board of Public Welfare is organized as follows:

MR. WILLIAM J. McKEEVER, Chairman	
MR. CORNELIUS F. COLLINS	} Members
MR. WALTER T. KENNEY	
MR. GEORGE V. MORSE, Director and Secretary	

It is fitting at this time for me to extend my thanks to you, to the members of the Board of Public Welfare, and to all officials, department heads and employees of the town who have so courteously assisted me and members of my staff throughout the year. I also wish to acknowledge the many services rendered by private social agencies, service organizations, church and civic groups and individuals. I further wish to commend my staff and the field representatives of the State Department of Public Welfare who have recognized the growing need for increased services to our less fortunate clients.

Respectfully submitted,

GEORGE V. MORSE

Director of Public Assistance

Report of the Town Manager

February 23, 1960

Honorable Board of Selectmen
Town Hall
Arlington 74, Massachusetts

Gentlemen:

My report for the year ending December 31, 1959 will be my seventh annual report (1953 to 1959 inclusive) since my appointment as Town Manager on May 1, 1953. In the meantime, the Tax Rate has gone from \$57.60 (1953) to \$74.00 (1959), an increase of \$16.40 during said seven-year period.

A reasonable question at this time is: —What has caused this terrific increase in the Tax Rate? This question has no simple answer; only a detailed analysis involving as many pages as contained in this book would provide the information needed to satisfactorily answer the question, and such involved financial analysis would probably be interesting only to the relatively few financial experts who have a consuming interest in such details. It is necessary, therefore, to summarize the principal tax factors that have been primarily responsible for the aforesaid tax rate increase.

Broadly speaking, there are four factors that have been the major reasons, and they are:

1. Inflation — higher costs of labor, materials, and services affecting all departmental appropriations;
2. Increased State & County Charges for M.D.C. Sewer and Parks, M.T.A. Deficits, County Hospital and County Charges; also Town Overlay;
3. School Construction Program in the Town; and
4. Non-administrative factors in the Town's appropriations such as Debt and Interest, Group Life and Health Insurance, Pensions, Stabilization Fund, Street Construction and Reconstruction, and Arlington Center Improvements.

Since 1953, Town Appropriations have increased \$2,520,513, of which \$1,590,569. has been for Salaries and Wages of all Town employees.

Since 1953, State Charges, County Charges and Town Overlay have increased \$526,000.

Since 1953, the annual costs of the School Department have increased \$1,327,739. (This figure includes school dept. portion of the salary and wage increases referred to above; it also includes school buildings Debt and Interest.)

Since 1953, appropriations for non-administrative factors have increased \$759,832.

Had it not been for the increase in property valuations of \$13,715,100., the tax rate increase would have been a great deal more; fortunately, too, increased receipts, especially Excise Taxes, helped the Tax Rate situation considerably.

In the absence of supporting information the foregoing facts cannot be considered conclusive—but they do highlight the major factors that have affected the increase of \$16.40 in the Tax Rate from 1953 to 1959.

It is my understanding that an independent civic group is making a comprehensive study of town affairs from the inception of the Town Manager Act in 1953 to the present time (1959). It is expected that its findings will be made known early this year.

It will then be possible for objective conclusions to be reached relative to the worth of the Town Manager Act in the Town of Arlington.

In 1960, the Town Meeting will undoubtedly approve the construction of an elementary school in the Pheasant Avenue Section of the Town. This is expected to be the final school building to be erected under the tremendous school building program that has been going on since 1953. This new school is believed to be absolutely necessary if we are to properly house our school children in proper facilities.

The need of a Sales Tax is again emphasized to alleviate the Real Estate Tax on residential and other property.

Arlington Center Improvements, initiated by the Development Commission and the Planning Board in 1958 and 1959, are expected to be substantially completed in 1960. It is to be hoped that local business men will now take major steps to improve the Center Shopping Area.

The current year witnessed a continuance of efforts to maintain public service to the residents at the lowest possible cost. Economies have been made where possible; new equipment has been bought and new methods have been inaugurated to improve efficiency in the Public Works Department whose departmental report contained elsewhere herein should be read to appreciate the complex and diversified work of this department. In closing, may I point out that the services rendered to the public by all town departments are, in my opinion, the equal if not the superior of the services rendered by the employees of any city or town in Massachusetts, bar none!

There follows below a summary of the annual reports of the various Town Departments under the Town Manager's supervision, also other important happenings for the year ended December 31, 1959.

ARLINGTON DEVELOPMENT COMMISSION—The Commission's proposals for improvement of Arlington Center were approved by the 1959 Town Meeting, and the various projects are moving along as fast as they can considering legal impediments necessary to be consummated. The Fall of 1960 should show some real results in this direction. The Board is keeping alert to the Star Market's plans for its Route 2 property, and to all other areas where the Board may be helpful in promoting and stimulating business development and improvement of the Town. The members of the Commission are to be sincerely thanked for their very capable, intelligent, and unselfish contributions to the Town's present and future economy.

BUILDING DEPARTMENT—Saturation point for single-family houses is being approached rapidly. However, zoning changes in depth of apartment house areas along Massachusetts Avenue and Broadway by the 1959 Annual Town Meeting have stimulated apartment house construction to the benefit of the Town's municipal economy. The department has been energetic in the enforcement of the Zoning By-Laws during 1959.

CEMETERY DEPARTMENT—Work on the westerly side of Mill Brook continued. One hundred and thirty one graves are now available for purchase in Plot DD, the two grave Monument-Flat Marker Plot. Four hundred and one interments in Mt. Pleasant Cemetery in 1959, the largest number in the history of the cemetery. Repairs started on the Chapel Building which will be continued in 1960.

CIVIL DEFENSE—Mr. John P. Dempsey was appointed Director to succeed Lt. Philip A. Sweeney, who was retired early in the year under disability conditions from the Police Department. During Lt. Sweeney's regime as Director of Civil Defense, he performed highly satisfactory services for which the Townspeople are very grateful. Training and planning continued. Auxiliary Fire Fighters responded to many alarms. Auxiliary Police Officers performed prodigious services over and above the normal call of duty; please refer to the Civil Defense Directors report for detailed information on these great public services. During the year, surplus property having a Government Cost of \$15,568.25 was acquired at Town Cost of \$660.81; everything acquired was considered valuable to the affected town departments that eventually benefited by the acquisition of this surplus property. Radio volunteers, "hams" so-called, responded to every request of the Director, for which the Town is grateful. During the year the Office Of Civil Defense was moved from the Old Town Hall to the basement of the Robbins Memorial Town Hall for more efficient operations in time of emergency.

DRAINAGE—Improvements continued. It is again emphasized that major drainage expenditures will undoubtedly have to be made in the future if we are to provide for "flash storms" which occasionally raise havoc in some low areas of the Town; more of this problem in future reports.

ENGINEERING DEPARTMENT—In addition to the normal heavy workload, the Department in 1960 undertook several major projects such as the design, layout and supervision of the Reservoir Beach Alterations; the layout and supervision of the construction of the Russell Common Parking Area; the survey of and the setting of permanent markers in the Great Meadows; design and layout of the Drake Road Bridge; surveys and plans of the Town Yard and Gas Company buildings and yards; and several drainage surveys and studies. The excellent work of this department has been too often taken for granted. Let it be said, therefore, that the fine professional services rendered to the Town by the Town Engineering Department under Town Engineer W. H. Roby, is noteworthy and outstanding.

FIRE DEPARTMENT—Reorganization of department continues. Replacement of 35 foot aerial ladder bought in 1937 should be considered in 1960. Fire prevention and In-Service Training continued. Fire drills in schools, dwelling inspections, hydrant inspections, com-

pany drills intensified. Fire fighters made tremendous personal contributions to building maintenance for which the Town should be very grateful. Building interiors of the three fire stations are in excellent condition with limited costs to the Town. Fire & Police Signal System maintained; new police boxes and new fire alarm boxes installed; many outmoded signal boxes replaced. System in excellent condition. The interior fire alarm systems of all older schools were connected directly to the Municipal Fire Alarm System providing for immediate response by the Fire Department with no manual discretion intervening. A 10-KW gasoline driven Auxiliary power generator was installed at Park Circle Station to provide current in electric (Edison) failures if the latter occurs. The number of false alarms rose from 54 to 112.

FUNDS, VARIOUS — All legal impediments have been resolved in 1959. The Trust Fund Commission as of the year's end assumed its full duties and responsibilities in connection with all funds previously determined by the Town Counsel to be under the supervision of this town agency. I again express the Town's gratitude to all trustees of the town's various Funds who continued to function during the past several years while the legal impediments were being studied and finally resolved.

HEALTH, BOARD OF — All public health functions of the department performed in usual way, such as Communicable Diseases, licensing, tuberculosis, clinics, milk inspections, physical examinations of pupils at parochial and other private schools, dog vaccinations, etc. A study is being made of the need of Board of Health doctors in parochial and private schools.

LEGAL DEPARTMENT — The Supreme Judicial Court reversed the findings of the Superior Court in the petition of the uniformed personnel of the Police and Fire Departments for a Declaratory Judgment or Decree to determine whether the vote under Article 27, of the 1957 Annual Town Meeting was legally effective to amend the Classification and Pay Plan, and to determine whether they were legally entitled to be compensated at the rates which they contended were increased by the aforesaid vote. The Supreme Court held that the vote in question was valid. Various Bills in Equity resulted in favorable decrees in favor of the Town by the Superior Court. Substantial moneys for aid by the Board of Health and by the Welfare Department were recovered. Miscellaneous claims were processed and settled with the approval of the Board of Selectmen and the Town Manager. Legal opinions were given to practically all Town departments and agencies.

LIBRARY — According to library experts consulted in 1958, the Robbins Library is an "outstanding example" of good public libraries. These experts, commenting on the continued growth of all library services pursuant to public demand, recommended certain changes in the physical plan to improve efficiency with fewer personnel. Unfortunately, efforts in this latter direction were nullified by inadequacy of appropriations for the purpose. It is hoped that the 1960 Town Meeting will approve recommendations for the additional money needed for said purpose; in this way real progress may be made in 1960 toward the realization of part of consultants' suggestions for the improvement of the library physical plant.

MAINTENANCE DEPARTMENT—All required maintenance and repairs to school and other buildings were done. For details of the tremendous work accomplished reference is made to the departmental report appearing elsewhere in this Annual Town Report. Thanks to the work of the maintenance men and of the custodians, the schools on opening day were a credit to the townspeople.

PARK AND RECREATION—The outstanding physical improvement during 1959 was the extension of the swimming area at Reservoir Beach by the Public Works Department. By coordination of the construction of Russell Common Parking Area and the extension of the Reservoir Swimming Area, both jobs were done at considerable savings in both appropriations. Thousands of children and parents enjoyed these expanded swimming facilities. It is interesting to point out that a few years ago serious thought was given to abandonment of this great natural resource because of unsatisfactory water conditions; however, many scientific experiments in 1958 by Superintendent Francis N. O'Hara of the Public Works Department and the Reservoir Beach Committee resulted in a suitable water treatment that "licked" the problem. As time goes on, this water area can become a really fine recreation area for young and old alike, a tremendous asset to the Town.

Among the recreational activities supervised directly or indirectly by the department were skating, golf, bowling, basketball, softball, baseball, archery, ballroom dancing, arts & crafts, tennis, swimming, summer playground, attendance of Boston Red Sox games, attendance at a stage play at Tufts University, Magic Circle Theatre, Annual Weenie Roast, Annual Field Day, Pee Wee Hockey, and the Golden Age Club. The position of qualified professional female recreation supervisor on a full-time basis remains unfilled. It may be necessary eventually to employ a man professional who would give full-time to programming for both sexes. As it stands now, the Superintendent has personnel for facilities, but nobody to assist him in the activities, themselves. For maximum results, therefore, the Superintendent would have to be two men in one. Thought must be given to this problem in 1960.

PLANNING BOARD—A very busy year in which eight public hearings were held on various proposals for changes in the Zoning By-Laws, the most important of which was the Board's recommendation, subsequently approved by the 1959 Annual Town Meeting, which greatly encourages the building of apartment houses along Massachusetts Avenue. A total of twenty-five meetings, not including hearings, were held during the year, including eight joint meetings with the Board of Selectmen, Development Commission, Zoning Board of Appeals and civic groups: numerous conferences otherwise were held with various town officials. The Board is recommending in 1960 that a full-time consultant prepare a Comprehensive master plan of the Town hoping that the 1960 Town Meeting will approve this necessary proposal. The Board keeps constantly alert to regional planning as it affects Arlington.

POLICE DEPARTMENT—Enforcement of traffic violations were accelerated during the year. The campaign against indecent literature continues with reasonable success due principally to the cooperation of local storekeepers. Juvenile situations are given constant attention with rehabilitation, the basic philosophy.

PUBLIC WORKS DEPARTMENT—This department continued to render public services of the highest possible degree. The major work performed consisted of Highway Construction; Highway Maintenance (Cleaning, sweeping, seal-coating, snow removal, etc.); Rubbish collections including operation of a Sanitary Landfill for rubbish disposal; Water Maintenance including water services, meter installations, cleaning of water mains, hydrant installations and hydrant repairs; Sewer Maintenance including cleaning of mains; Drain Maintenance including cleaning of catch basins including storm drains; installation of water mains, sewer mains and storm drain mains; construction of new sidewalks plus maintenance of public sidewalks; motor equipment repairs and garaging of 135 pieces of Public Works Department equipment plus 31 cars, trucks, equipment, etc. of other town departments; miscellaneous work for other departments including construction of a wall at the Junior High West Playground, refinishing desks and chairs for the School Department, maintaining voting equipment. The Public Works Department evidenced the versatility of its capabilities in 1959 by constructing the Russell Common Parking Area; constructing the roadways and parking area of the High School; extension of the swimming area of Reservoir Beach including successfully "licking" the water treatment problem. Only by reading the detailed report of the Public Works Department elsewhere in this book will it be appreciated how varied and many are the work assignments of this extremely busy town department. It is fair to say that the Public Works Department stands ready and willing to tackle any emergency situation within its physical and personal capacities and stay with it until the emergency has been resolved.

Please refer to the Report of the Police Department for full information on the tremendous activities of this law enforcement agency of the Town.

PURCHASING DEPARTMENT—The spirit as well as the letter of the town by-law has been complied with, in that competitive bidding has been enforced in practically all town purchases whether or not it is required by said by-law. Obtaining bids on our annual requirements for materials to be delivered as needed throughout the entire year has resulted in substantial savings in view of the rising price tendency throughout the year in practically all materials needed by the Town. The policy of soliciting the interest of local vendors in the Town's purchase requirements continues where price and quality are comparable, local merchants are favored. As purchase orders are issued, the funds required are automatically encumbered by the Town Accountant which fulfills the two-fold purpose of control of the appropriation, and assurance to vendors of payment when the subject of the purchase order is delivered to the Town in accordance with the terms and conditions at the purchase commitment.

SEALER OF WEIGHTS & MEASURES—The year 1959 witnessed a stepping-up of inspections in order to protect the public in connection with the weights and measures of vendors.

SEWER AND WATER INSTALLATION—Policy continues of having house developers assume the major portion of sewer, water, drainage, and street construction costs in roadways within their developments. The relatively small Town costs are passed on to the properties by Betterment Assessments.

SNOW REMOVAL—Economies approved by the vast majority of taxpayers continued to be put into effect in the removal of snow; for example, the traditional practice of removing snow from the sidewalks of business areas has been abandoned; also, snow removal was accomplished during regular working hours instead of the former practice of continuing the operation on an overtime basis until the entire removal job was achieved. Sanding operations continue to be a major factor of cost, especially in our hilly sections where street surfaces are usually glazed almost every night during the winter. Because of the necessity of keeping roadways open, plowing and re-plowing must be done with an eye to the weather forecast. If, for example, a current snow storm is to be followed by another snow storm or freeze, the roadways must be plowed almost meticulously. On the other hand, if warmer weather is in prospect after a snow storm, it is not necessary, for obvious reasons, to follow the same procedure in plowing. Unfortunately, when re-plowing operations are engaged in, some unpleasantness arises because driveway openings that have been cleared by thrifty householders become filled in again by the plow necessitating additional work on their driveways by householders. The great patience of householders, previously extended to the Public Works Department in connection with such necessary personal inconveniences caused by such re-plowing operations to assure safe roadway conditions, is again solicited.

Further economies are in prospect in 1960 in connection with the use of rubbish collection trucks and a few other Town trucks in snow plowing to offset the rising rental costs of contractors equipment; only a few of that latter have been contracted for the 1959-1960 Winter Season and these at satisfactory rental Rates. It should be emphasized that the operating economies that have been put into effect in the past few years result in no essential changes in the high-caliber services rendered to the Town's residents during the winter months; they continue to be the best in Eastern Massachusetts; however, the "plush" has been taken out of the plowing and snow removal operations in business districts.

STREET LIGHTING—Improvements continued along Massachusetts Avenue from the Center to the Cambridge Line. Pedestrian safety is further assured by planned street lighting improvement along Broadway in 1960.

TREE DEPARTMENT—Approximately 380 trees were planted throughout the Town in 1959. The Stump Remover and the Brush Chipper acquired a few years ago continued to prove their great value in increasing the work volume and reducing the unit cost. Regular spraying schedule was carried on as usual. Town Hall Grounds were maintained.

VETERANS' SERVICES—Considerate and sympathetic service to veterans and their families continues. Costs of aid decreased slightly during 1959. Number of applications for aid may be reduced attributable to higher benefits now being paid in connection with increased Unemployment Compensation, increased Social Security and group hospital, medical and surgical insurance benefits, etc.

WELFARE DEPARTMENT—Decreased case load pursuant to continuing economic prosperity plus increased Social Security pay-

ments to recipients of Old Age Assistance and Disability Assistance resulted in decreased gross expenditures of \$9,831. and net expenditures of \$1,222. during 1959.

Increased medical and hospital costs cause serious concern. The larger teaching hospitals have been granted an increase from \$28.32 to \$30.79 per diem; Symmes Hospital has increased per diem costs from \$22.65 to \$24.63; Lemuel Shattuck, Pondville and Westfield have jumped from \$7.50 to \$15.00 per diem, an increase of 100%.

On the whole, the trend in expenditures over the past several years has been highly satisfactory; for example, 1959 expenditures were slightly lower than what they were in 1953.

Machine accounting introduced in 1958 has resulted in the anticipated administrative benefits as the department is now practically current in billings to cities and towns whereas formerly it was months behind in this important category of Town collections.

Recommendation is repeated that the State take over the Welfare Department in its entirety in order to eliminate tremendous duplication of work in connection with highly involved settlements between cities and towns of the Commonwealth; State administration of Welfare Departments would otherwise result in great economies in time, effort and money.

For detailed information, please refer to the Annual Report of the Welfare Department.

CONCLUSION—In concluding this, my seventh annual report, may I respectfully point out that the attainment of all of the objectives of businesslike management under the Town Manager form of local government will be accomplished only by continuing efforts. In my opinion, businesslike municipal government reflects arduous efforts rather than genius—the Town Manager must apply himself constantly to the task and in this respect he must elicit the full co-operation of the employees who work under his supervision and direction as well as all other associated employees and officials of the Town. It is my humble observation that the Town Manager form of government has already shown satisfactory results. I feel very strongly that a maximum of value has been furnished the citizens for every tax dollar spent; I sincerely believe that the records will substantiate my conclusions in this respect.

For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personnel Board, the School Committee, the Board of Assessors, and all town departments, board and commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine team-work during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and effort with no compensation to the various unpaid boards and commissions of the town government. Sincere thanks is expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the town, my sincere thanks are extended for continued cooperation, confidence and encouragement which makes worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Reference is made to other sections of this annual report for information, statistics and data of the various Town Departments for the year ending December 31. 1959.

Respectfully submitted,

EDWARD C. MONAHAN

Town Manager
